student life

class officers

How have you left your print on KHS?

I have raised the bar for the future generations of leadership at Kennedale High School. I am the Senior Class President, the Cheer Kennedale Captain, and a Varsity Cheer Captain. I am also involved in many student organizations, while maintaining straight A's and a 4.0+ GPA. I hope I left my print as a good role model for the lower grade levels and have shown them how great it is to be a Wildcat!

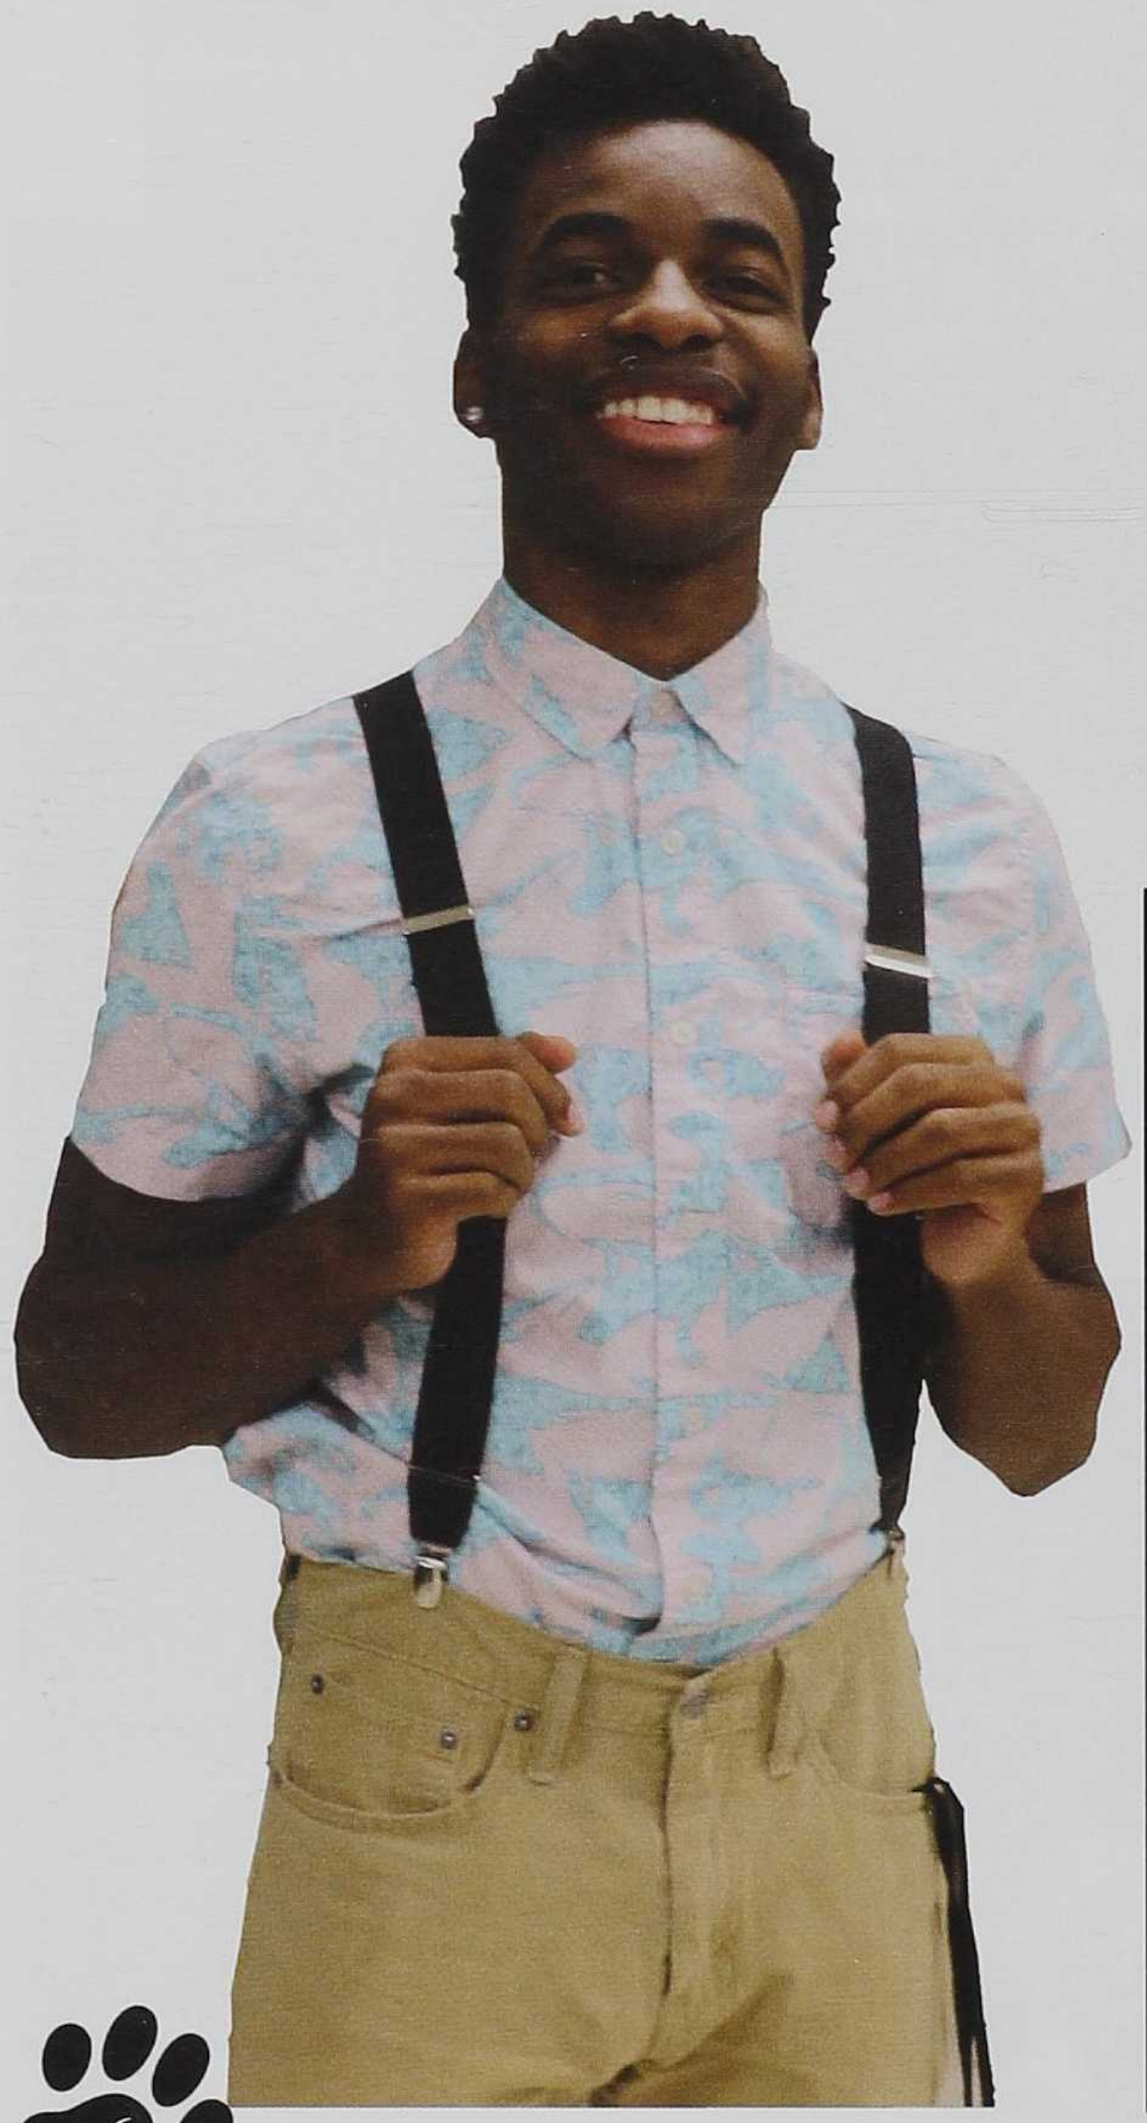
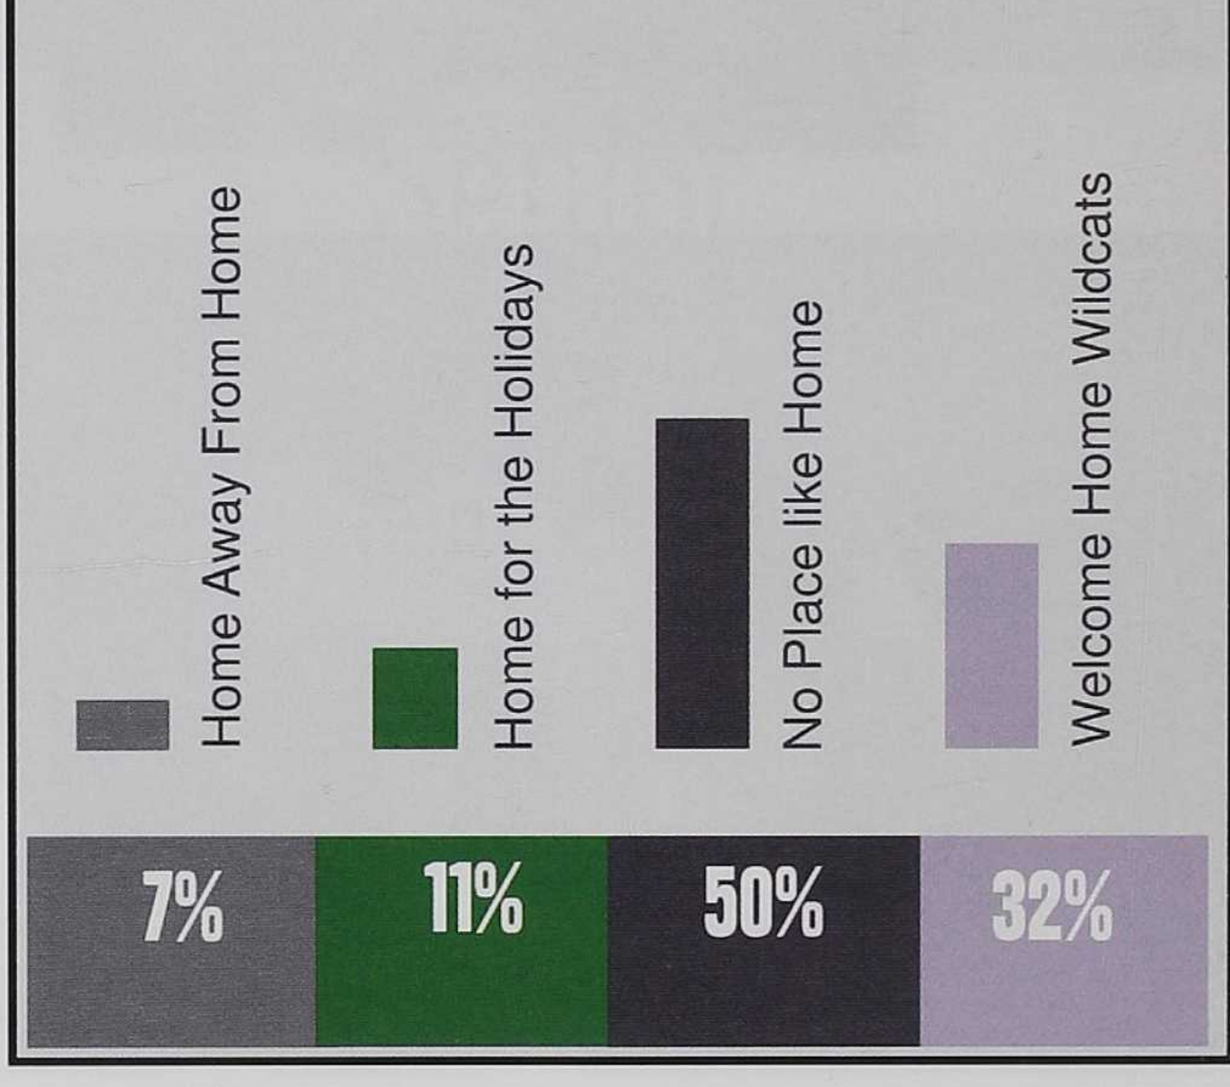
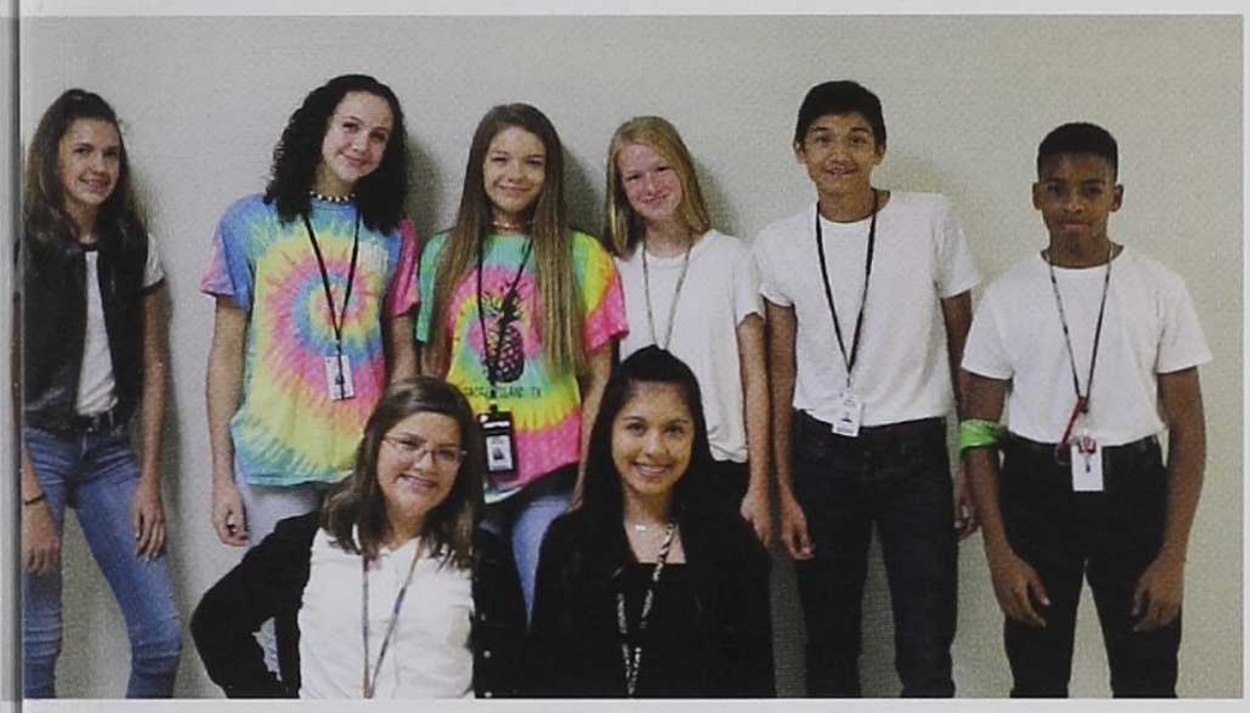
SPIRIT DAYS

Spirit week has been a tradition for years at Kennedale High School. Some spirit days line up with pep rallies, like neon day, pink out, and black out. There are spirit days for Red Ribbon Week and the week of Homecoming. Students dress up for assigned spirit days, but it is about much more than avoiding the dress code. Students use these days to show their school spirit and show unity in the school. The tradition is one of the favorites in the ´DALE.



WHICH SPIRIT DAY WAS YOUR FAVORITE?





Why do you dress up for Spirit Days?

I chose to dress up as a nerd because it's a way to express myself.

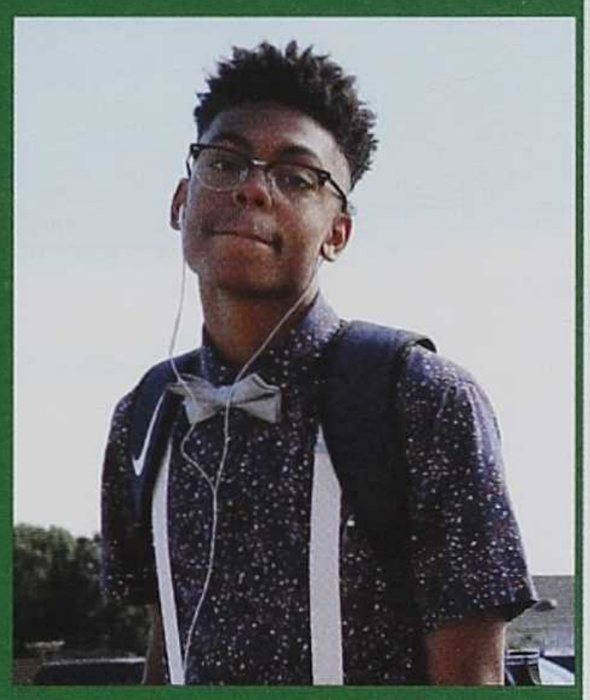
- Carli Costa

I dressed up as a tourist because who doesn't like to travel.

-Karianna Campos

I dressed as a tacky tourist because I like vacations.

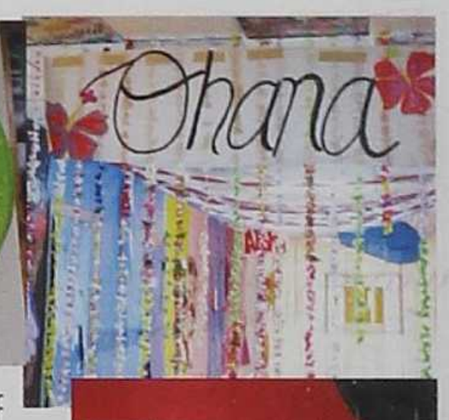
-MacKenzie Fournier



Who says you can't? Nerds are not cool!

-Ashton Agee

coming home



For students and faculty of Kennedale High School, homecoming week was the perfect opportunity to showcase school spirit.

The week began with the decoration of hallways. Wildcats were welcomed Monday morning to sights from far off places, book and movie plots, and even memories of years past. Hallway themes included "Up"," No Place Like Home", "Lilo and Stitch", and "A Trip Down Memory Lane". The winning hallway was announced later in the week at the pep rally. Juniors prevailed.

Throughout the week, the dress code was set aside, and the school was filled with tacky tourists, pajama pants, and holiday attire. The week concluded with a mixture of school colors worn by all students. The pep rally became the perfect showcase for the spirited student body dressed in Wildcat fan gear.

The homecoming pep rally fired up players and fans with dances, cheers, games, and class competitions.

The spirit filled week came to an exciting conclusion as the KHS Wiildcats beat Lake Worth 49 to 0.

HOME

The rain couldn't keep KHS from celebrating the 2018-2019 Homecoming Court. The court included freshmen Lady Eaden Bowman and Lord Kaden Adams. Representing the sophomore class were Duchess Victoria Sampaio Tovar and Duke Christian Rockin.

COMING

Princess Kayla Guevara and Prince Blake Taylor represented the junior class.

Senior court included Homecoming Queen nominees: Grace Guadagnolo, Trinitee Warren, and Jordan Willingham. Nominees for Homecoming King included Jaden Smith, De'Shaun Kirven, and Leland Murphy.

Halftime concluded with the crowning of the new king and queen, Leland Murphy and Jordan Willingham.

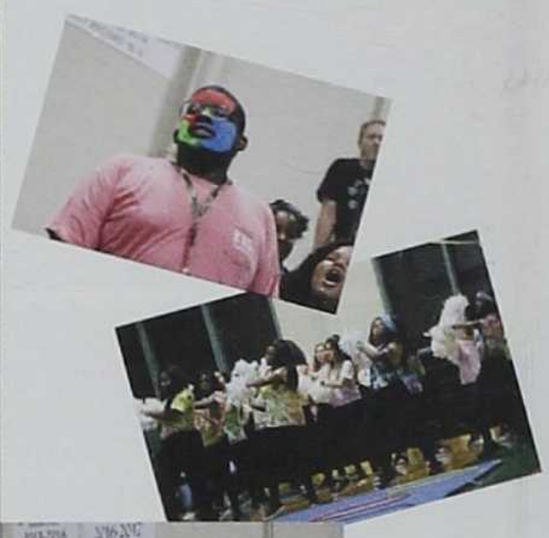
wildcats all fired up

PEP RALLIES

Chants. Cheers. The beat of the drumline. The roar of the Wildcat battle cry. On most Friday afternoons from August to October, boisterous sounds can be heard coming from the Kennedale High School gym.

Pep rallies have a special way of uniting Wildcats and pumping up a team and crowd, preparing everyone for the Friday Night Lights.

Spirit filled wildcats readily embrace a new theme each week. From Neon to Pink Out, from Black Out to Homecoming, the student body is suited up for an entertaining time. Cheerleaders lead cheers and chants, the Aristokats perform a new dance routine, and the band turns up the volume. Each pep rally includes games and class performances. Even teachers get in on the fun.



Pink Out

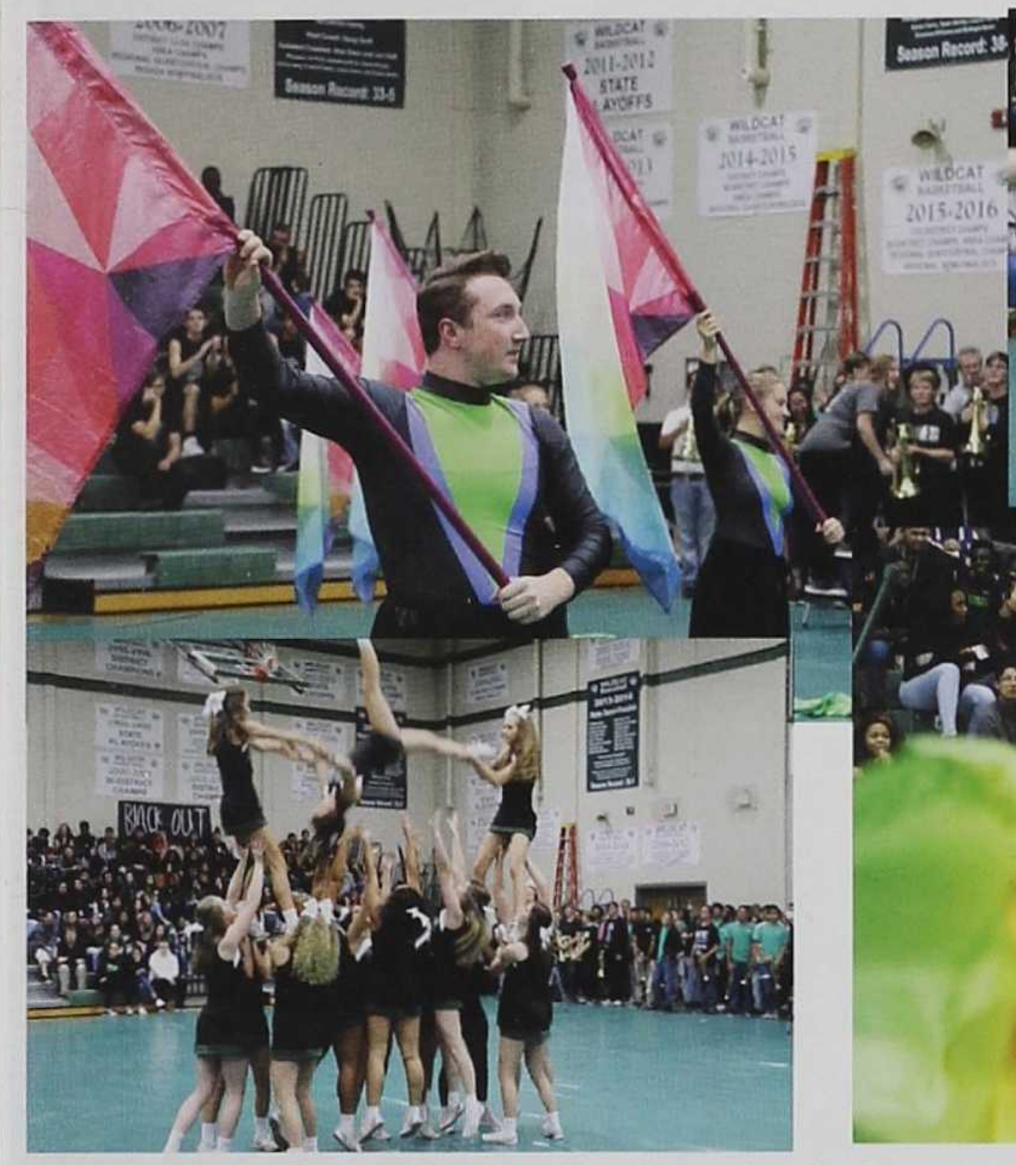
REAL WILDCATS WEAR PINK

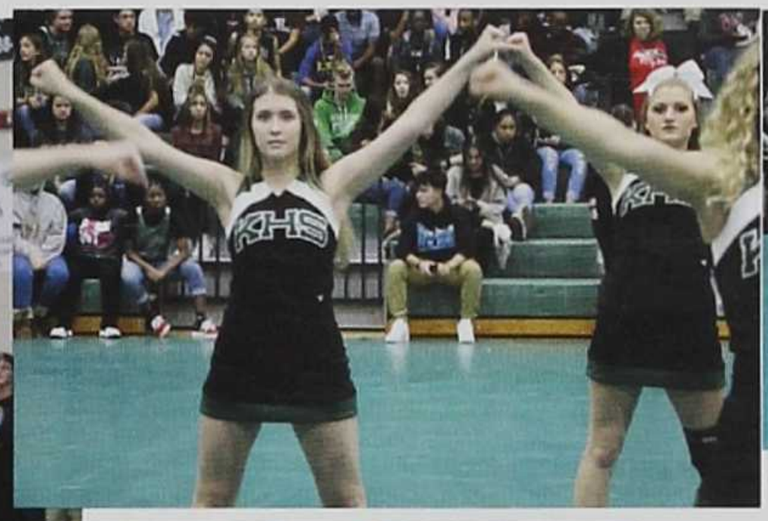
The Pink Out pep rally is not only a special occasion, but also a tradition here at Kennedale High School. Students and faculty unite in their pink pride to show support of loved ones battling cancer. To make this year extra special, a banner with the names of the loved ones lost, the survivors, and the ones who are currently battling cancer was displayed in the gym for all of the students to see.

Pink Out Spirit - each class shouts out V-I-C-T-O-R-Y for a chance to win the spirit stick.

Katy Wester cheers on the Wildcats during the Pink Out pep rally.

Dr. Glenn, Mr. Alemon, and Mr. Miner take on the student body in a hoola hoop race.





Coach. Portales, Mrs.Newcomer, Mrs.Brown, and Mrs.Browning (pictured above) participate in an intense game of tug-of-war during the pep rally.

Back in Black - Both KHS Color Guard and cheerleaders showed their wildcat pride with their exciting performances.

Band members announce they're on their way to state!

Below is Nicole Valentin performing her flag routine with the other Color Guard members.

time to shine

I-Sing

Each year, the Kennedale High School choir proudly sponsors the I-Sing competition to showcase the talents of KHS singers.

"This year's competition was no different and the level of talent on display was phenomenal!" said KHS choir director Matt Schenck.

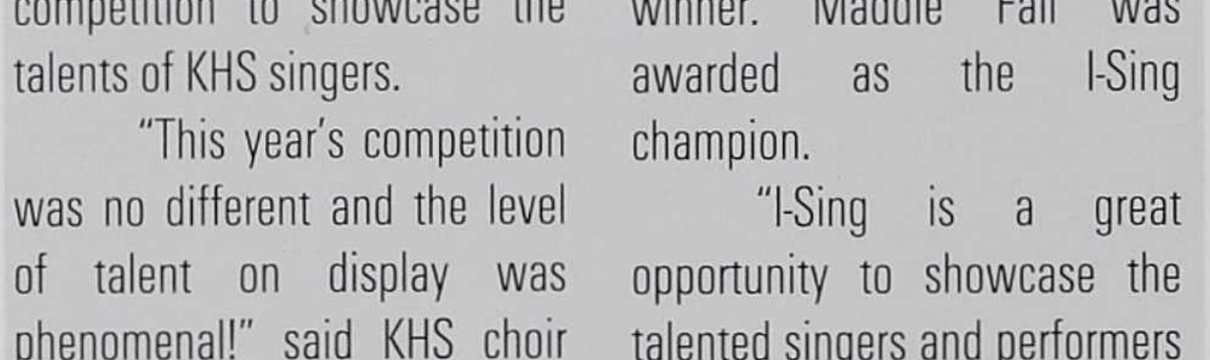
Vocalists performed a variety of musical styles including pop, rap, and country.

Everyone who joined the competition had one goal, to win!

After the display of vocal talents, the judges tallied their score and announced the winner. Maddie Fail was awarded as the I-Sing champion.

"I-Sing is a great opportunity to showcase the talented singers and performers here at KHS," said Schneck.

No matter the motivation, whether just to sing or to follow their passion, I-Sing contestants gave the audience a beautiful show!



And the winner is...

Maddie Fail

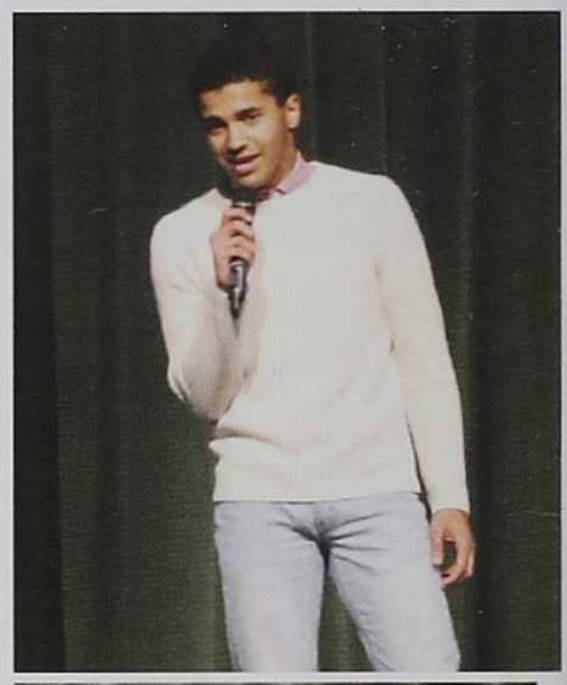
"I was very excited to watch all of my great friends sing so beautifully. I can't say that I was nervous, but I did have a lot of family there. I was feeling the jitters. I was shocked that I won the trophy and one hundred dollars."

Taylor Hayes plays the piano for the I-Sing competition.

Maddie Fail sings " I'd Give My Life for you".

From left: Hannah Malone (hostess), Alia Boubel (3rd place), Maddie Fail (1st place), Luci Williams (2nd place), and Angie Blanco (hostess)

Contestants for I-Sing performed a variety of songs. The talent was of the highest level for this annual competition.



happiness is teaching children...

ESPECIALLY YOUR OWN!

Having a parent on campus everyday has its ups and downs.

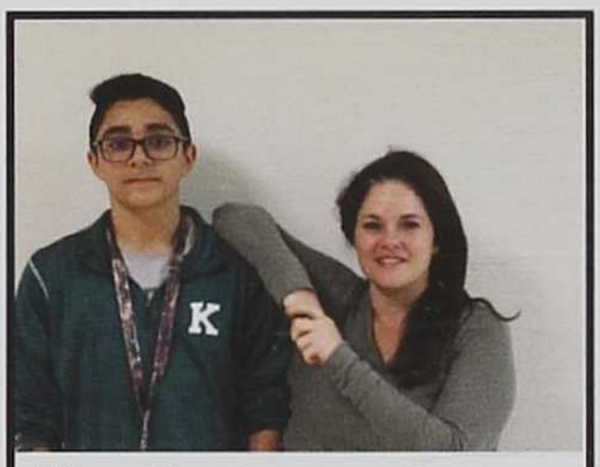
Forgot lunch money? No problem, Mom is just down the hall.

Cute guy in English? Oh no, Dad is right down the hall.

For a handful of KHS students, the reality is just that. His or her wildcat family is more than a metaphorical group of supporters, they are actually family. More than a dozen students at KHS have the benefit (or annoyance) of sharing a campus with their parent.

"Being at the high school with JD is awesome for me. I know he might not always agree. Seeing him in the halls and being able to embarrass him occasionally is a definite bonus, said English teacher Kim Padgett.

Sweet smiles for these two sweethearts, Mrs. Alison Boubel and her daughter Alia Boubel.



Two Barrigas are better than one! Ms. Amy Barriga and her son, Sergio.

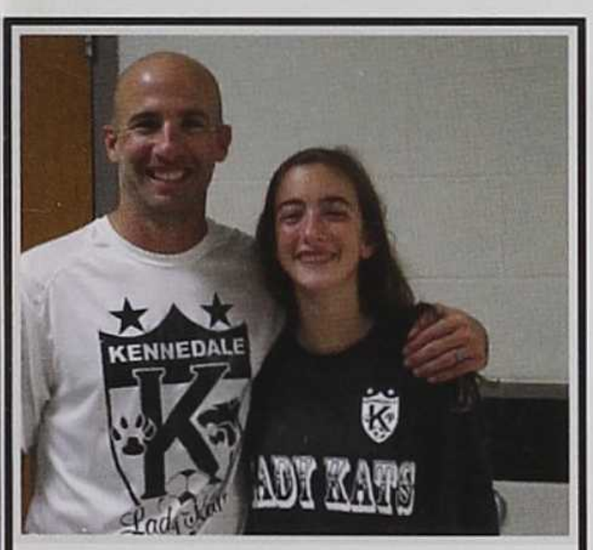
Clay's mom is his biggest fan! Clay Hilton and his mom, Mrs. Candice Hilton

It's chaos and choke holds for the Earle clan. Coach Richard Earle and his two kids Morgan and Mikayla

Spending their days training and winning, Nevaeh and her mom, Coach Shannon Johnson make a great team.

This mom is three times as busy with her girls. Mrs. Pamela Berry and her triplets Morgan, Macy, and Meagan

From the classroom to color guard, Mrs. Shelly Klee gets to spend a lot of quality time with her two daughters Elinor and Isabel.



Savannah Danner and her dad Coach Sidney Danner can run laps around most of the Wildcats!

It's nothing but love for Mr. Heath Wakeland and daughter, Chloe

It takes a special person to be a "boy mom". Mrs. Kim Padgett and her son, JD

Teacher, dad, and coach, he's got Evan covered! Coach Kenneth Jowers and his son Evan

If you go up to room 921, chances are you will find Maxwell Lowery hard at work For the past four years, Max has been working hard for the AV program, but his video worl started way before that.

"I have been making little videos and stuff ever since I was 6. It's something I've always been into and wanted to do." Lowery says.

You can see pieces of his work on the WCN Youtube page, where some of his promotional sports videos are uploaded. He spends constant hours of his time staying up a the school and editing his videos. He gathers some of his inspiration from small short films on Youtube, but someone that really inspires him is Steven Spielberg.

"I love his way of creating and bringing his visions to film. I've watched pretty much every one of his films, I love all of them. And he has such a great story if you read about him."

Overall, Lowery has really shown Kennedale his talents over the last four years, but don't worry, Max plans on continuing his art into college.

"Yes, in AV I'm pursuing a career in audio visual. I'm going to Media Tech in Dallas, it's a technical school, and I'm getting a degree in live video production," Lowery said.

MAX LOWERY

As a freshman, Hannah Stephens felt the best way to experience high school was to get involved. She joined Key Club, Student Council, Spanish Club and YAC (Youth Advisory Council). She is also an active member of National Honor Society and National Spanish Honor Society.

Stephens decided to take rigorous classes and mostly took Pre-AP and AP classes just because she wanted to challenge herself.

"I feel that being so involved at Kennedale High School has helped me prepare myself for college. I am still involved in all the above clubs, and I am currently the Vice President of Key Club. I feel having joined these organizations has allowed me to grow as a person, and I am truly thankful for all the people involved," said Stephens

Being involved and currently working at Richter Animal Clinic has made Stephens become better at tim management.

She has committed to attend the University of Texas at Arlington because they have a great chemistry program. She recently was awarded the UTA Maverick Scholarship and accepted into the UTA Honors College.

"I am so thankful for this scholarship that UTA has granted me. I am still applying for scholarships and continue to work harder to get more money for college. After my bachelor's degree, I hope I can continue with my master's and hopefully a doctorate degree," said Stephens.

CLASS OF 2019

RUTH MITCHELL

Academic achievement. Active in community service. Role model for children. Female powerlifter. These qualities by themselves are impressive, but putting them all together in just one person is almost unbelievable. Senior Ruth Mitchell excels in each of these areas and does so with a sweet disposition.

Mitchell has been an active student at KHS. She is a Key Club officer, a member of the girl's powerlifting team, and she is a PAL to elementary students in Kennedale.

She credits her skills in time management to keep her on track. Volunteering in the community and donating time to those in need motivates Mitchell to give up free time for others.

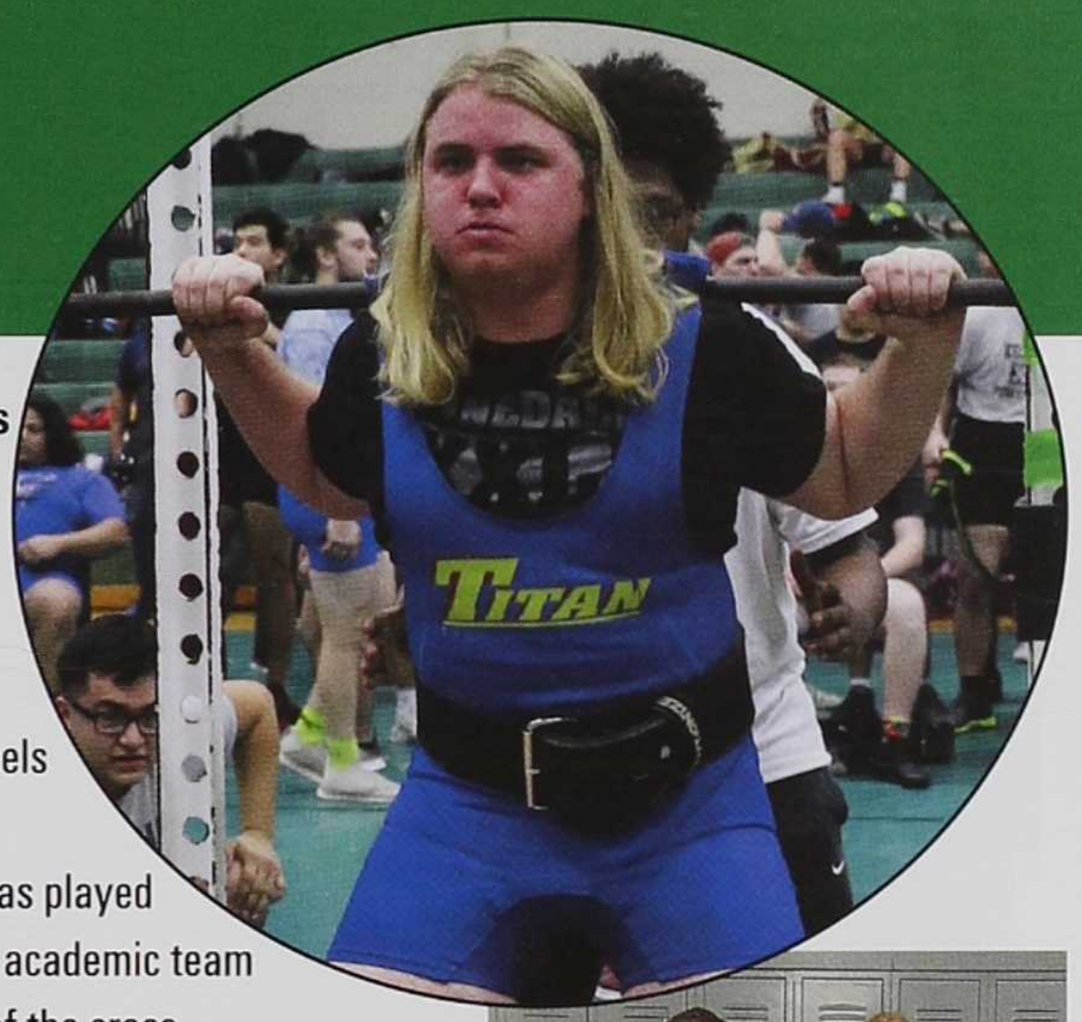
"I love volunteering for our community, and I love the children here," Mitchell said, "I became a PAL because it gave me an opportunity to help kids."

Of all the extracurriculars, that she is involved in, Mitchell's favorite activity is powerlifting.

"My older brother enjoyed powerlifting and introduced me to it when I was in seventh grade. It is a very competitive sport that I love," Mitchell said.

Mitchell will attend the University of Texas in the fall.

DAVID FIELDER



Balancing extracurricular activities and a schedule filled with AP classes should be a difficult challenge, but senior David Fielder does it all with a carefree demeanor that makes it look easy.

"It is a lot of staying up late to get homework done, but my plan is to go to college and make a lot of money," said Fielder.

Over the course of high school, Fielder has taken seven AP classes which he feels prepares him for the pressures of college.

Academics is not the only thing that Fielder has focused on while at KHS. He has played football all four years as the center and split guard. He earned a place on the all-state academic team his senior year and was first-team all district as the center. Fielder is also a member of the cross examination debate team and earned third place, with teammate Bailey Torcoletti, at district.

Fielder is also a member of the powerliftng team. He squats 450 pounds, deadlifts 420 pounds, and bench presses 255 pounds.

Fielder will attend Texas Tech in the fall and major in petroleum engineering.

faculty

Which teacher has impacted your life the most?

from the class of 2019

Mrs. Collum

She's my most influential teacher because of all the hard work she puts in for school events and seasonal events. She's been my art teacher for five years and this is my sixth year with her. This year she's teaching AP Art History. She's fun, exciting, and it's easy to learn in her class. She makes it entertaining.

Coach Jenkins and Mr. Aleman

They both expanded my horizons as a leader. They also each challenged me, and allowed me to test my abilities, so that I will be able to reach my full potential. They believed in me, and were there for me when no one else was. I knew that no matter the problem, I could always count on Coach Jenkins and Mr. Aleman.

Coach Kidd

He taught me how to study and persevere in his class, he also showed me how history can be fun! He has always been my all time favorite teacher!

Mr. Oktay

I have more respect for Mr. Oktay than anyone else, and I look up to him not only as a leader but as a man in general. He is extremely professional during the hardest times yet always knows when to crack a joke. He can go from joking around to down to business in the blink of an eye and that is something I've tried to copy. Being taught by him and especially being in leadership this year has turned me from a young, stupid, arrogant freshman to a more mature leader, and I owe that mostly to Mr. Oktay for showing me what it is to be a real leader and a real man.

Coach Munson

He is a great teacher and great coach. He is positive, most of the time, open minded, and is willing to listen to your problems. He will provide his own opinion while reminding you to follow your own desires. He's funny and can always make you smile with his jokes or from his bomb stories. He's been there to support me my entire high school carrer both in basketball and in his class. If I had to choose my favorite teacher from all my years in school, Coach Munson takes the cake.

Mrs. Naughton

She has always been the "mom" for everyone and anyone. She cares so much for her students and their well-being. It's impossible to ever be upset near her. She turns everyone's day bright and shiny just like her personality. And it's impossible to believe that she ever has any down days. She has changed my life for the better and definitely will be the highlight of my high school years. I love her to death.

Coach Tranthum

His attitude and demeanor help to inspire many students to do their best. He helps define what it means to be a Wildcat.

Coach Earle

He's been my English 1, 3, and 4 teacher. He's taught me a lot, especially about writing essays. He works a lot to get grades in and gets us working and going. He always follows school rules and makes sure we're doing what we need to be doing. doing.doing.

Mrs. Bowens

She taught me to have passion for what I am learning and to chase after my dreams even when others tell me they are impossible.

If you could meet anyone, dead or alive, who would it be? Why?

- Jim Lovell. Well, any astronaut in the Mercury, Gemini, or Apollo programs. I love anything to do with NASA.

- Candi Allstot

- If I could meet anyone dead or alive, I'd have dinner with Jerry Jones, so I could ask why he keeps ruining the Cowboys.

-Charles Creasy

-I would have loved to have met Laura Ingalls Wilder. I just felt a kinship with her when I read her books. Another one I would like to have met would have been C. S. Lewis. Being able to sit and learn from him would have been fun.

-Heather Podbeilski

What would be the title of your autobiography?

- A Beautiful Mess

- Allison Boulble

-Service with a Smile: The Life of an American Educator

-Matthew Munson

-Bad Choices

- Gerald Massey

-"The Renaissance Man" or "I'm not a Hoarder, *I'm a Historian*"

-Kelly Kidd

What is the first thing you would buy if you won the lottery?

- A meet and greet with The Rock!

-Joey Lucero

-The world a coke. Like in the song.

-George Griffin

-If I won the lottery I would pay off my house in Maine and buy a small boat to fish in.

-Carolyn Cullum

- I would travel the world, spending a week or so in each city.

-Wendy Thacker

FRESHMAN SUPERLATIVES

Playing His Way To The Big Apple

"Unquestionably the most unreal experience I have ever had in my life was performing at Carnegie Hall in New York City," freshman Aaron Buyco said. It was an experience that he will never forget.

With no previous music experience, Buyco joined the band in 5th grade and chose the trombone. His mother describes him as "a hard working young man". He is very focused and dedicated and practices almost everyday . But his talent wouldn't have flourish without the direction and guidance of Mr. Brown, Alex Dubrov, and now Mr.Oktay.

Nominated by Mr. Brown for the Honor's Performance Series, Buyco joined five other ensembles for the June 23, 2018 New York Wind Band Festival at Carnegie Hall. The Daily rotation was waking up early around 6:30 to eat breakfast at a local restaurant. They would then go back to the hotel and practice with the whole band for three to four hours. After the hours passed, the performers would go to lunch then go back and practice again. After afternoon practices, they would then go sightseeing to museums or landmarks.

The whole rotation lasted for four days until it was time to perform. Some landmarks Buyco visited were the Hayden Planetarium. 42nd Street, Grand Central Terminal, Trump Tower, and of course Carnegie Hall.

On Performance day, Buyco and the other performers arrived at Carnegie Hall by bus and had a final practice. When it was finally time to play, there were hundreds of people that came to watch.

"I had some nervous feelings. But when we played that first note, all the feelings of anxiety, of messing up, or making a mistake washed away and there was just music, the director, and you play," Buyco said.

Overall, Aaron loved the experience and was very grateful for everything.

"It was an unforgettable experience that I was luckily gifted. It created a new opportunity, and I have new friends that I would never have met if it was not for this. I would love to re-experience this moment soon in New York again or maybe in Australia," he says.

a model student

SARAH LINNABARRY

A chance encounter at a volleyball tournament proved to be life changing for sophomore Sarah Linnabary.

Modeling scouts noticed the 6' tall, blonde beauty at a volleyball tournament when she was only twelve-years-old. Linnabary was going about her normal routine as a junior high volleyball player when she was approached by a modeling agency.

" Everytime I would go to volleyball tournaments, scouts would come up to me, so I finally just went for it," said Linnabary.

Just a few years late, Linnabary has now modeled for Donna Demari(@donnademariphotography), Marshall David (@marshalldavid11), and Courtney Laddimor (@courtneyladdimore), and her agent is Wallflower Mgmt,Dallas STATE Mgmt,NYC.

"My favorite part is the process of getting my make up and hair done and getting to wear unique outfits that push me out my comfort zone," Linnabary said.

Linnabary says that he family and friends have supported and encouraged her to continue modeling. Modeling was never a dream of hers, but now it could possibly be a future career.

"It is possibly something that I will continue doing if more opportunities arise, and I get to experience more jobs," Linnabary said.

Alexis Wheeler: Wildcat Solo Swimmer

"I do get a little nervous before a swim meet, but I try to visualize how the race will end in my mind, and this helps me calm down and focus."

As the only swimmer on the Kennedale High School swim team, Junior Alexis Wheeler attends a lot of swim meets as the lone Wildcat on the platform.

Wheeler is no stranger to swimming. She has been swimming competitively since an early age. She has won numerous awards both on her own and as a KHS Wildcat.

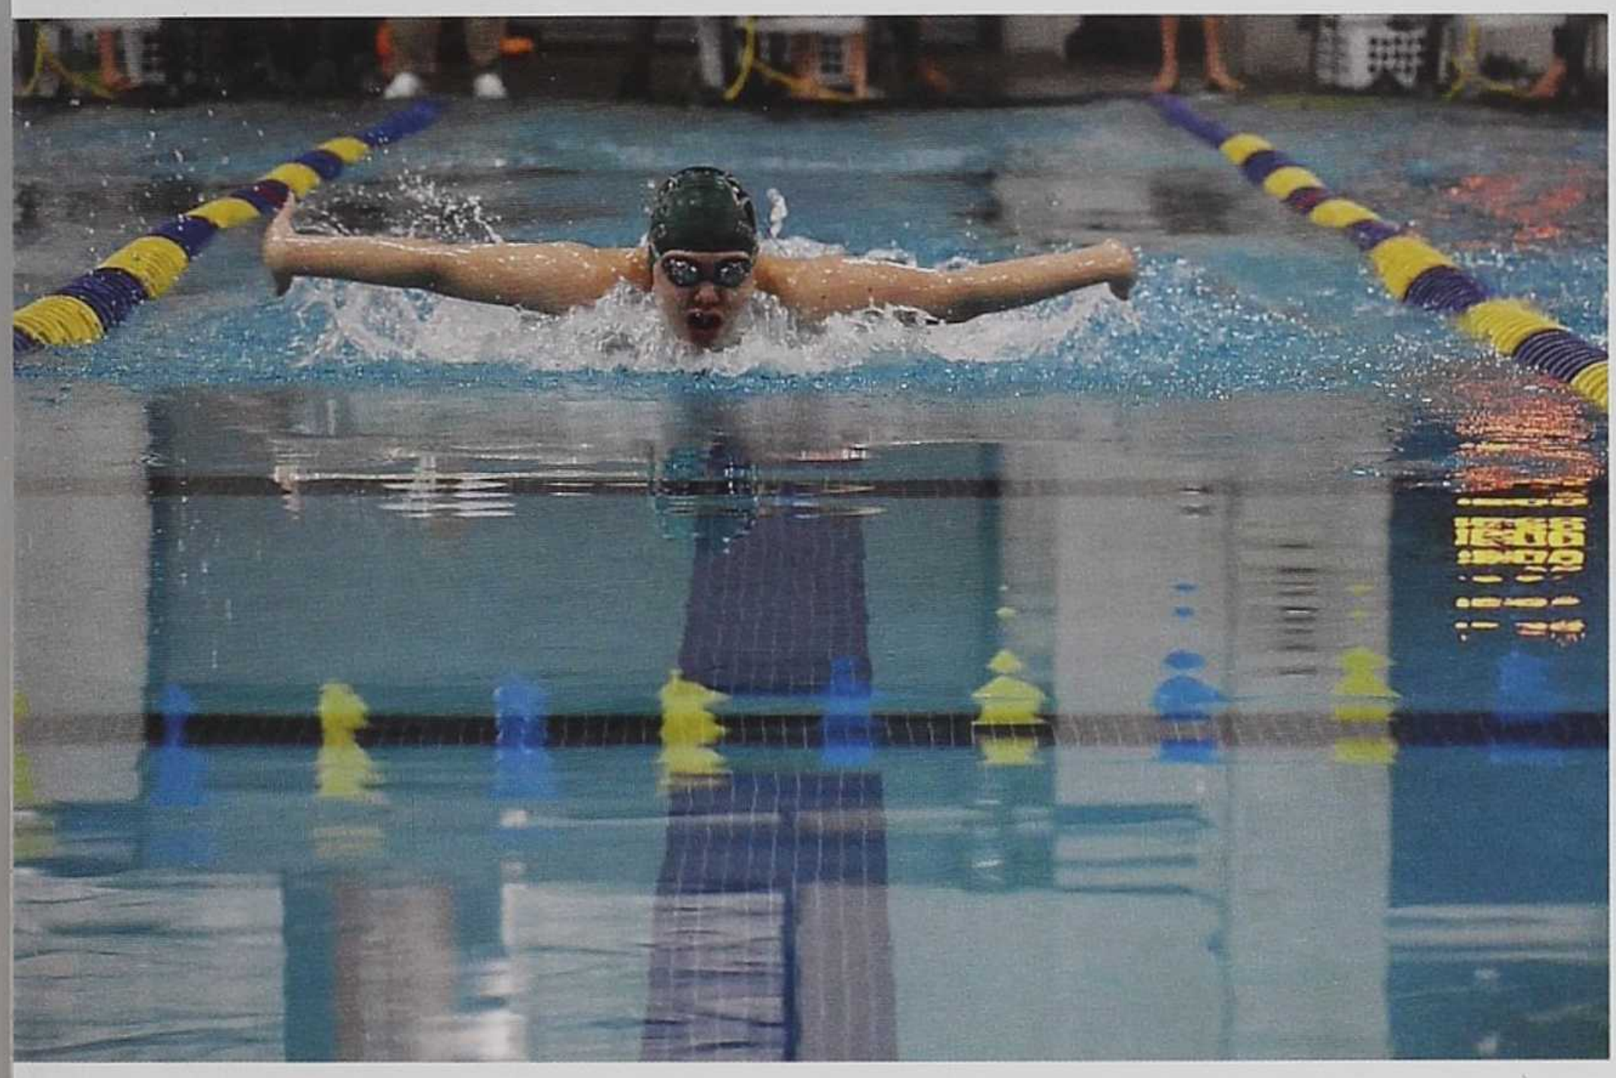
Last year, Wheeler made a trip to Austin for the state swim meet. She finished 18th hour of 24 in the 100 fly prelims. She had her personal best time of 1:00:48.

This year Alexis has made a lot of achievements. During the district meet, Alexis won first place in the 200yd freestyle and the 100yd butterfly. These first place finishes advanced her to the regional competition. Alexis placed 1st in the 200 Freestyle (1:53.86) and 2nd in the 100 Butterfly (58.58), and she achieved personal best times in both events advancing to the state meet for a second year in a row.

Wheeler placed 14th in the first prelims in the 100yd Butterfly and 10th in the 200 Freestyle.

"It does not make me feel any different being the only person on the swim team, I just feel honored to represent the school."

Standing tall, Alexis Wheerler took her place at the top of the podium.



Wheeler dove into the pool cam, focused and ready to break another personal record.

Wheeler finished with atime of 1:55:80 in the 200 Free Style and 58:94 in the 100 Butterfly during the state meet in Austin.

Wheeler and her swim coach, were thrilled with her finish at regionals. Wheeler swam personal bests in both the 100 Butterfly and 200 Free Style.

our final year begins

SENIOR SUNRISE

The 2018-2019 school year kicked off with a brand new tradition at Kennedale High School. This year the senior class gathered together on the football field and watched the sun rise come over the horizon. This marks the beginning of their last year at KHS. The senior class is hoping that the Senior Sunrise and Senior Sunset will be a ongoing tradition for senior wildcats.

Ellis Explains

Ellis Bowman

We decided to start this tradition at KHS as a way for seniors to come together, one last time, to bring in the new school year together.

leadership,

STUDENT COUNCIL

Student Council at KHS focused on building student life and school spirit. The members put in a lot of hours before, during, and after school to make sure that the KHS student body was well-represented and full of Wildcat pride.

Stuco coordinated many of the events at school including: after school socials, the Big/Little program, Homecoming week and crowning, and movie night on the field. Stuco also oversaw all class officer elections.

"Student council is one of the groups that has a vital part to building well-rounded and dedicated school leaders," said sponsor, Senor Roger Aleman.

Student council members welcomed new and returning students with an after-school social.

Senor Aleman's classroom was overflowing with students interested in service on Student Council.

The Big/ Little program helped connect freshmen students to an upper class mentor.

Student council invited the community to join them on the field to watch "Halloweentown".

Student Council members put together boxes of canned food for the annual KHS Canned Food Drive.

Stuco Officers are Treasurer Caitlyn Flanagan, President Leland Murphy, Secretary Nadia Williams, and Vice President Stephanie Diaz (not pictured)

Coach Munson's "Stranger Things themed door won this years Red Ribbon Week Door.

Right: Members of KHS Student Council participate in the D3 Fall Conference at Mansfield High School.

service, character

NATIONAL HONOR SOCIETY

NHS worked at the Mission Arlington Christmas store. The group helped with shopping, stocking, and wrapping gifts for families.

The National Honor Society at Kennedale High School is made up of students excelling in both academics and community service. The 2018-2019 Kennedale NHS members performed acts of service and volunteered at the KHS blood drive, Trunk-or-Treat, and Mission Arlington.

Sponsors Wendy Hale and Chris Burke guided students in becoming better citizens.

"Members of Kennedale's National Honor Society are selected based on four qualities: scholarship, service, leadership, and character. Not only do these students represent KHS with their outstanding academic achievements, but they also consistently give back to their community in their volunteer work," said Wendy Hale.

Volunteers passed out candy at Kennedale's annual Trunk-or-Treat. program.

BLOOD DRIVE DONORS

"I decided to donate blood because it can make a big change to those who are in need."

-Jordan Willingham

"There's nothing better than saving a life by donating blood."

-Nicholas Cajero

"Donate blood and be a hero!"

-Olivia Ham

KHS Carter Blood Drive - Number of lives saved or touched: 307

Members of NHS helped prep for 6,000 Thanksgiving meals at Mission Arlington.

We learn, we grow, then we teach

Ready, Set, Teach

The Ready, Set, Teach Program at KHS is geared towards students who have a heart for children and aspire to someday become teachers.

Students spend two years learning about the principles of education and human development. The final class of the RST Program gives students a one- or two-year option. This class is run much like an internship. Students meet on the KHS Campus once per week, and participate in student-teaching partnerships on other campuses in our district, four days per week. Days spent on campus, students learn and practice objectives that are fundamental to effective teachers, such as lesson planning, classroom management, classroom environment, student expectations, teacher evaluations, etc. When students are away at their assigned campuses, they are in real classrooms interacting with real students.

This is the second year of the RST program for Nicholas Cajero.

RST students serve as a teacher's assistant/aide for classroom teachers in our district and are expected to teach full lessons at various times throughout the school year.

Payton Malone works with a small group of students. Malone is helping the students with their sight words.

JAMES F. DELANEY ELEMENTARY

KOLBI SIPHO

Observing the teacher and interacting with the students give you a real-life feel of what being an educator is.

PALS

Anna Young and Morgan Wixson know playing a simple game of UNO can help them connect to their junior high PALees.

Left: Samuel Young and his PALee share a story and a laugh.

The PAL class which stands for Peer Assistance and Leadership is the Practicum for the Human Service program.

The PALs must take Human Services and Counseling and Mental Health courses before becoming PALs.

As PALs, the students are trained in mentoring techniques and then are assigned four students from Patterson Elementary, Delaney Elementary, Arthur Intermediate, and KJHS. They work one day each week one-on-one with their "PALees" to help them with any concerns they have. To some people, it looks like the PALs just play games with the children, but they are trained to "Play with a Purpose." The work they do is similar to professional Play Therapy. "PAL with a Purpose" is a word play on that. The PALs also do a lot of training in teambuilding and leadership skills.

"I have thirty-nine students in the program which means they've served 156+ children this year. It's an incredible program with students that have big hearts for kids and I LOVE working with the PALs, said sponsor Julie Naughton.

Left: Ally Rios, Zaire Goodlow, Mason Stewart, Benjamin Beard, and Ryan Roller take a break to smile for the camera. Right: Cami O'Brien sits down for a chat with her PAL at KJHS. Below: Ellie Minsing plays UNO with her junior high PAL.

RANDY DIAZ

My favorite part of PAL is definitely the experience. Being a PAL has taught me so much, and it gave me knowledge that I will carry with me forever.

capturing the WCN

Wildcat Network (WCN) has the never-ending job of making our school news exciting, entertaining, and informational. WCN includes a talented group of students who do their best to gather school information. The network streams during fourth period and posts the news during fifth period. With their professional set and outstanding creative work, WCN delivers the news that students need to hear at KHS.

Aliyah Shaikh finished loading the teleprompters for the WCN news reporters to deliver.

Angelie Quick, Georgia Gatson, Ren Calzada, Julia Chugh, and Kate Sellers worked together to get the newscast ready.

WCN SPOTLIGHT

KYLE BROWN

Kyle Brown is a junior at Kennedale High School. Brown joined WCN because he has always had a big passion for directing, acting, and photography.

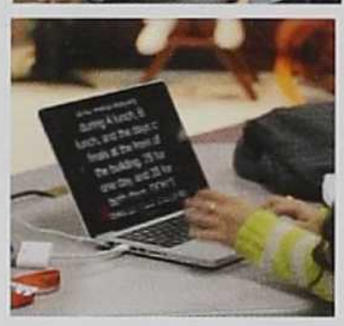
"I've always had a big dream to meet famous actors and screenwriters to get a bigger picture of where I want to go to school,"Brown said.

He really enjoys being an anchor because it is his spotlight. It teaches him to become comfortable in front of an audience, builds his confidence, and helps him create good habits for the future.

"Time management is also a good thing because you have constant deadlines so you have to meet those requirement's to succeed in life," Brown added.

He is hoping that more people will join WCN so that it can become even greater in the future.

"The new students coming in will hopefully catch us by surprise. It will be an adventure to see kids develop the program", he said.

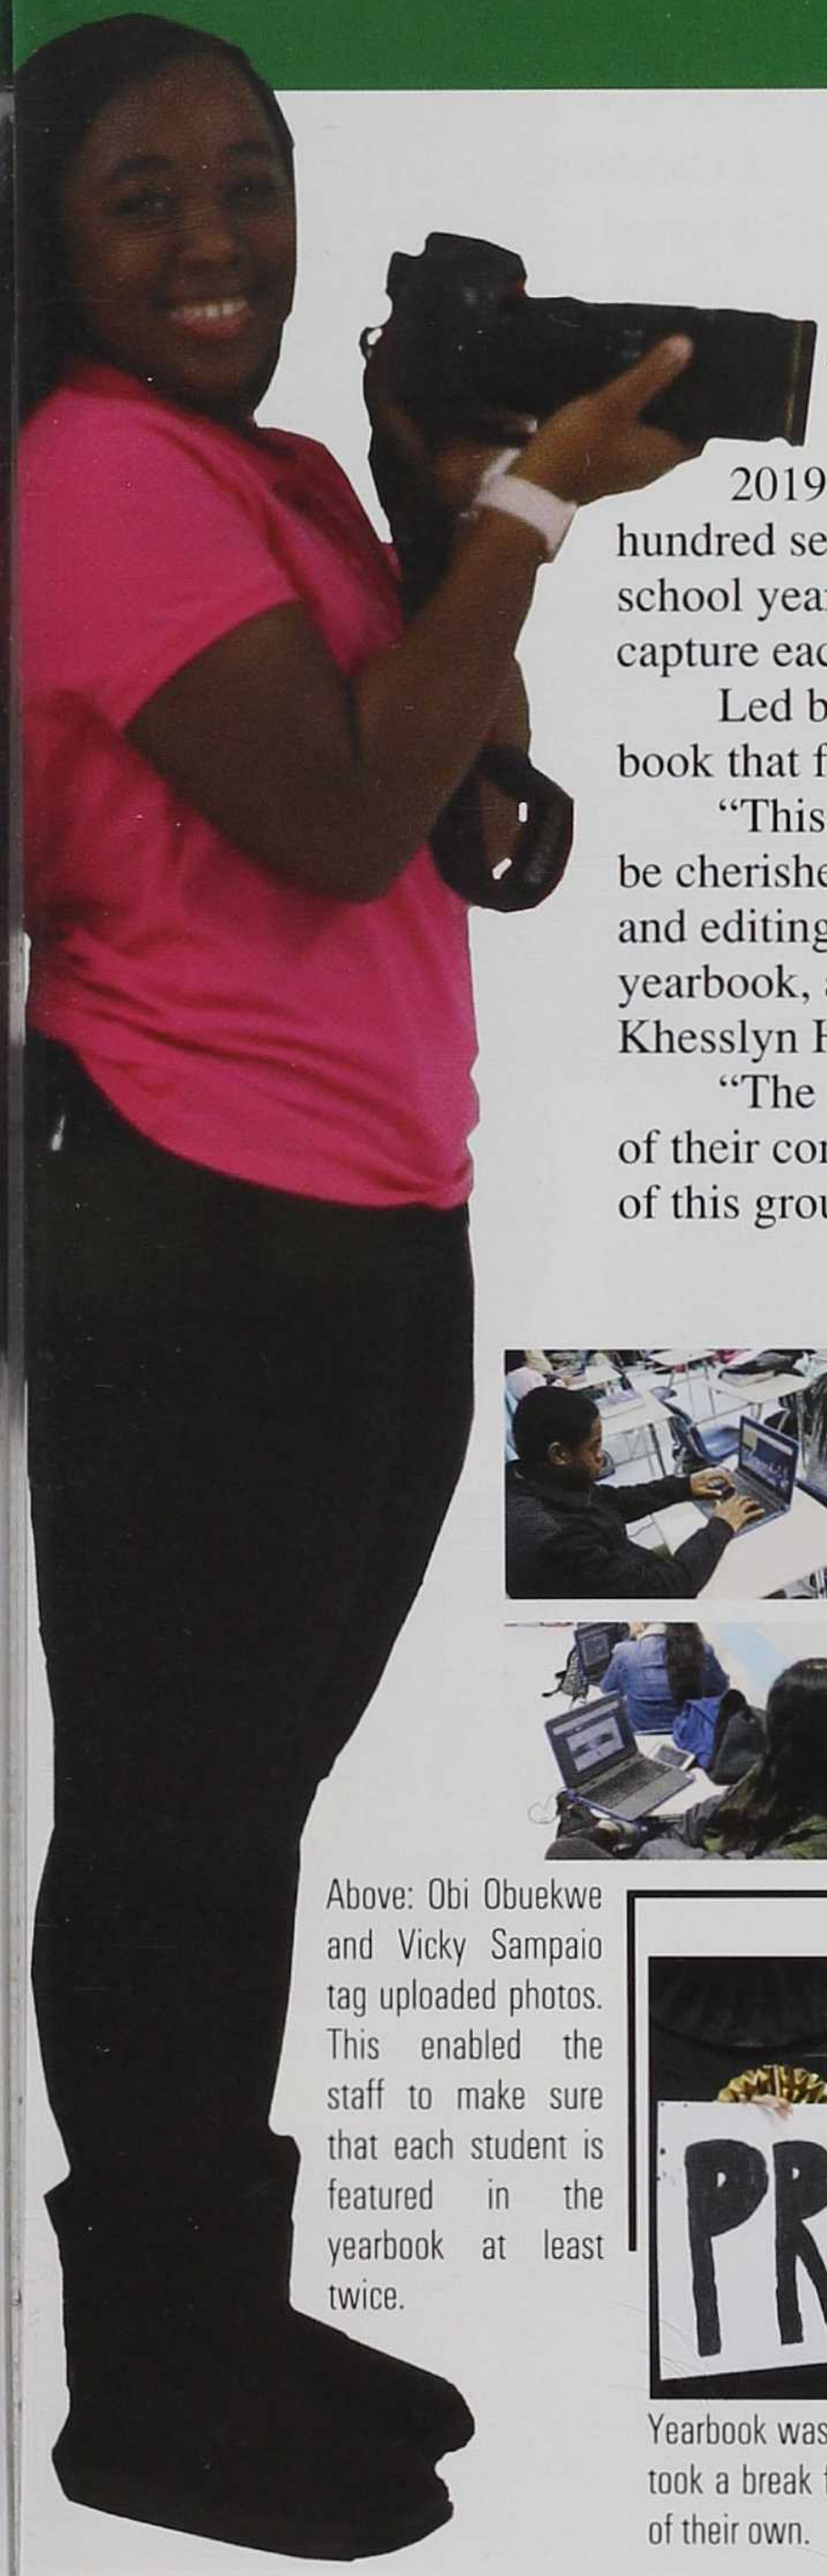


Kayla Guevara, Dennis Simmons, and Aliyah Shaikh looked back at their work for an episode of "For the Culture".

WCN editors finished up news production for students at KHS.

moments

YEARBOOK



Taking pictures. Writing stories. Interviewing people. Selling ads. Meeting deadlines. The yearbook staff completed task after task to make sure that the 2019 Wildcat yearbook was perfectly polished by the final deadline. The one hundred seventy page mainbook and twenty-two page supplement highlight the entire school year from Senior Sunrise to graduation, and the yearbook staff was there to capture each memory.

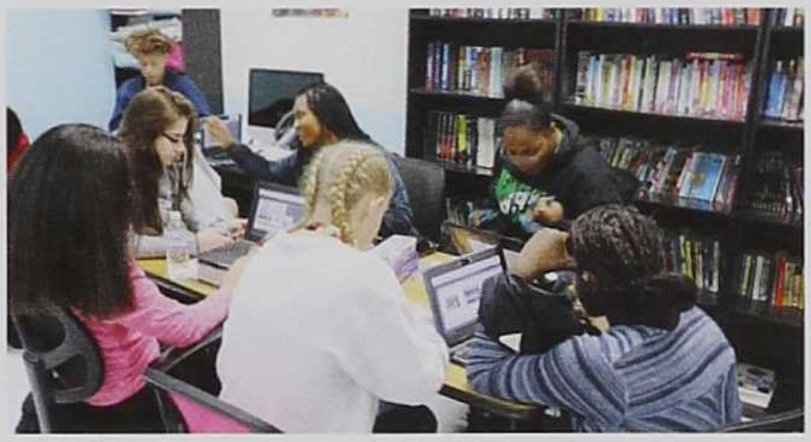
Led by senior editor, Khesslyn Henderson, the staff worked long hours to create a book that fully represents the spirit and pride of Kennedale High School.

"This year's yearbook staff has worked consistently to capture memories that will be cherished by many in the future, by getting events, staying long hours after school, and editing on the weekends. Students of all grades have worked hard to create this yearbook, and I am so thankful to have been part of this amazing staff," said editor Khesslyn Henderson.

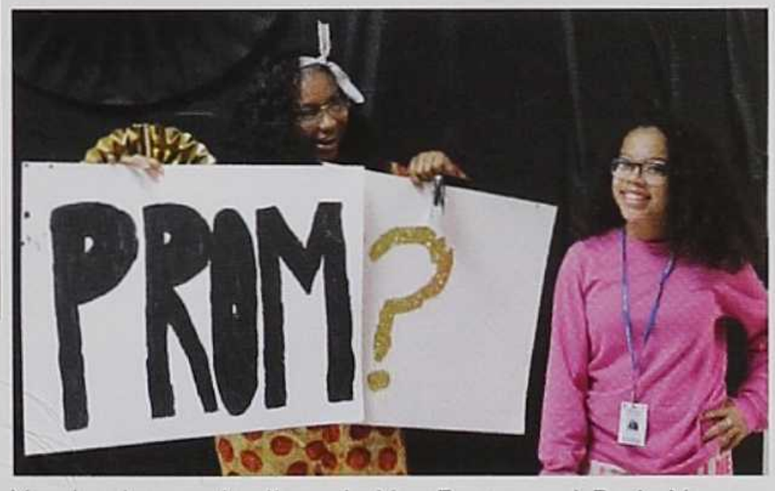
"The majority of this year's staff was brand new to yearbook. Students stepped out of their comfort zone and took on roles that they had never done before. I am so proud of this group and the book that they created," sponsor Mrs. Danielle Hyde said.

Above: Obi Obuekwe and Vicky Sampaio tag uploaded photos. This enabled the staff to make sure that each student is featured in the yearbook at least twice.

There is no better way to train new staff members to use yearbook cameras than to just take pictures of each other.



The yearbook takes teamwork to be a success. Staff members Paris Young, Yaz Foster, China Greenage, Morgan Coleman, and Jordan Barnett work collaboratively to get pages done by the first deadline.



Yearbook wasn't all work. Yaz Foster and Paris Young took a break from taking pictures to pose for a photo of their own.

The editoral staff attended a beginning of the year training at BSN Sports. From left to right: editor Khesslyn Henderson, assistant editor Maya Dues, Abby Mayer, Triston Grant, and photography editor Kristen Wirkler

leaving our print by serving others

KEY CLUB

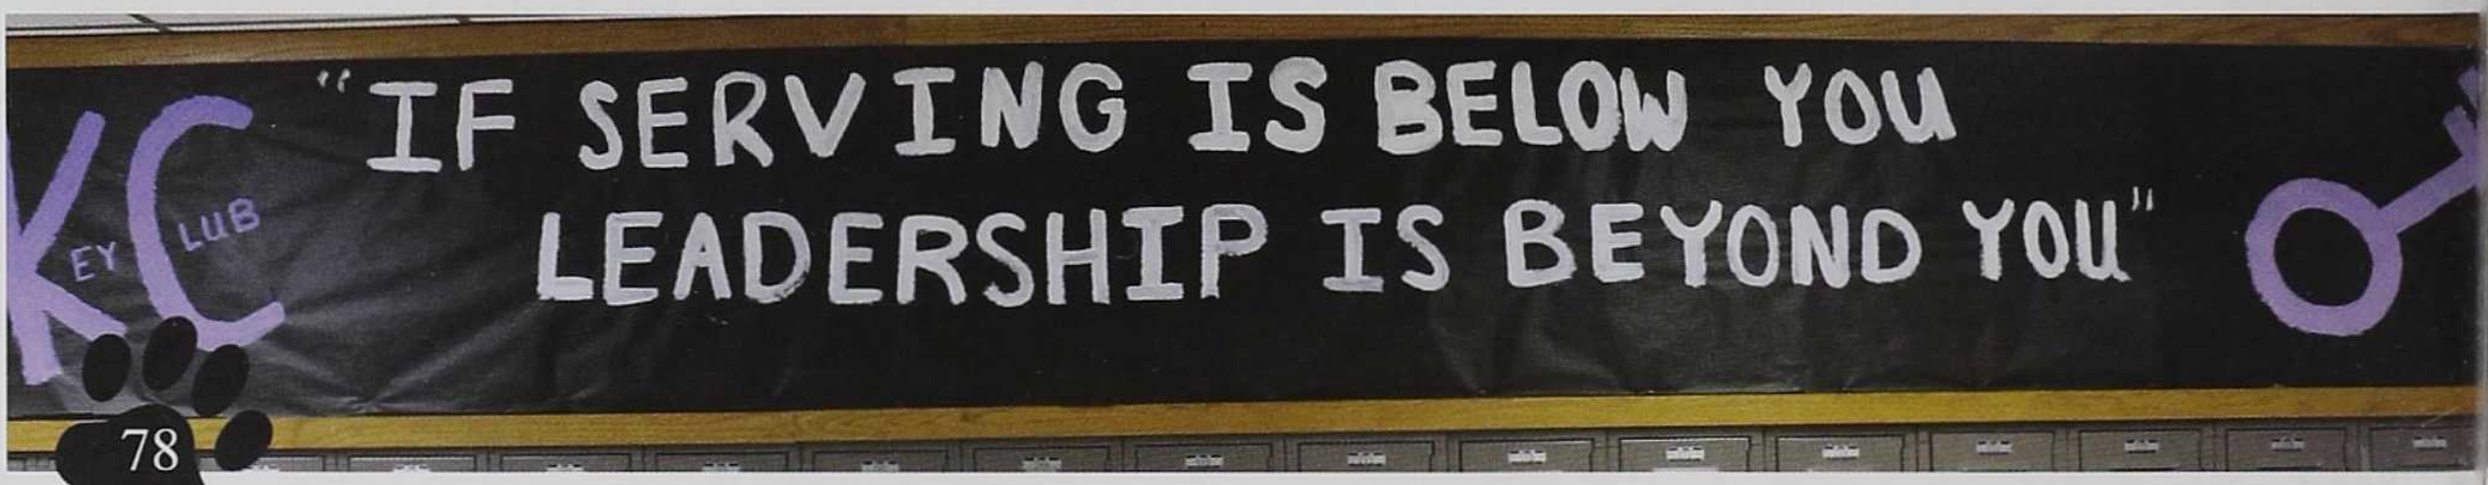
Key Club is the oldest and largest service program for high school students. It is a student-led organization whose goal is to encourage leadership through serving others.

The Kennedale High School Key Club completed service projects both on campus and away from the school. Key Club served at Trunk or Treat, sponsored the Foam Party, and helped host the officer Hull scholarship fundraiser with Mr. Wilcox. KHS Key Club members also tutor at Arthur and Delaney.

The Key Club sponsored the first ever KHS Foam Party and invited the entire community to join in the foamy fun.

Seniors Mi Nguyen and Leland Murphy and freshmen Grant Brennan, Ellie Kate Beck, Ella Beene, and Jade Willingham take a break from the foam for a quick photo op.

Key Club assisted the KHS archery team at the Garrett Hull Memorial fundraiser in November.

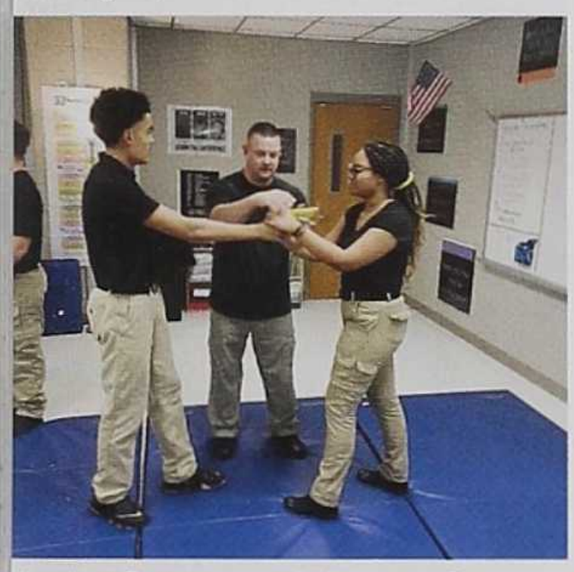


bad boys bad boys whatcha gonna do?

Police Academy

After learning the proper arrest procedures, Gannon Hodge uses his skills to "apprehend" Janay Jones.

Jordan Sanders dusted the glass jar for finger prints.



Jordan Sanders and Kitwana Darroux practiced hand to hand combat.

A new sheriff is in town, ok, not really. But the high school is training a group of students to take part in one of the most honorable professions: law enforcement.

Sensing a growing need in our school, Officer Delvin Starling started the Kennedale Youth Police Academy.

"I found it to be a real issue to know that so many young adults/teens did not trust law enforcement. I started the KYPA with the purpose of bridging the gap between society and law enforcement," said Starling.

The mission of the KHS Police Academy is to enable dedicated youth to become self-assured, caring and disciplined adults in a challenging environment and to instill confidence and courage in the legal process and the officers sworn to serve and protect the community. Through classroom instruction, lecture, field trips and physical training, we will foster in each recruit the ability to approach police officers and nourish a friendship between the youth of society and its Police Officers.

The first year of the KYPA had a successful inaugural year. The program trained eleven youth police recruits in defensive techniques, fire arm safety, fingerprinting, and arrest procedures.

The group also took part in various safety drills and events around campus. The training involved the recruits committing to seven hours per week of lunch and after school training.

it's all fun

ANIME

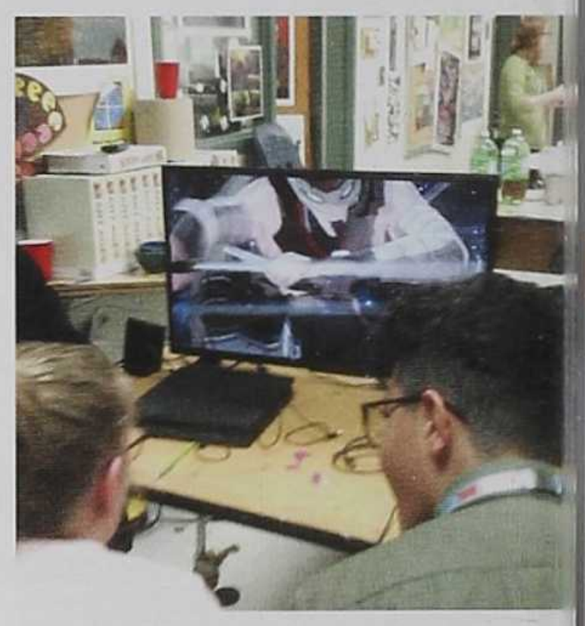
Every Wednesday, the Anime Club of KHS meets after school to play games, and of course, watch anime. They meet in Ms. Carolyn Cullum's room. Jackson Webb and Daniel Hollingsworth are the leaders of the Anime Club and run the meetings.

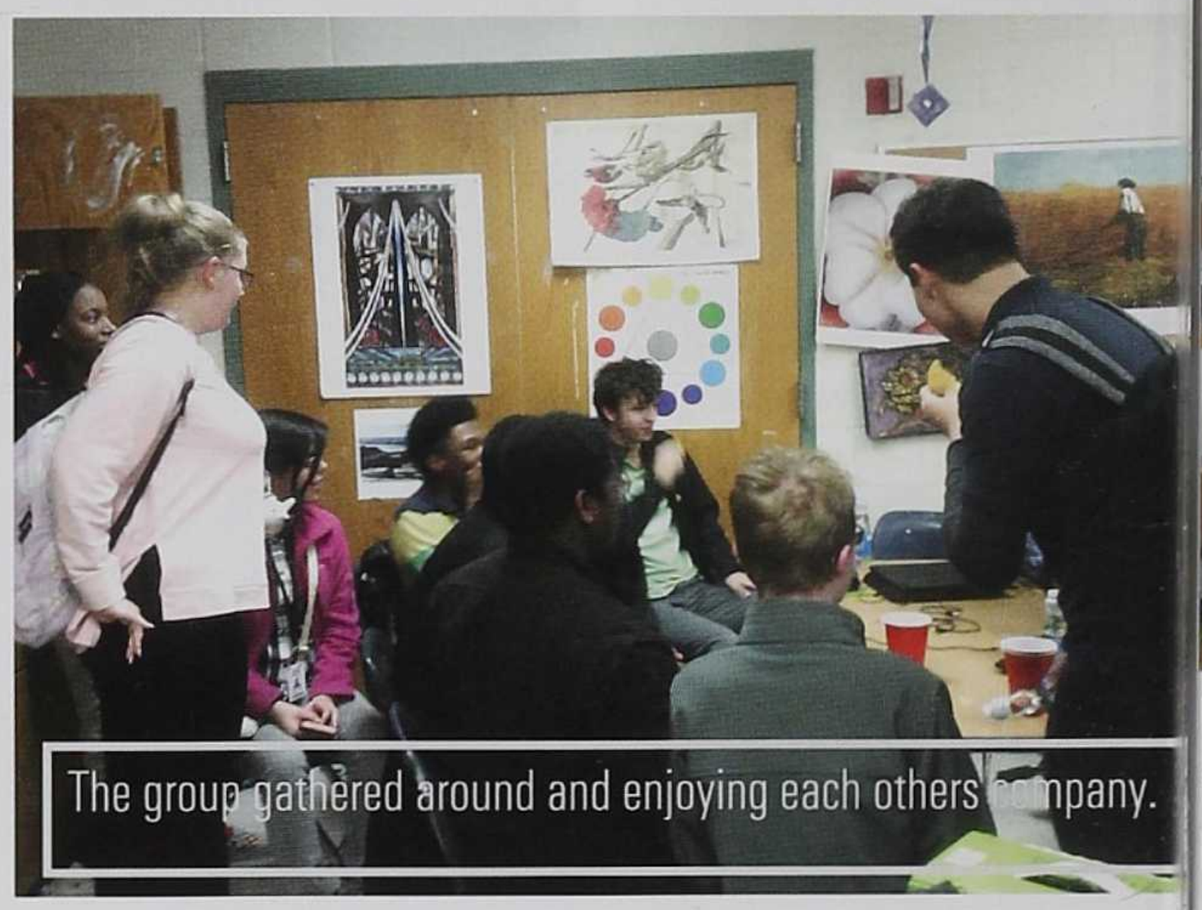
"Our meetings are most time everything but low volume but we all enjoy the ability to converse about a common interest." Jackson Webb said.

The meetings are a loud, raucous occasion, with vibrant discussion, and a bond shared between all attendees. When it isn't a discussion day, the club may be playing games, cooking, doing scavenger hunts, or watching anime.

Even if someone doesn't know much about anime, it doesn't matter. All knowledge levels are welcome. The conversations are wild, as any question can be asked. Sometimes they get off track, the conversation always works its way back to the original topic. The meetings typically end at around 4:10.

The club is full of enthusiastic anime fans and a range of people who simply enjoy it. The meetings are loud and exciting occasions, and everyone can have a fun time.





The group gathered around and enjoying each others company.

and games

NINTENDO CLUB

Kennedale High School has a diverse set of clubs for practically everyone to enjoy, Nintendo Club is one of those clubs that is fun for everyone in all grades. You don't have to have a certain type of skills or be in a certain grade level, Nintendo Club accepts everyone.

The purpose of the club is simply to have a bit of fun playing all kinds of Nintendo games after school.

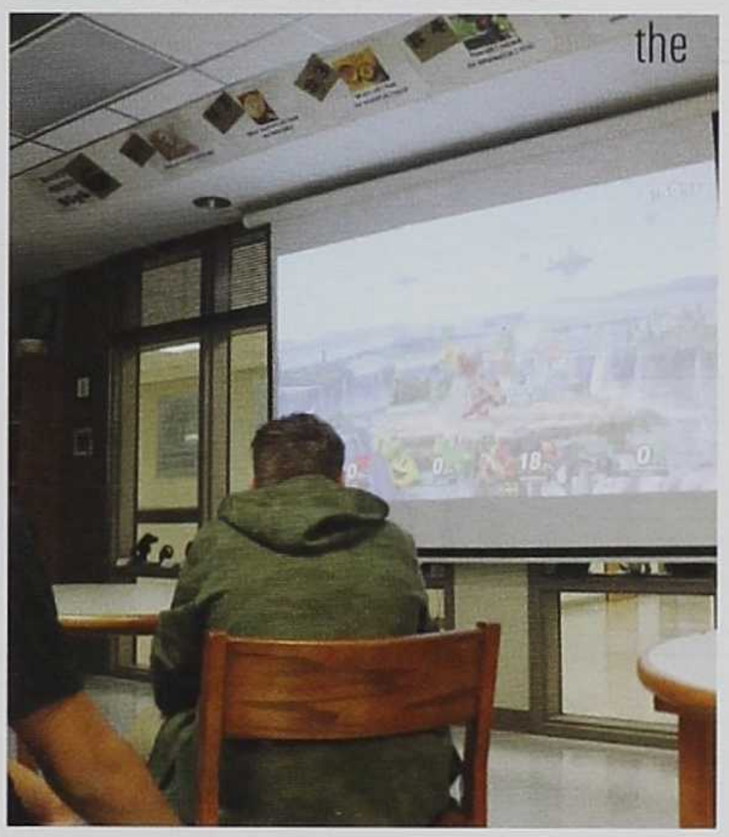
When the members of the club started to play games, it got pretty competitive at times. But in the end, it was all for fun!

Some of the games they played included Super Smash Brothers Ultimate, Mario Kart, and the other popular Nintendo games.

Members even have an online chat group where they talked at home and created matches to play anywhere they wanted!

The Nintendo Switch is what brought them together. The love of gaming and competition keeps the club going strong.

Some students decided to bring their own games to play.



Two vs Two, One vs One, they play all kinds of matches here!

Up to eight people can play in matches at one time, that means that most everyone there can join into a match and start playing! If more than eight people show up they hold tournaments and switch controllers to hold the max amount of players possible.

Zaid Issa

"I run the Nintendo Club because I have the general thought that I can have fun with everyone in it. It's a competitive scene, we play Super Smash Bros. and other games like that. Everyone is yelling and having fun. I continue it because of Mrs. Stallcup, she was a great teacher, and I wanted to continue it under her honor."

Mathew 18:20

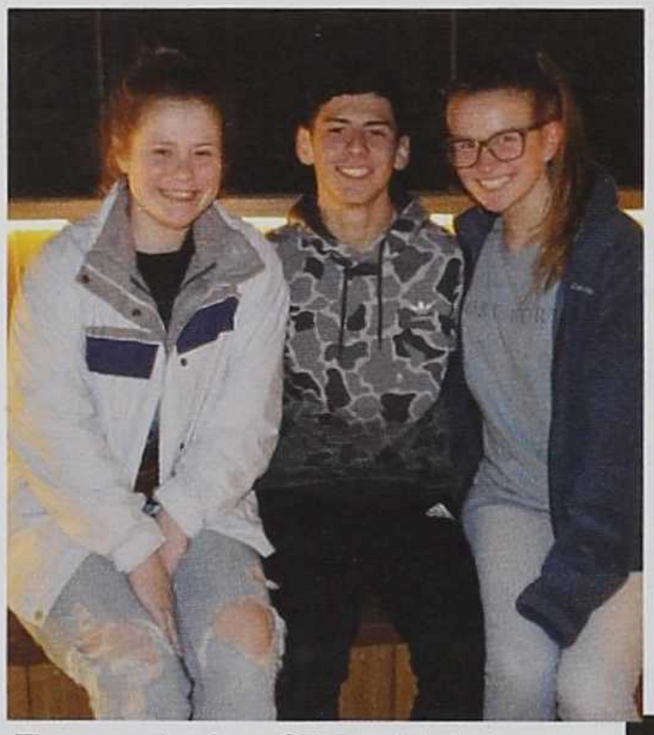
" For where two or three gather in my name, there am I with them."

Ignite Club

Ignite is a student-led bible study club. Each first and third Sunday of the month, Ignite holds a bible study that is led by three leaders: Morgan Wixon, Rita Spirrason, and Christian Rockin. The group time includes a worship band, a devotional time in which the weekly leader shares a message, and food to fill their hunger. They come together as a group and enjoy every single minute of sharing their faith.

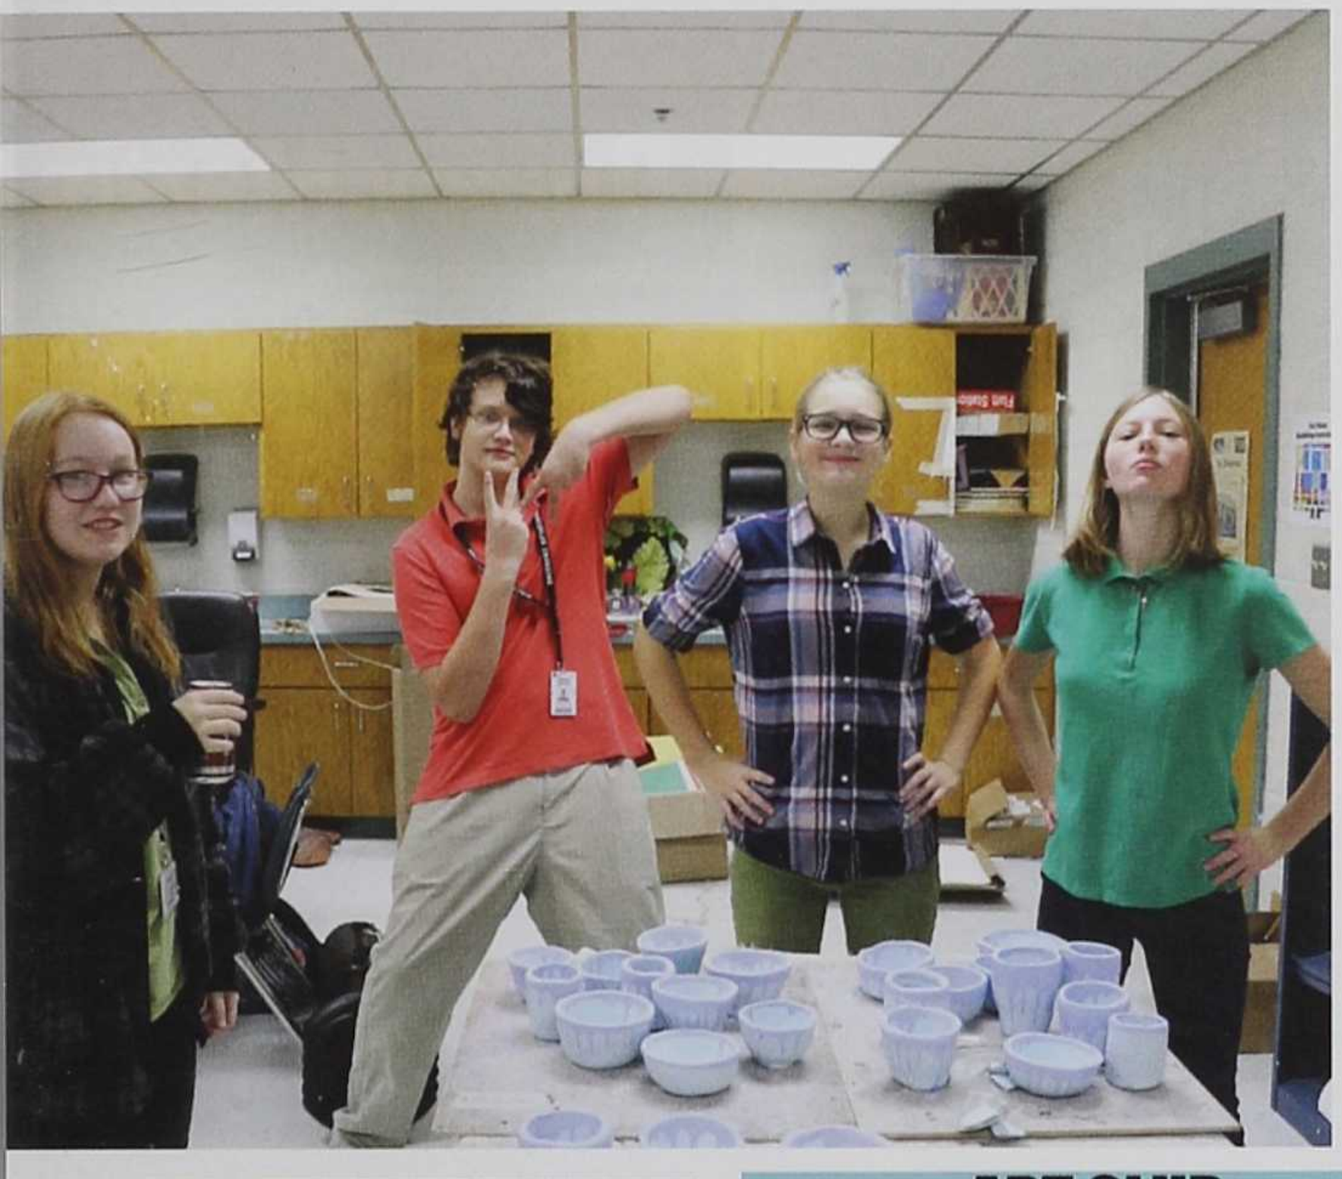
" Anyone and everyone is invited to come and have a great time " - Christian Rockin

Aly Greenfield and Brianna Hull performing for the first time at Ignite.



The group leaders of Kennedale Ignite are Morgan Wixon, Rita Spirrason, and Christian Rockin. These individuals make sure that Ignite is a success and a welcoming environment.

The worship team for Ignite has grown and expanded. They now have Brianna Hull on guitar, Andrew Brannon on drums, Victoria Sampaio on piano, and vocalists Aly Greenfield and Bryley Steinhilber.



Art Club

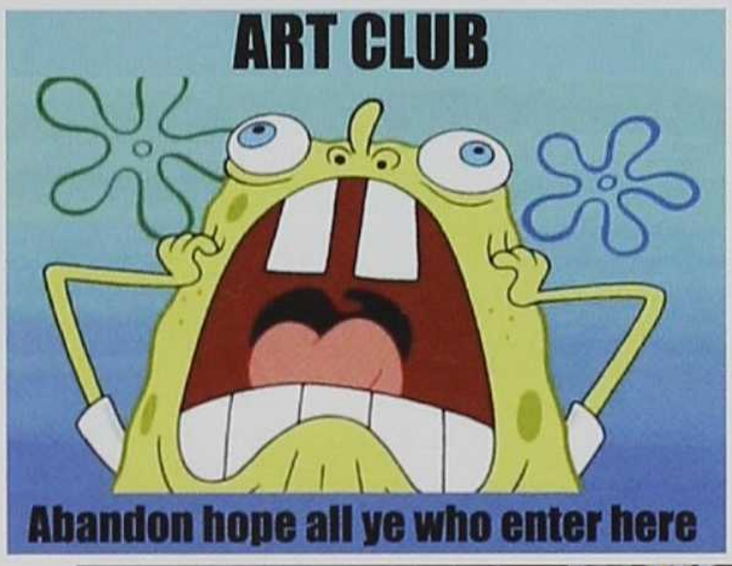
Did you know that Kennedale High School has a place for students that like to eat snacks, be weird, or don't quite fit in? Mrs. Carolyn Cullum, Art Club sponsor, says, "You belong with us."

"In art club we just have fun, make art and goof off. We make props for theater, make things for seasonal displays in the school, and eat snacks," said Cullum.

The art club works closely with Mrs. Croft and the theater department to make props for performances such as "A Christmas Caroll" and "Hairspray".

Art Club members meet each Wednesday in room 602 to work on projects and simply enjoy a casual, stress-free afternoon.

The motto of Art Club is "Abandon hope all ye who enter here."



ART CLUB

"My favorite thing about Art Club is spending time with the other people that like art. We recently finished the large sign for hairspray.. Other times we do smaller projects, like tape sculptures."

JEFFERY IDEN

environmental friendly

GREEN CLUB

Empowering students to participate and take up meaningful environmental activities and projects is the mission of the Green Club. Green Club cleaned the campus, planted a variety of plants to beautify the campus, sold aloe vera plants, and took on an active roll to help our environment. Led by sponsor Candace Hilton and President Quincy Martin, the Green Club worked productively to help the people at our school understand what it means to help our earth.

"I joined Green Club because every bit that we can do helps the earth, and joining looks good on my transcript," said freshman Dylan Warren.

Quincy Martin

Quincy Martin is the President on the Green Club. Quincy's main goal is to help those in need while also helping the environment!

1

4

5

1. Green Club helped gather trash around the front of the school.

2. Green Club cleaned around the outside of the school helping collect all of the trash littered about.

3. Green Club met to talk about future plans to help the environment and those in need.

4. The Green Club's board of information is where students can find a calender of dates and basic information.

5. The Green Club's on-campus trash cans support recycling and reduce littering.

aiming for the championship

ARCHERY

Some may be confused by the title "Outdoor Education", but for a large group of archers, the class has taught them to aim for success.

The KHS Archery team has continued to grow since its inaugural season several years ago. Kennedale even hosted their own tournament this year, the Texas Two Step State Qualifier Archery Tournament. The tournament had over 1900 archers that competed making it the 3rd largest NASP Archery Tournament in Texas history.

According to outdoor education teacher, Danny Wilcox, "The program is expected to grow substantially over the new few years."

The Wildcat archers performed remarkably well, and sent two teams (46 archers) to the state archery competition.

The KHS archery record is held by Kaylee Huynh, who shot a 286 at the Texas Two Step Tournament.

KHS archers realize that they have benefited in unexpected ways through archery.

"I've gained the knowledge and character to not only be able to compete in tournaments, but be proud of my results and excited about my newfound skills through archery," said junior Bailey Torcoletti.

¡el Español es fácil y divertido!

Spanish Club

El Club de Español is a student organization which engaged students in many exciting activities to promote the Spanish language and the Hispanic culture at Kennedale High School. There are currently thirty students in Spanish Club.

The club hosted various activities each semester. The activities were focused around Hispanic culture/festivities and helping people around our school and our community. Events included: the annual Homecoming fundraiser, the annual Spanish Club Fiesta Navidena, Secret Santa, and partnering with La Sociedad Honoraria Hispánica and sponsor a senior citizen and adopt an angel from the DFW Angel Tree.

For the past four years, Spanish club has provided turkeys and fixings to our janitors. Our way of say "Muchas Gracias" for keeping our school immaculate.

El Club de Español offered two $100.00 scholarships per year to two members who met specific qualifications.

"I truly enjoy spending time with my students and getting to know them. Each of them is unique and each of them have wonderful ideas for our club!" said sponsor Mastra Monica Stevens.

Spanish Club leaders Allie Murphy, Quincy Martin,Marcos Flores and Christian Rockin, informed the club members of future events.

Bryan Garcia and Nick Cajero attended a weekly Spanish Club meeting.

Spanish club members celebrated the school's custodians with turkeys and all the fixins'.

¡todos a una!

NSHS

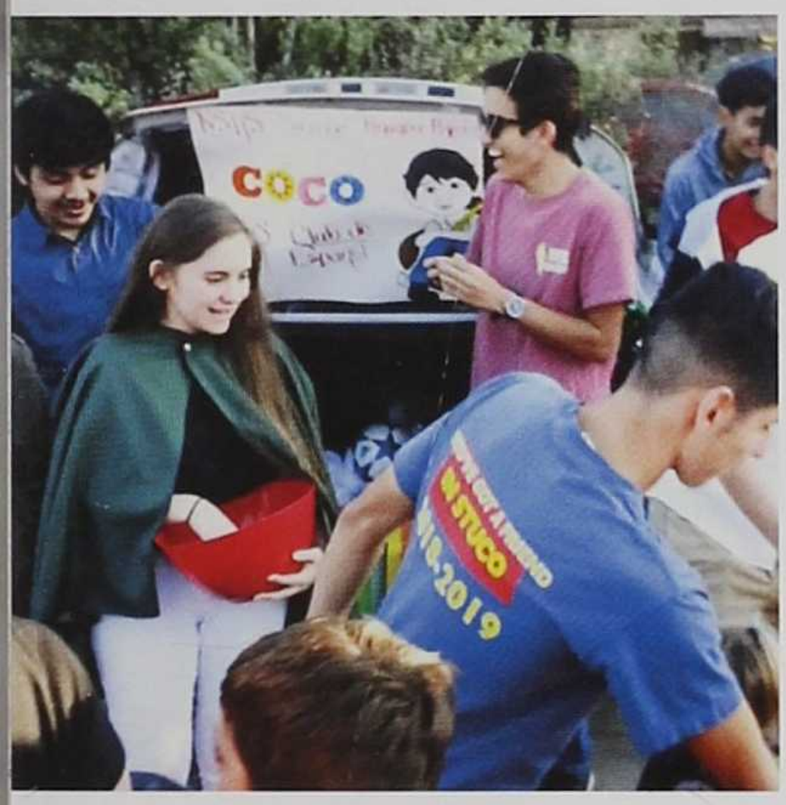
National Spanish Honors Society is an academic honor society focused on Spanish language excellence. The American Association of Teachers of Spanish and Portuguese Sponsor la Sociedad Honoraria Hispanica. Maestra Monica Stephens started the KHS chapter of NSHS in 2014. Anyone who is enrolled in Pre/AP Spanish III or AP Spanish IV and maintains Good academic Standing in their courses can join NSHS.

Not only is NSHS a fun society to join, but also gives someone many opportunities for their future.

As a service-oriented society, each of our members have many opportunities to gain service hours and benefit the community throughout the year. Some events are spontaneous; others we continue to attend year after year. We also hope to enjoy many other annual events.

Often, service opportunities just come up throughout the year (thanks to our officers who are in charge of locating possible activities).

"As a sponsor of National Spanish Honor Society, I enjoy watching my officers and members evolve throughout the year. I enjoy the opportunities they develop in leadership, in communication skills and countless examples of when they come together to do great things for our campus and our community," said Maestra Monica Stephens.



NSHS FEATURE

BLAIR INGRAM-EVERETT

"National Spanish Honor Society is a society that works to promote interest in Spanish Studies and culture."

Members from the Spanish Honor Society hosted a trunk-or-treat on Halloween and gave out candy to the community and children.

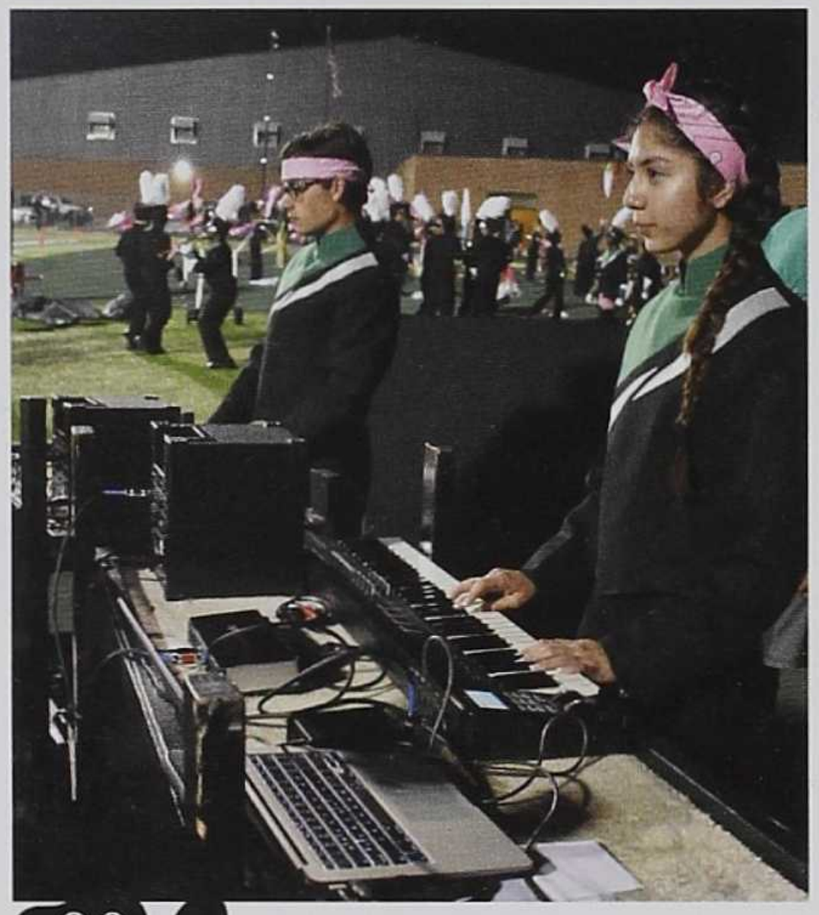
MARCHING BAND

1

2



IN TUNE AND ON TIME

This year has been momentous and exciting for the Kennedale Marching Band. ❶Warming up for the half time performance against Springtown, from left to right, Calvin Elwood, Andrew Brannon, Trinity Tran, and Michelle Pham. They received straight Division 1 rankings at the Region Marching Contest in Springtown, which advanced them to Area. Then, the band took first place at the UIL Area Marching Contest, advancing them to State.

❷The woodwinds class performing their half time show against Castleberry. The Marching Band traveled to San Antonio to compete in the 2018 State Marching Band Contest. They received 6th in Prelims advancing them to perform later that night for the state title. They came in 5th place for State. ❸Omar Magallon, junior, clarinet player, playing their piece, "Angularity". The band spend countless hours practicing and perfecting their marching performance.

STUDENT FEATURE

Alondra Castaneda

Alondra has been playing the French horn for the past seven years. The dedication and hard work that is put in during school and after school inspires her to continue band in college. Her dream school is The University of North Texas(UNT). One of her favorite highlights of being part of the marching band was making it to state her sophomore year. The past seven years have been one of her greatest journeys, from middle school, high school, and soon to be marching with her dream university.

¨I´m most certainly going to miss high school and all of the memories that were made.¨

What's the best part about band?

Briann Ondarza, 9

"The competitions, because they are fun"

Selene Lopez, 10

"Being with everyone especially my friends"

Ryan Roller, 11

"The band trips"

DRUM MAJORS

Blair Bowman, 12

McKendry Wash, 12

Megan Tucker, 12

Color Guard

This school year has been a very successful one for the Kennedale High School Color Guard. Along side the marching band, the color guard traveled to San Antonio and competed in the 2018 State Marching Band Contest. The guard had a colorful part in the band's fifth place finish in the state. This big finish made the 2018 marching season one that will be remembered for a lifetime. Color Guard continued even after marching season was finished in winter guard.

Dakota Chapman is a senior in color guard. He chose to be in color guard because he enjoyed the performances and watching the flags fly. It also lets him be himself on the floor. Dakota has been in color guard for one year and winter guard for four years. He states that he learned all about teamwork and that teamwork helps to get the job done.

"My instructor, Mr. A inspires me and encourages me to do my best," Chapman said.

He's gained more confidence in himself and with being a leader for the color guard.

"My favorite memory (of color guard) was in state when we were all spinning the best show that could possibly be spun," he said." It was a great memory, and I will cherish it forever."

His biggest challenge would have to be being a better leader for the team. This was his first year as captain, and he is satisfied with what they have accomplished.

He would like to continue color guard for DCI (Drums Corps International). Dakota plans to attent SFA after high school and get a degree in music education.

Springing to the top

Q&A

What has been the most memorable moment in Color guard?

"Standing on the prop during the show, seeing the whole band and guard trying their absolute hardest, and seeing it all come together."

-Kate Sellers

"Going to state in general and walking through the tunnel with the entire guard."

-Alexis Bundy

"Being involved together as a group and performing the show."

- Belle Mayer

Kennedale High School

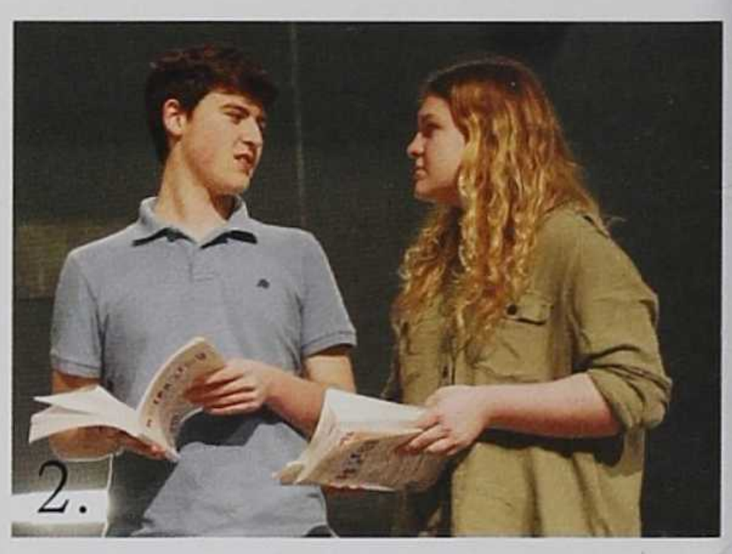
THEATER

Keep KHS W.E.I.R.D!

One of theater's mottos is to "Keep KHS W.E.I.R.D!", standing for "We Entertain Individuals by Re-enacting Drama." Theater focuses on teaching students how to preform in front of an audience. Mrs. Croft not only teaches students how to preform, but also public speaking and other social skills used in front of a lot of people. Theater students worked on the musical "Hairspray" during the first semester and their hard work and dedication really paid off!

1. Ice Cream Social - In the beginning of the year, theater held an Ice Cream Social to try and involve more students in theatre.

2. Rehearsal - Leland Murphy and Taylor Hayes rehearse for the musical "Hairspary".

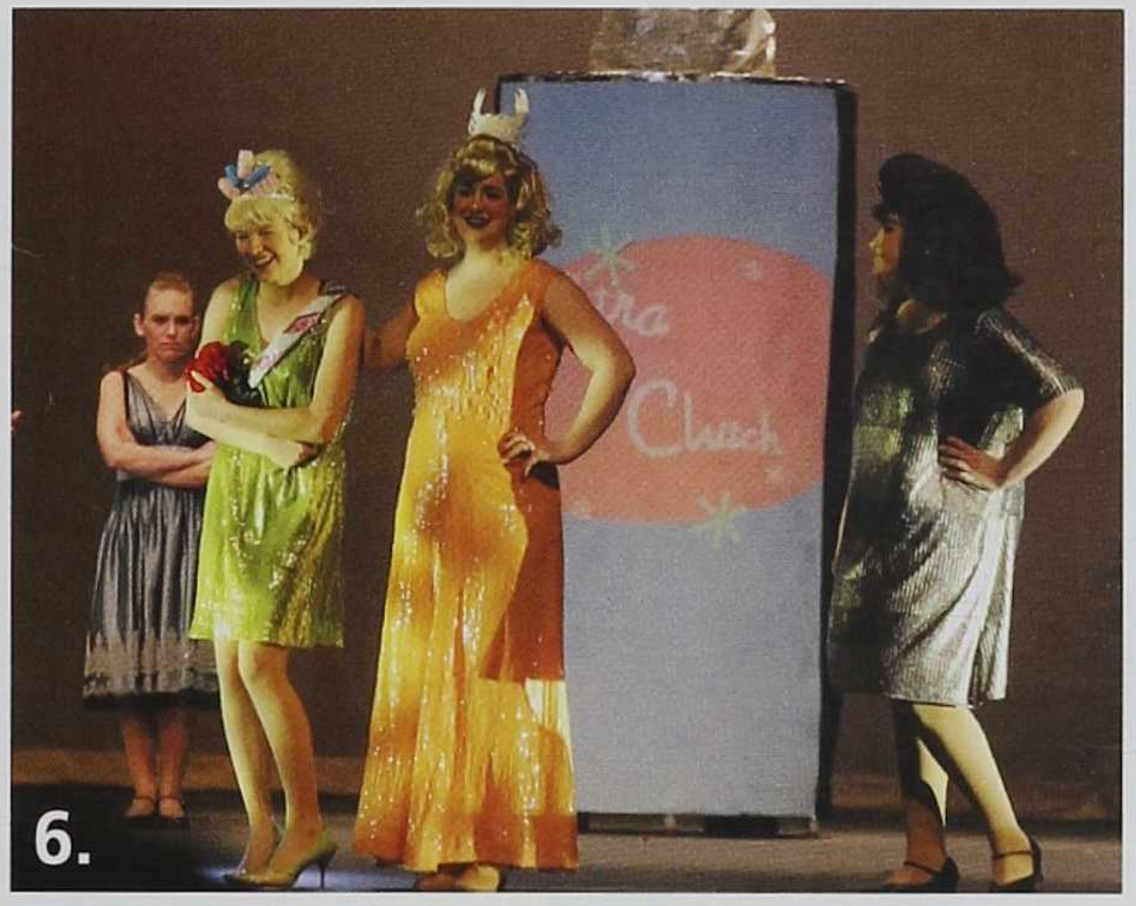


4.

4. Dance! - Leland Murphy and Taylor Hayes danced in "Hairspray", mood lighitng and everything! **5. Back Stage Action -** Bobbi King and Jahila White-Watson watched the production process from backstage.

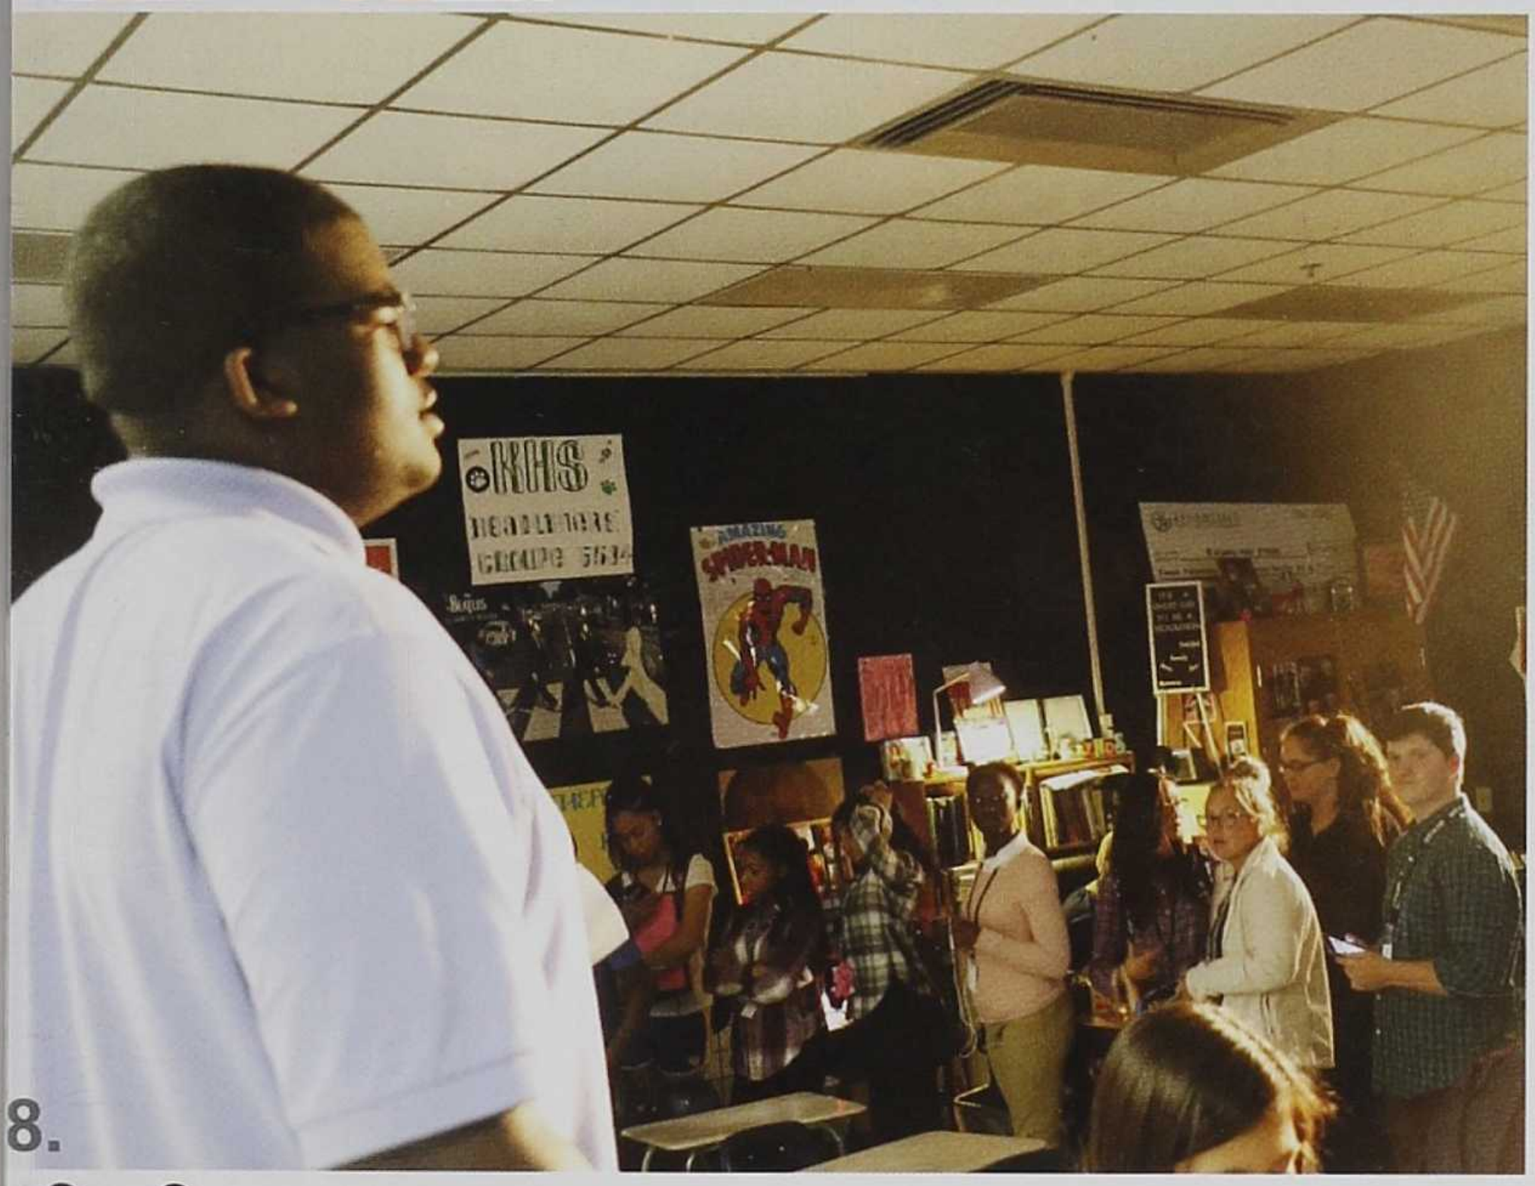
6. The Four Girls Taylor Hayes, Maddie Fail, Alia Boubel, and Kristen Wirkler preformed a scene from "Hairspray". **7. Singing and Dancing-** Brion McKinney, Bobbi King, Jahla White-Watson, preformed a song from "Hairspray".

5.



6.

7.



8.

Describe Theatre At Kennedale High School

The KHS HEADLINERS set out this year to produce the biggest musical that KHS has seen in many years on stage at the Kennedale Performing Arts Center. With over thirty-one students (cast and crew), four adult actors, and a huge Production team, 'Hairspray' brought down the house with its level of talent, dedication and community involvement. Director Genevieve Croft couldn't be more proud of the cast and crew." - Genevieve Croft.

"You have to think BIG to be BIG."

-Tracy Turnblad

KHS CHOIR

JUST KEEP SINGING

Walking by the 600 hall, students may have been able to hear the harmonized voices of the KHS choir. With two groups, Concert and Chamber, the choirs trained their voices and preform for all. In choir, the group participated in different activities, such as sight reading and solfege, to prepare their musical abilities. They also competed in different competitions to show off the perfect pitch. Matthew Schenck is the choir director o both choirs and even has tw ensembles at the junior high.

"I pray that I can brin out something in them tha they didn't know they ha before as a musician or vocalists that they can trul learn from." Schenck says.

With all of the har work and dedication, the KH choir program is top notch.

Za'Drain Brigham, William Badger and Aidan Ormsby doing their weekly tradition of yelling "It's Wensday, my dudes."

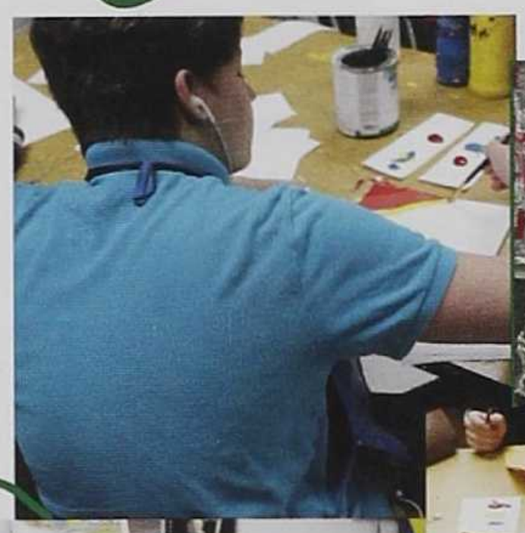
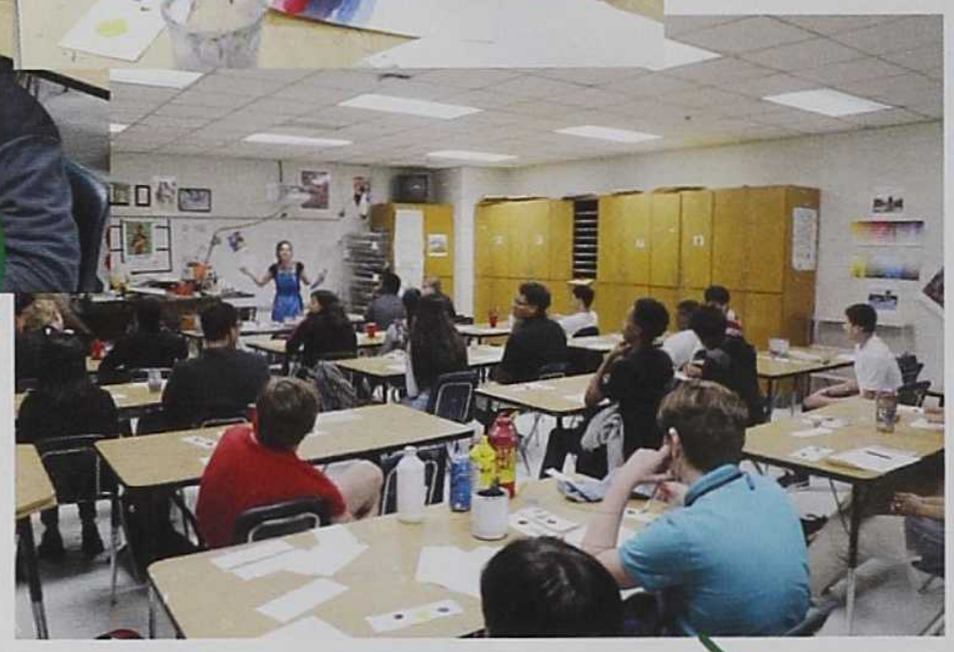
We're all musical here

breaking barriers in art





Art is the expression of human creative skill and imagination. At Kennedale High School, art teacher Mrs. Carolyn Cullum taught students various types of art forms. Each student had the opportunity to show off and express their creative talent without limits.

let your ideas roam free

In art class, students produced many different master pieces. Some included painting, drawing, collages and they even pottery. They got the opportunity to make many things like cups, bowls, vases and even tea pots. All of these activities engaged and entertained students while challenging their creative minds.

aprendiendo un nuevo lenguaje

Espanol

Se requiere que los estudiantes de Kennedale High School tomen dos años de español para graduarse, pero hay muchos beneficios de tomar cursos de español en la escuela secundaria que van mucho más allá de los requisitos de graduación.

Las personas que hablan más de un idioma han mejorado la memoria, la capacidad de realizar múltiples tareas y la oportunidad única de comunicarse con una gama más amplia de personas en su vida personal y profesional.

Otros beneficios incluyen más oportunidades de trabajo en el futuro. Las carreras que prefieren la experiencia en un segundo idioma incluyen desde medicina, corporaciones, enseñanza, banca, comunicación, tecnología, gobierno y mucho más.

"El señor Alemán ofrece oportunidades para que aprendamos español en la vida real. Él nos enseña que el idioma español se habla de manera diferente en diferentes países. Nos enseña un poco sobre cada pais ", dijo la joven Kartyronna Lee.

Los estudiantes de español también aprenden sobre otras culturas. La Maestra Stephens, el Señor Alemán y el Señor Ledesma enseñan a los estudiantes sobre las vidas, actividades, tradiciones y comidas de las comunidades latinas de todo el mundo.

"Lo que más me gusta de la clase del Sr. Ledesma es aprender sobre la vida cotidiana de los países latinos de todo el mundo", dijo la estudiante de primer año Madison Person.

"Maestra nos habla completamente en español. Teníamos que tener conversaciones enteras en español y escribir completamente en español. Me ayudó a entender el idioma mucho más ", dijo la estudiante de segundo año Ashley Hines.

Senor Aleman, Maestra Stephans, and Senor Ledesma son los maestros de las clases de Español en Kennedale Highschool.

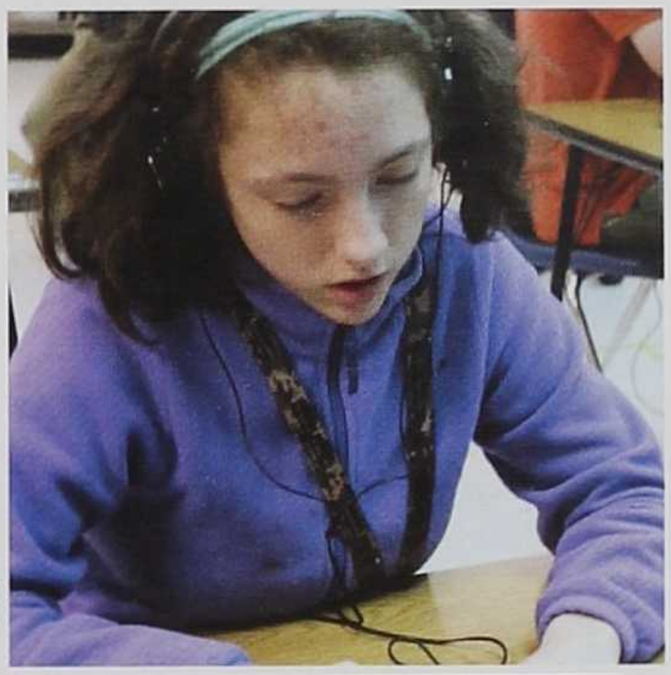
Ms. Laci Queen

"The thing I love most about my students is their ability to make you laugh, be the first to give a high five, fist bump, or handshake, and they have the biggest hearts!! They love to go to events to support our Wildcats and often SCREAM LOUDER THAN ANY OTHER CLASS OR GROUP AT THE PEP RALLIES!! They are encouragers to all making any excuse to whoop and holler!! They teach me daily that learning is not just in the books but help you see the world through new eyes each day.
I am BLESSED to be their teacher!"



Hayden Collins

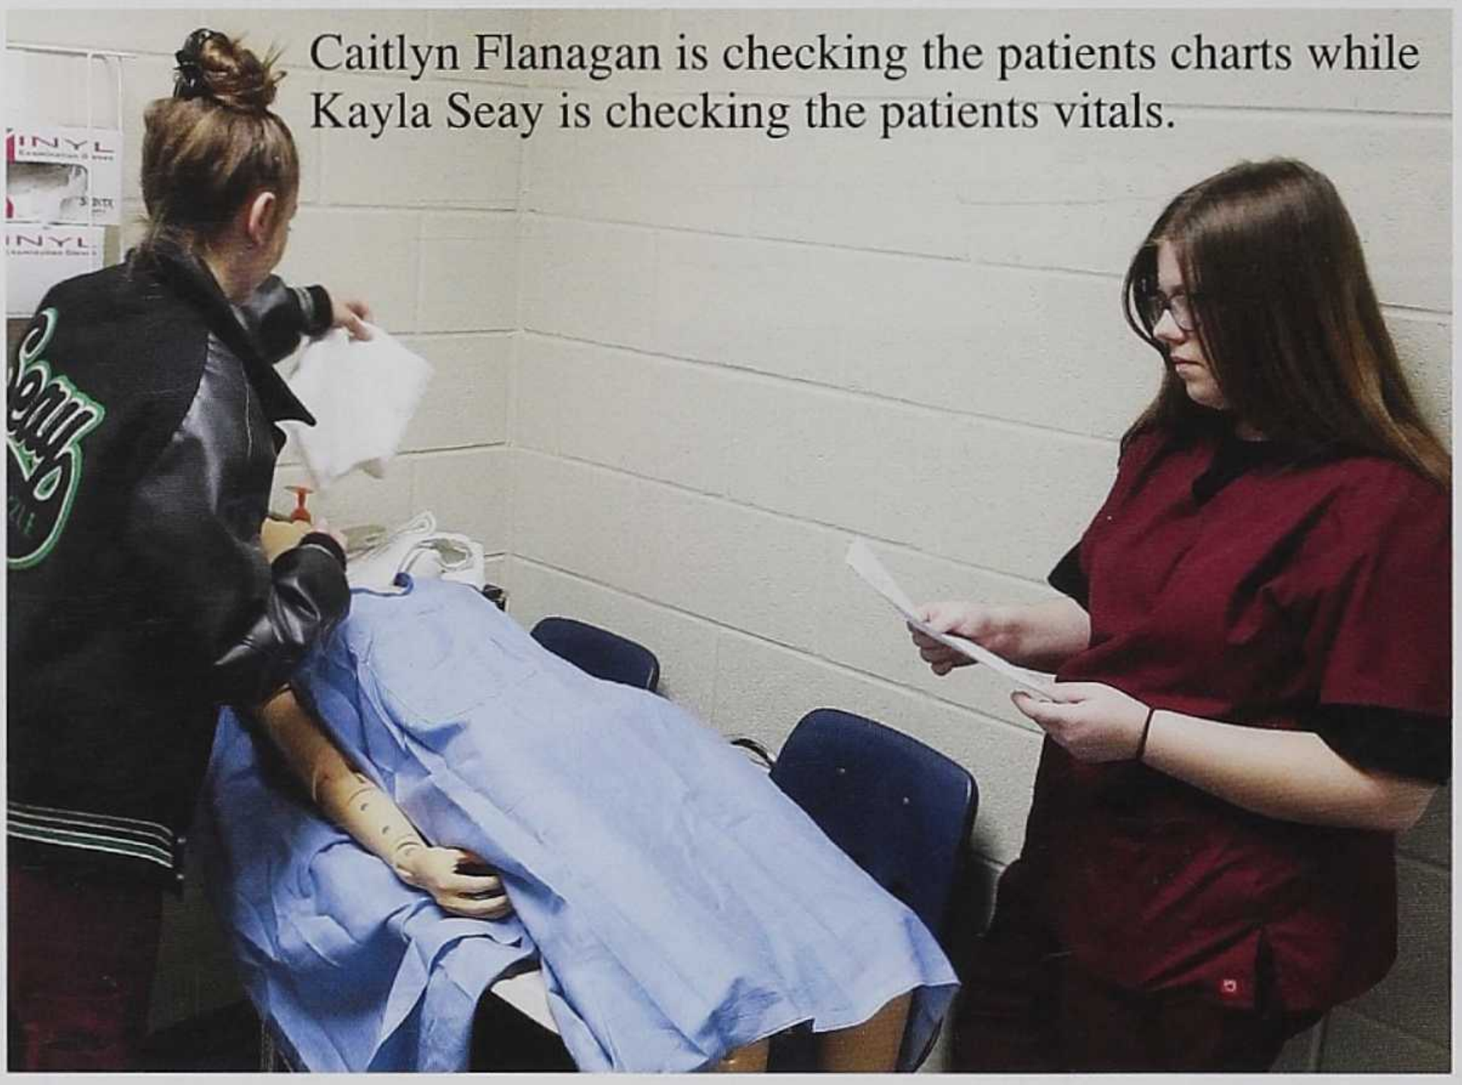
"Our students make it so easy to come to work and bring joy to all they encounter. The students LOVE school and greet us with a sweet smile or 'fist bump" on a daily basis. They truly see you and others who might not be at their best. They show compassion and heart to each other and encourage each other.

The students do not give up. They often say "We cannot quit, this is Owens' class" and "it's okay to make mistakes, because that's how we learn". They love being WILDCATS and genuinely feel a part of the student body. I have enjoyed watching many students mature over the years."

Ms. Margaret Owens

its a beautiful day to save lives

HEALTH SCIENCE



Caitlyn Flanagan is checking the patients charts while Kayla Seay is checking the patients vitals.

The health science classes at Kennedale High School not only prepare students for areas of certification, but for the future. That future could help students save a life.

Health science is designed to give students a hands-on experience in the medical industry. Students learn basics of medical healthcare and spend several hours each week at Methodist Mansfield.

Students are trained to check vitals, perform CPR, and make clinical rounds.

Instructor, Chriss Burke prepares students for potential careers in the medical industry. Such fields culd include nursing, physicians, physical therapy, phlebotomy, and many others.

Jordyn Harrison prepares to examine her "patient" Jordan Willingham.

Practicum (I) is ready for there first day at the hospital.

SPORTS MEDICINE

Trainer, Krystin Sanders, checked the wrapping on the wrist of football player, Donovan Rubin.

Sports Medicine is a program that focuses on the Prevention, Evaluation, Treatment and Rehabilitation of athletic injuries. The Sports Medicine program takes an in depth, hands on approach that requires students to learn, practice and master concepts.

Students learned the value of responsibility because they were required to put in the time to practice and master their skills. Such skills include: learning the steps of CPR, AED and first aid, bracing and taping methods to prevent injuries, evaluation methods to examine athletes for injuries, usage of therapeutic modalities to treat injuries and rehabilitation protocols to restore an athlete's health.

Sports Medicine students are prepared with the tools and knowledge to excel in the field of Sports Medicine.

Football player, Darrian Scott had his ankle taped before a big game .

Kirsty Ballinger tapes Wayne Landry before afternoon practice.

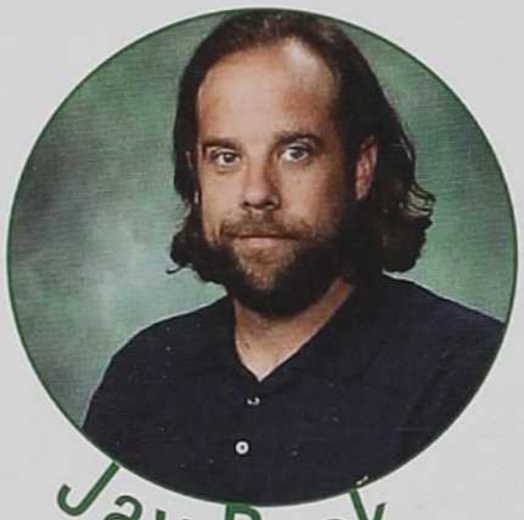
Coach Shannon Johnson worked tirelessly to get players ready for a big game.

#8, Spencer Roof getting stretched out, by Coach Portales, during a game to prevent injury.

CTE

Career Technology Education

The Kennedale Independent School District's CTE program is dedicated to preparing all students for success in postsecondary education opportunities by providing real-world education experiences, industry certification opportunities and skills that will allow our students to thrive in the 21st century competitive work force.



Jay Beck

Graphic Design

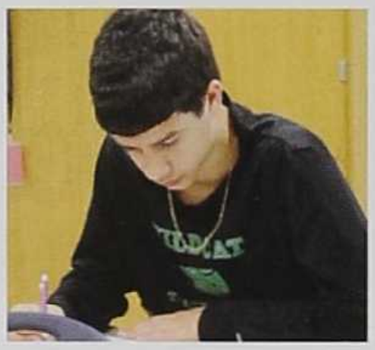
In Graphic Design, students learned how to make many different things with a 3D printer. Some things that they made were the student and faculty IDs, athletic passes and the students even made the door wraps that can be seen on some of the doors upstairs in the 900 halls.

The graphic design program trained students to use technology that will be used in the future. Students have already become proficient thanks to teachers like Coach Beck.

Roger Klasnich

Professional Communication

In Professional Communications, students learned speaking skills needed in life. Doing activities like right and left brain games and PowerPoints, students learned more about their own brain and how to train each side. At the end of the semester, students made a small speech about a topic of his or her choice and showed off what they've learned during the year.

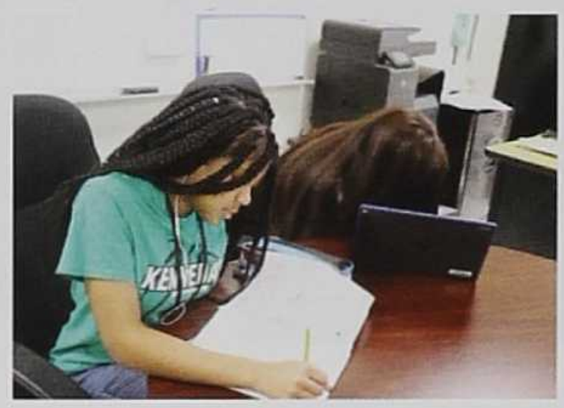


Philip Irby

Business Information Mangement

This class prepared students to apply technology skills to personal and workplace business situations. Students developed mastery in using MS Office applications.

Students used technology to practice project management by using subjects of interest to them and related to their career interests.



Computer Programming

Marilyn Cadenhead

Students in AP Computer Science Principles learned problem solving skills, about internet structures, programming and global impact of computing, fundamentals of computing using Java games and simulations.

Student in AP Computer Science learned to design and implement computer programs that solve problems relevant to today's society, including art, media and engineering. They also learned to apply programming tools and solved complex problems through hands-on experiences and examples.

Computer Tech

Charles Creasy

Students in the Computer Maintenance classes learned to troubleshoot malfunctioning computer systems. They assemble and disassemble computers in the lab, learned to install and upgrade operating systems, and used tools to diagnose common issues.

Students earned a variety of certifications for different programs including Microsoft Office, CompTIA, and Windows 10 Operating System.

"These classes are important to students because so many careers revolve around configuring and managing computer systems. Earning a certification in high school gives these students a chance to exit KHS with the knowledge and skills to immediately get a job paying double or triple what their peers working retail jobs are earning," said teacher, Charles Creasy.

Touch System Data Entry

Aaron Wingfield

In Touch System Data Entry, students applied technical skills to address business applications of emerging technologies. Students enhanced reading, writing, computing, communication, and reasoning skills and applied them to the business environment.

Students learned to apply touch system data entry for production of business documents.

Business Law

Amy Littleton

Business Law focused on the court system and laws governing contracts and sales, business organizations, insurance, estate planning, consumer protection, and employment.

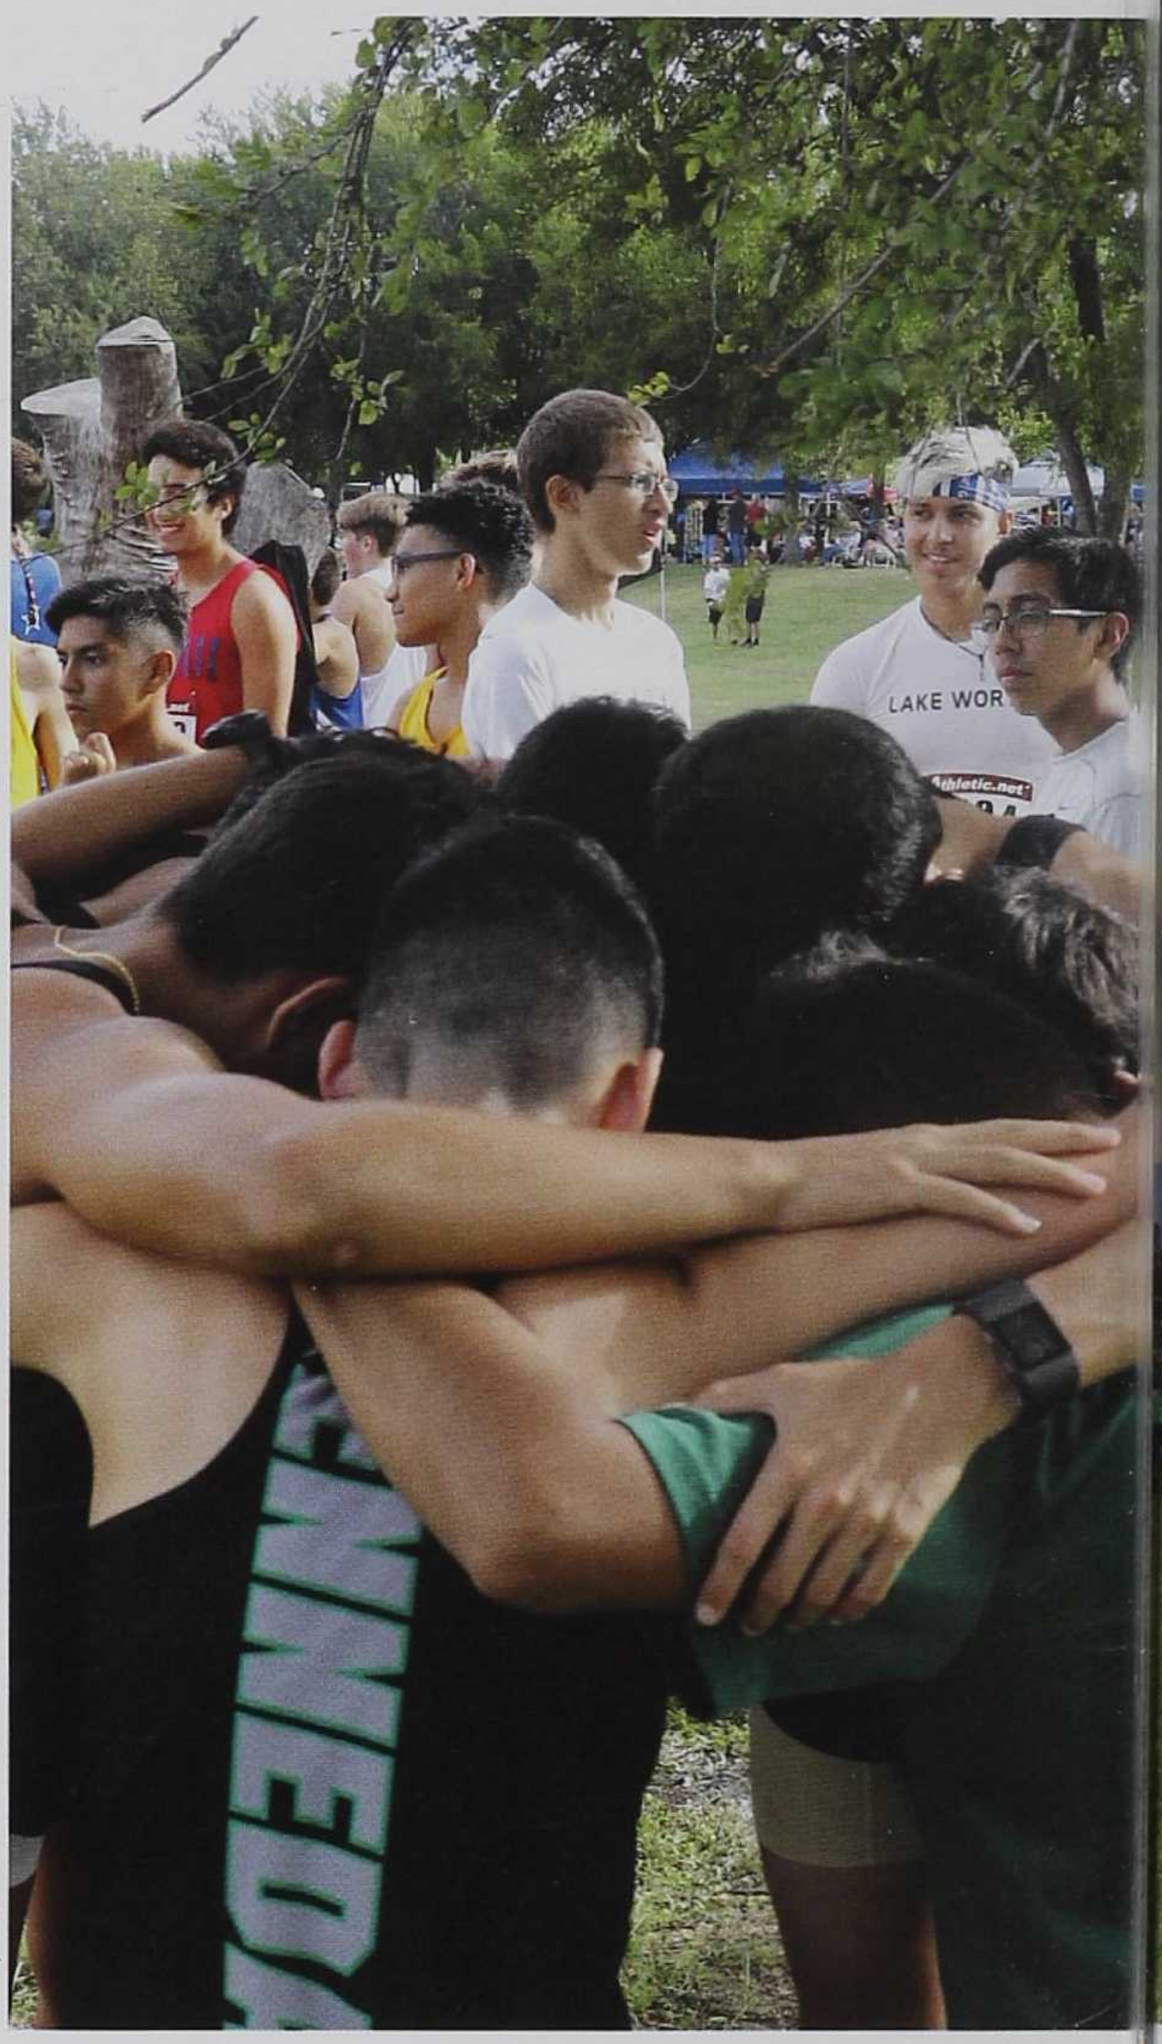
The Business Law class also included learning how to create and manage a small business.

Everything students learn in Business Law can have a direct impact on their everyday lives now and well into the future.

The goal is for students to become business leaders and have an impact on the business world in the near future.

athletics

"There is no time to think about how much I hurt; there is only time to run."
- Ben Logsdon



Coach Sidney Danner reminds the varsity boys team (from left to right Nathaniel May, Marcos Gonzales, Marcos Flores, Brandon Haub, Eaden Bowman, and Caleb Hall) to give it their all and to have fun.

At the "Granbury Race for Loot" meet, the boys say a quick prayer before they run.

cross country

GOING THE DISTANCE

The KHS Cross Country boys team was led by seniors Caleb Hall, Logan Fucile, Michael Moreno, Ramon Marquez, Nicholas Cajero, and Carlos Espinoza. The girls team was led by juniors Sarays Flores and Libby Beck.

The Wildcat Cross Country teams competed in the Burleson Elk Run, Cleburne Buzz Run, Ken Gaston, and the Granbury Race for Loot, and many others. The team began each morning with a 5:30 am practice. Progress was evident as the runners continued to set personal records throughout this season.

At the district meet in Arlington, both boys and girls varsity teams were awarded the silver trophies for their second place finish. The junior varsity boys team also won second place at district.

Both teams advanced to regionals in Dallas. During regionals both teams put in a tremendous amount of effort. Although they did not make it to state, many runners hit their personal records. Those runners were: Marcos Flores, Alex Ferretis, Rachel Stone, Savanna Danner, Shelby Shallcross, and Cassidy Hughes.

Coach Sidney Danner and Coach Phillip Irby were very proud of both teams and glad to say they coached this group of runners.

ASK A WILDCAT

What was the most memorable moment of cross country this year?

"That moment was qualifying for regionals as a team."
-Caleb Hall, Senior

How did you leave your print in cross country this year?

"My prints are all in the mud from the meets, you can probably see them."
-Brandon Haub, Freshman

What was your favorite memory in cross country this year?

"Being with my close friends and missing school. Actually it was finishing a race before I got injured."
-Delilah Martinez, Freshman

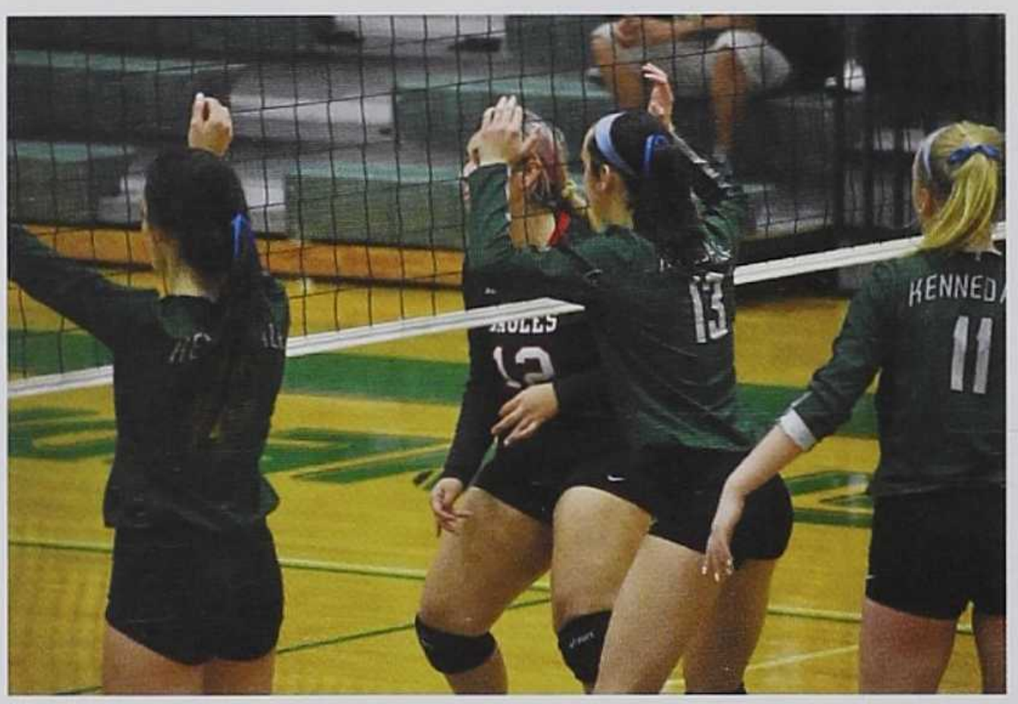
Victorious Varsity

DISTRICT CHAMPS

The Lady Kat volleyball team had an exciting season this year. Getting two new coaches gave the team a fresh start and opportunities for new relationships.

The Lady Kats made the best of every practice and worked exceptionally hard during each game throughout the season. This lead them to the title of 2018-2019 district champions.

Every time the Lady Kats stepped on the court they were prepared to play their hearts out. All of the ladies came together as a team for every game and played amazingly. The amount of passion this team has on and off the court is outrageous. The Lady Kats ended the season with a 25-17-0 overall record.



Bryley Steinhilber, pictured above, is set to spike the ball into the faces of the opponent.

Senior Grace Guadagnolo , pictured to the right, tipping the ball over the net to gain the Lady Kats another point.

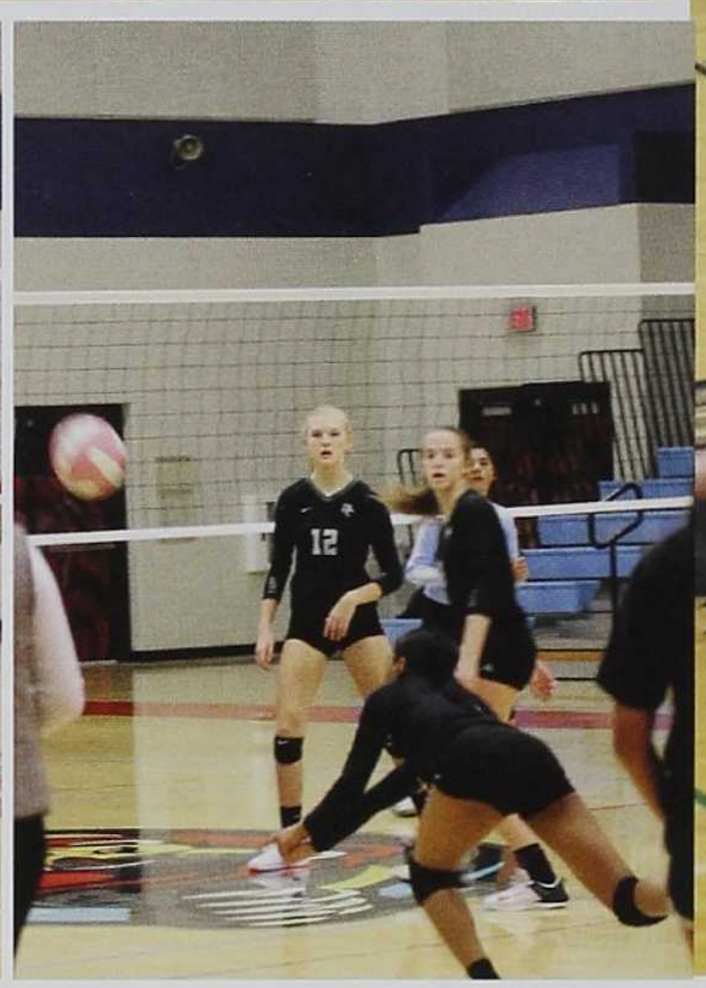
junior varsity and freshman

DOMINATING AT EACH LEVEL



volleyball

YOU'VE BEEN SERVED

The Kenndale High School freshman volleyball team had an incredible 2018 season finishing with just one loss. The team went undefeated in district without dropping a single set to any opponent and won the Arlington Martin Tournament. Each individual added something special to the team.

"They are a great group of girls that continuously worked hard, and they gave it their all each day in practice and the weight room, which is why I believe they were so successful this year!" said Coach Rachel Dixon.

The junior varslty team started off with a tough pre-season schedule, facing many 5A and 6A teams. The team had some success as well as defeat. Those games helped motivate the players to work even harder in order to become more skilled volleyball players and ready for district play.

The team consisted of ten talented athletes, and each girl contributed greatly each and every day. They pushed themselves, as well as each other, day in and day out for the betterment of the team. The JV Lady Kats ended the season as undefeated DISTRICT CHAMPIONS!

"This year's junior varsity volleyball team was truly one of a kind. It was a great group of girls with a lot of talent,"said Coach Cassie Thibeau.

leaving our print

IN THE END ZONE

The Kennedale High School Varsity football team spent the majority of its season running into the end zone. The team scored an average of 40.6 points per game, and shut out more than half of its district opponents. The Wildcats proved once again that this KHS team is not one to underestimate, as they finished the season as district champions for the seventh year in a row.

1 One of Kennedale's running backs,Micah Conner, #39, runs for a touchdown. Conner ended the season with 435 yards and five touchdowns. 2 The Kennedale Wildcats led the district with a total of nineteen sacks, nine interceptions, and seven fumble recoveries. 3 The Wildcats anxiously prepared for another victory. Averaging 248.5 rushing yards per game, KHS easily intimidated each opponent. 4 Kennedale had forty total touchdowns this season. #4,Donovan Rubin, #6,Antwone Parker, and #28,DJ Kirven led the team in rushing touchdowns, scoring 132 points between these three seniors. 5 Kennedale had 1,988 total rushing yards this season. The Wildcats totaled over 2600 total yards of offense.

6 Kennedale kicker, #48,Craig Shue, had 1,743 kickoff yards this season. After a bye in the first round of playoffs, Kennedale dominated Brownwood 58-20. The season came to an end in a showdown against Paris. Paris came out on top 35-17.

junior varsity and Thursday Night Lights

Led by, QB #7 Travis Neyhart and linebackers #22 Braden Waters and #21 Antoine Martin, the freshman football team dominated the field this season with a perfect 8-0 record.

"Anytime you go undefeated, you would label the season as a huge success. This group of freshmen worked hard every day in practice and it showed during the games. We look forward to their future achievements with the Kennedale football team," said Coach Matt Casey.

The junior varsity Wildcats also finished as JV district champs. The teams concluded the season with a record of 8-2 on the year.

Coaches contribute the team's success on the athleticism and attitude of the team. Stand out players were #10 Marcos Angel, #4 Cameron Hynson, #11 Morgan Earle, #1 Wali Latifi, #42 Zach Thetford, and #15 Joe Cullum. Two exchange students from Europe also played exceptionally well. #50 Miikka Tammela from Finland played on both the offensive line and defensive line. Timothy Giunta from Italy saw playing time as a kicker, wide receiver, and defensive back.

"I am so proud of the way these young men fought. We played most of the season with less than 20 kids on the roster. They never complained or let that be an excuse. They played with heart and showed what Kennedale Football is all about," said Coach Derek Lopez.

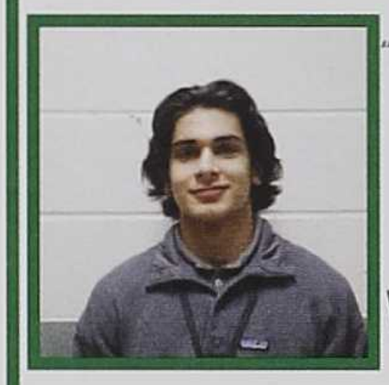
Memorable Moments

"My most memorable moment was knocking someone on his back making him not want to get up."

Marcos Angel

"My most memorable moment was going undefeated this year."

Eric Youngblood



"My most memorable most was going to the playoffs with the varsity team."

Wali Latifi

"I think the thing most memorable about this season was that I became a better player because I had to play against other good teams."

bi-district champs

Varsity LadyKats Basketball

The Varsity Lady Kats 2018-2019 season was one for the books. The ladies worked tirelessly during pre-season to prepare for the year.

The team had a rough start this season with three losses, but once the ladies got into a groove, there was no stopping them. The girls took their individual talents and put them all together when they stepped onto the court. In spite of their tough season, the Lady Kats had twenty-one wins overall and were named district champions. The Lady Kats were undefeated going 12-0 in district.

Post season started with an easy win over Uplift North Hills Academy. The Lady Kats dominated the bi-district game with a monstrous 105-9 victory.

The season ended in the area round of playoffs, when the Lady Kats were defeated by Pinkston 55-43.

"My senior season was filled with ups and downs, but one thing I can say is that Kennedale basketball has taught me to be mentally tough. No matter the negative energy your environment surrounds you with, if you keep a leveled head and build others around you up, you'll always succeed," said senior guard Daijia Pugh.

#3 Junior, MacArkhalia Briscoe, sped down the court on a fast break to reach the basket.

#32, Morgan Coleman jumped up for the layup. Coleman was moved up to varsity this year as a sophomore. With the love for competition, Coleman brought heat every time she stepped onto the court.

#4,Tawny Smith-Knox, shot a wide open three pointer against Dunbar HS. Tawny is a determined player, even in the toughest situations, she never quits.

The Kennedale fans, congratulated the varsity Lady Kats on their close win. Left to right, Morgan Coleman, Kelsey Martin, and Trinitee Warren

The Kennedale crowd was on its feet chanting and cheering the Lady Kats on in the most intense game of the season. The Lady Kats defeated Dunbar in a shoot out 56-55.

Senior, #24,Sanieya Anderson, got airborne to make a shot. Anderson gave opponents a challenge to guard her every time the ball was in her hands.

The Lady Kats dominated district opponents outscoring the other teams by an average of 45 points.

The 2018-2019 Lady Kat seniors pictured from left to right: Chyan Saffore, Sanieya Anderson, Trinitee Warren, Jacquira Ishmeal, Kalyne Daniels and Daijia Pugh.

Faith Key

Getting closer with my teammates.

basketball's opening act

AND FRESHMEN

The Junior Varsity Lady Kats team had an amazing 2018-2019 season. Coached by Rhonda Jackson, the team went 6-0 in district this year. This years JV team was one of the best yet. The girls worked hard in practice with commitment and determination and it showed during games. Learning to play as one on the court instead of individuals helped them to become a strong team and have a good season. Teamwork sent this team a long way this season.

"I am very happy with the way our season turned out. In the beginning of the season, we did not know how to work as a team and lacked skill wise but by the end of the season all of that had improved. My favorite thing about this group of girls is how they all got along and were very dependable. They always gave 110 percent for me and did what was asked of them. We are very excited about what the future brings for these girls in Lady Kat basketball." said coach Rhonda Jackson.

The Freshmen Lady Kat teams also shined on the court this season. With such a successful season, the Lady Kats have a lot to look forward to in the future.

Jayla Harvey pushed through defense to try and shoot her shot.

The Lady Kats huddled up during a timeout to hear the game plan from Coach Rhonda Jackson.

Sophomore, Tiersthan Davis, in full command of her game, shot a fast shot before the opponent could reach her.

WILDCAT VARSITY BASKET

#24 junior, Scott Whorley drove down the court and soured through the air towards the basket. Players for Dunbar looked on in disbelief.

#52, Tre Jones shot for three against Fort Worth Dunbar. Jones scored 9 points against the Wildcats of Dunbar.

The exciting game of Wildcats vs. Wildcat started right from tip off.

takin' it to the hoop

BALL

For KHS Varsity basketball players, the 2019 season was not just about about living up to expectations but also living up to the boy's basketball motto: "Our own fear of DEFEAT should never affect our commitment to doing what is RIGHT."

The Wildcats proved that they were the force to be reared on the court this season. Going 32-4 overall and 11-1 in district lead the Wildcats to a district championship, bi-district championship, and area appearance.

Led by a group of determined seniors, the Wildcats shot their way to victory. Leading the team with average points per game were seniors Tre Jones (16.9), S Poe (12.6), and Jaden Smith (9.5). These three led the Wildcat domination across our district court and beyond.

The Wildcats finished the regular season with a 67-31 attention getting win over Western Hills. The first round of playoffs was smooth sailing for KHS as they powered over Summit International Prep 82-47.

The area title game proved to be a showdown between the Wildcats and the Cowboys of Dallas Carter. The Wildcats went down fighting and ended the season with a 62-54 loss.

"This group of young men made everyday fun, and what started as a group of friends was forged into a family. Their success on the court can only be minimized by what they have and will accomplish off the court," said head coach Doug Groff.

"This season, by far, was one of the most fun seasons I've played in. Not just because of the wins, but because of who I did it with. Love those guys!" said senior Tre Jones.

#52 Tre Jones proved upstoppable against Forth Worth Dunbar.

Senior Spotlight

Senior night is the last home game of the season.The game can become very emotional for some players, because it will be the last time they play together on the KHS court.These athletes are good players individually, but great as a team.The chemistry between these players has been building since junior high. These seniors are not just teammates; they are brothers.

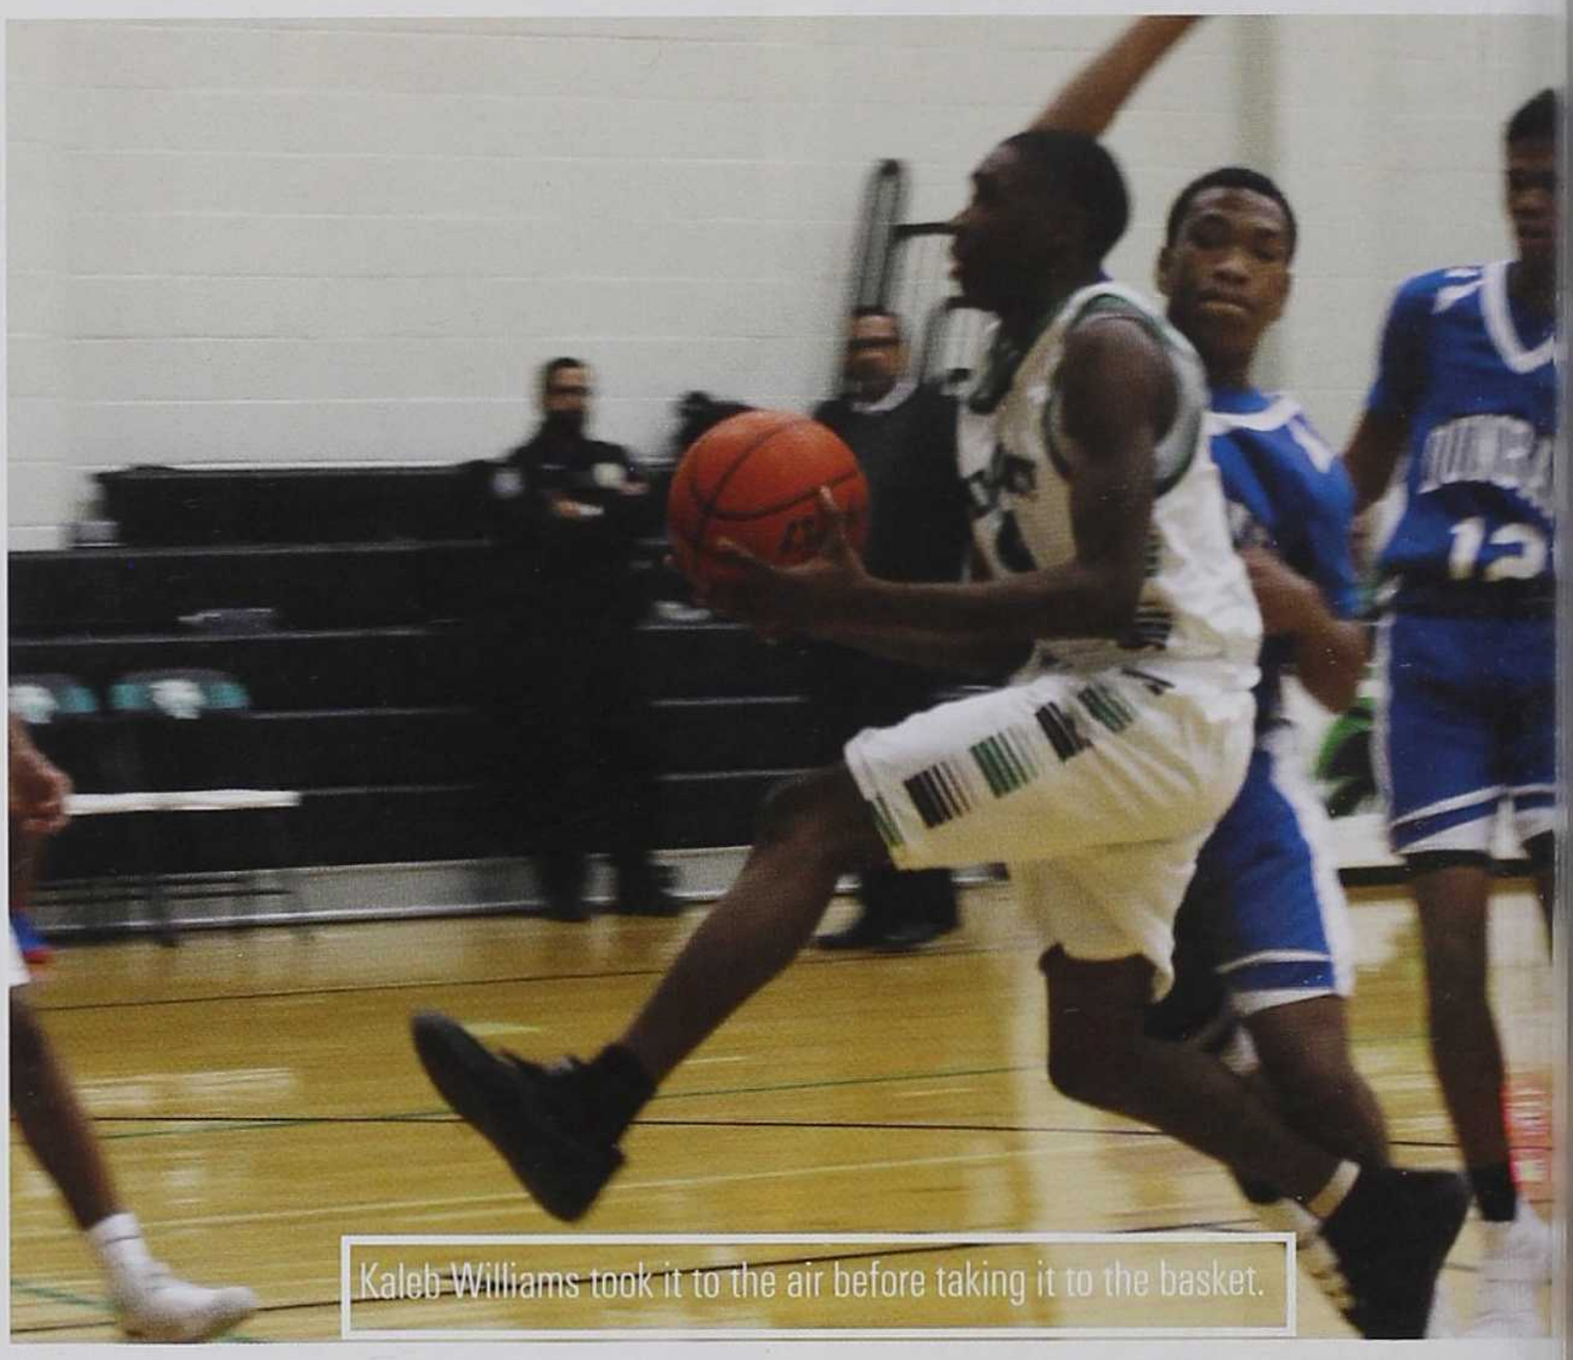
unstoppable

FRESHMAN AND

If the freshmen and junior varsity boy's basketball teams are any indication of what is to come for Kennedale Basketball, future championships will be a slam dunk!

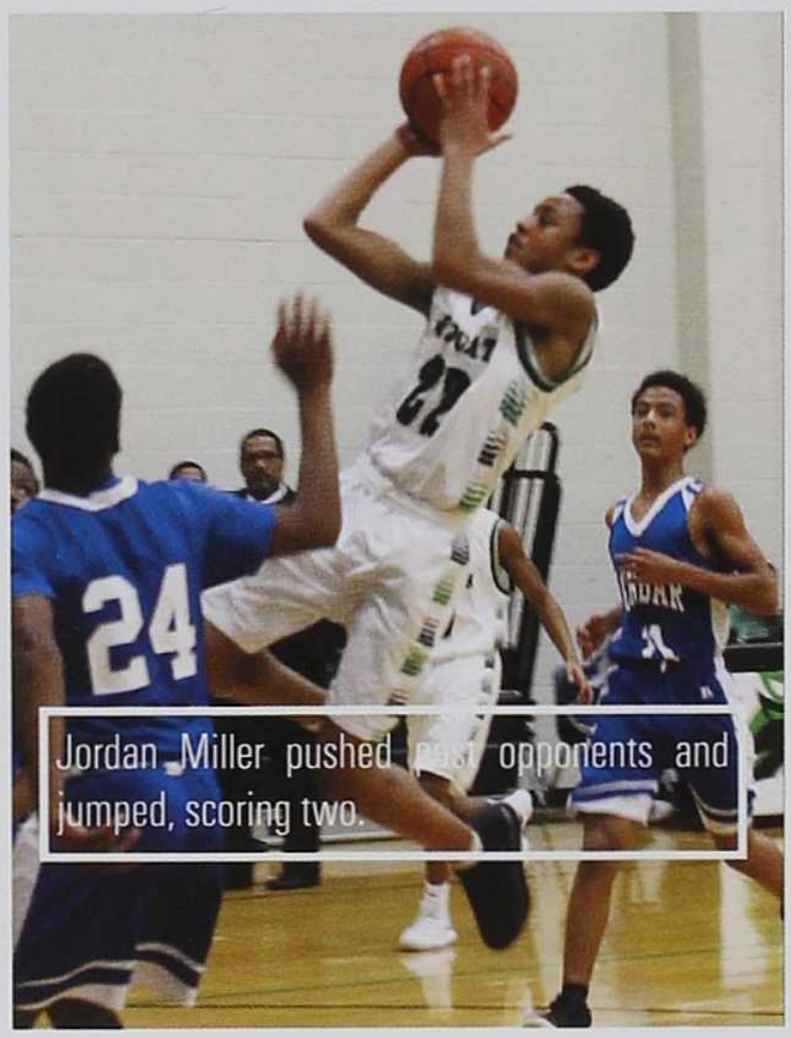
The JV team finished their season 27-5 overall and 12-0 in district. The freshmen team also had a winning season.

"Winning 27 games is a wonderful accomplishment for a season, but we constantly talk about using JV basketball to get ready for Varsity. These young men continued to improve all year long and are prepared to contribute to the success of the varsity team next year," said Coach Matt Casey.

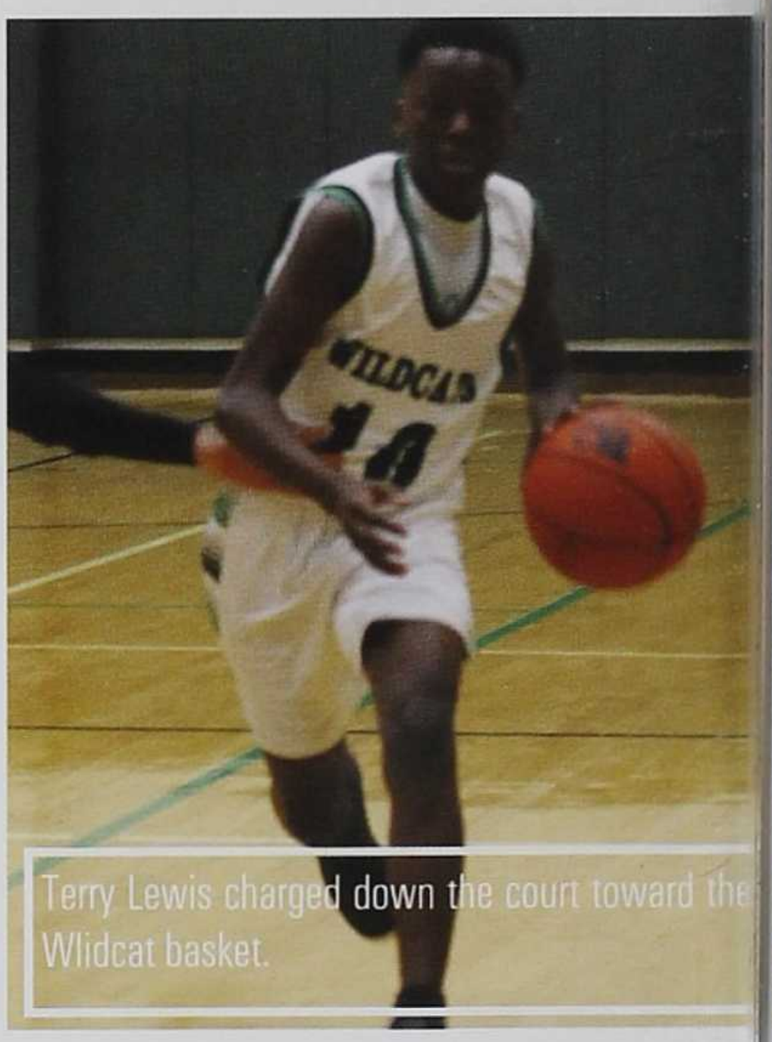


Kaleb Williams took it to the air before taking it to the basket.

Ryan Williams got past defenders for an easy lay-up.



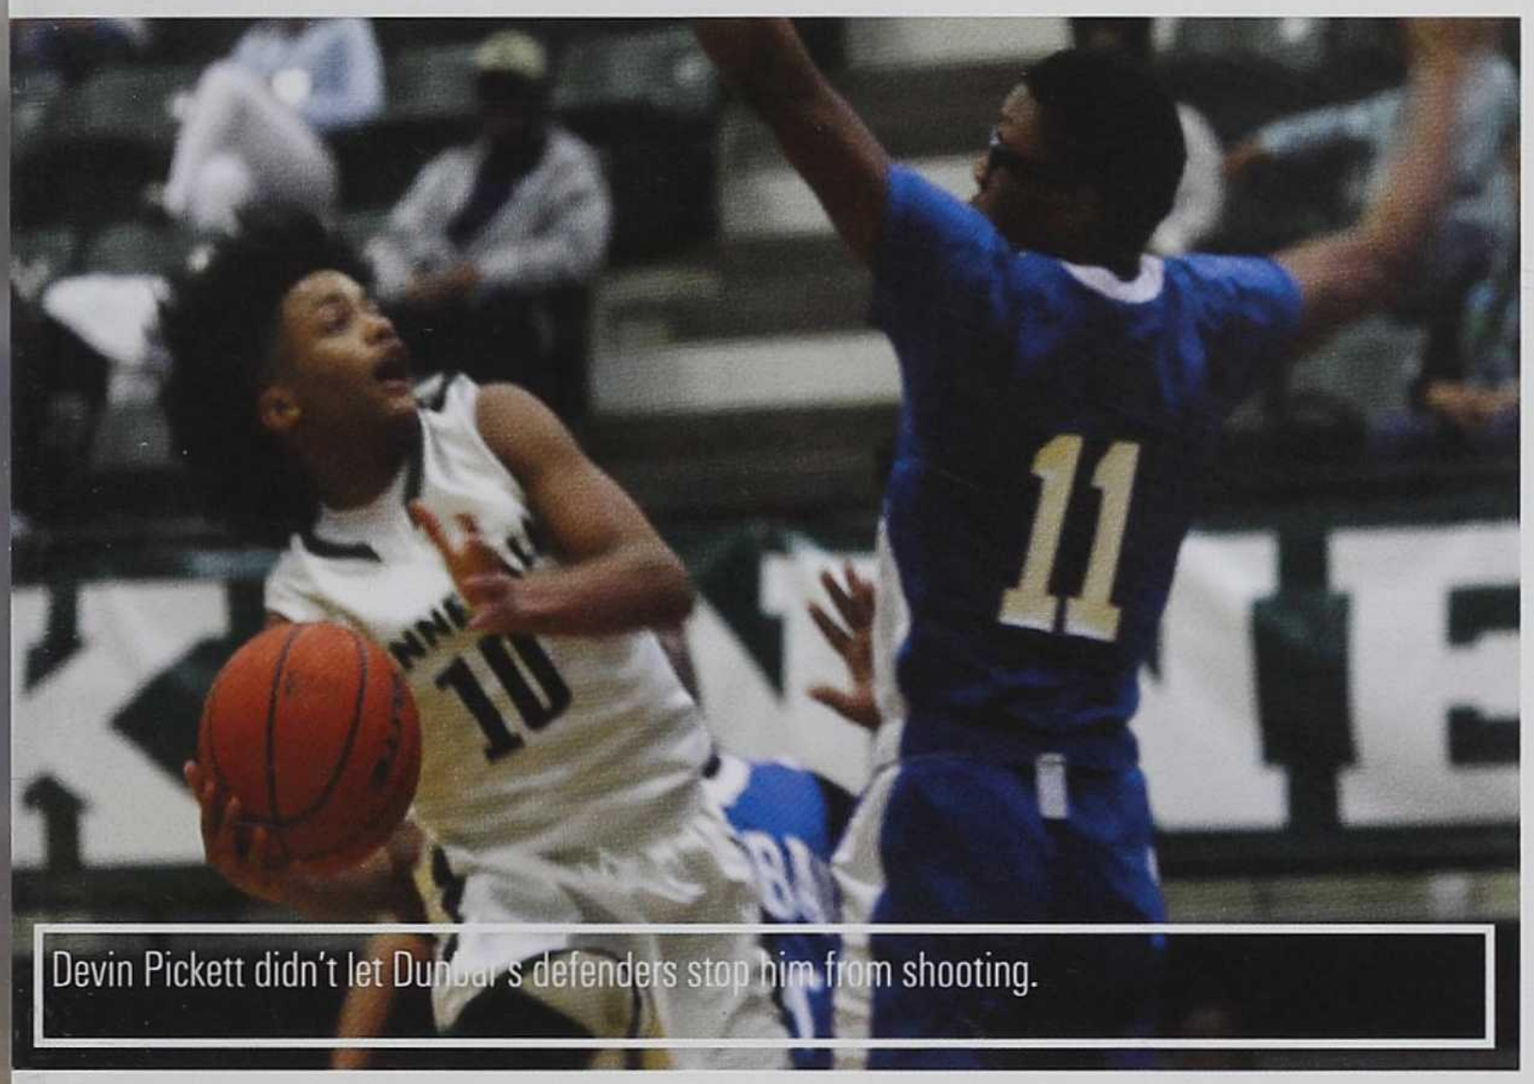
Jordan Miller pushed past opponents and jumped, scoring two.



Terry Lewis charged down the court toward the Wlidcat basket.

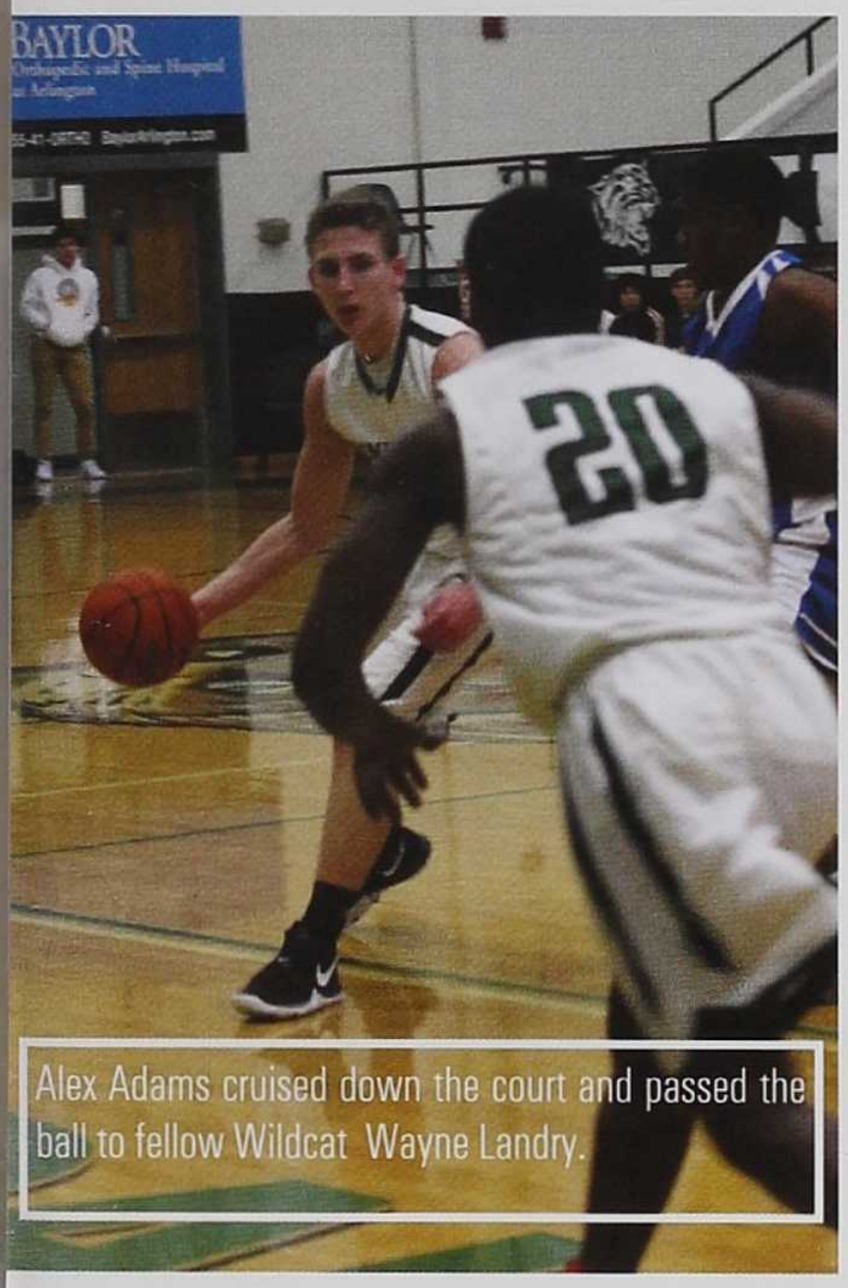
underclassmen

JUNIOR VARSITY BASKETBALL

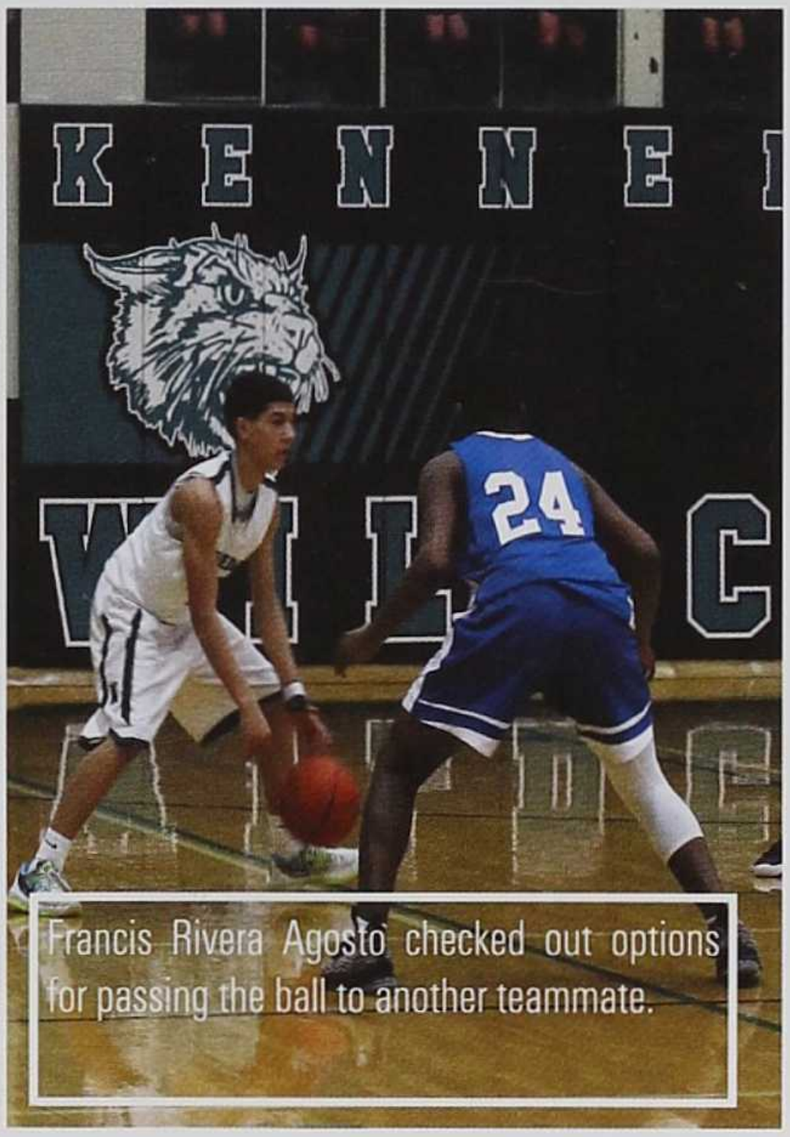


Devin Pickett didn't let Dunbar's defenders stop him from shooting.

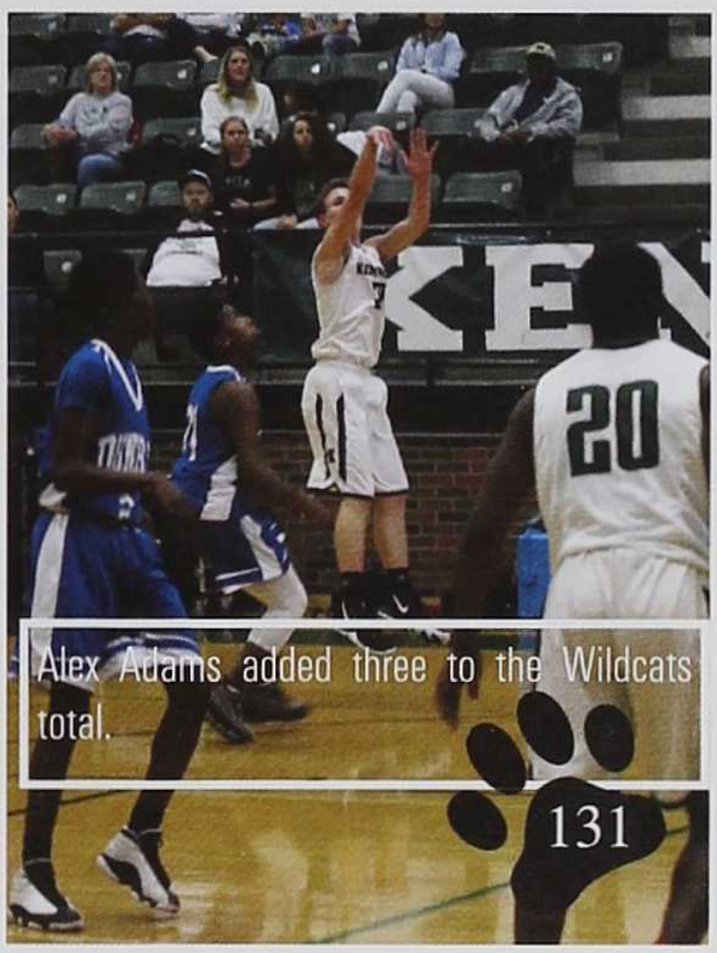
He shoots. He scores. It was a swish for Wayne Landry.



Alex Adams cruised down the court and passed the ball to fellow Wildcat Wayne Landry.



Francis Rivera Agosto checked out options for passing the ball to another teammate.



Alex Adams added three to the Wildcats total.

GIRL'S POWERLIFTING

Girls Powerlifting. Breaking the limits, reaching for the sky, and going the distance. That's what it's all about. The girls put their blood, sweat and tears into every competition.

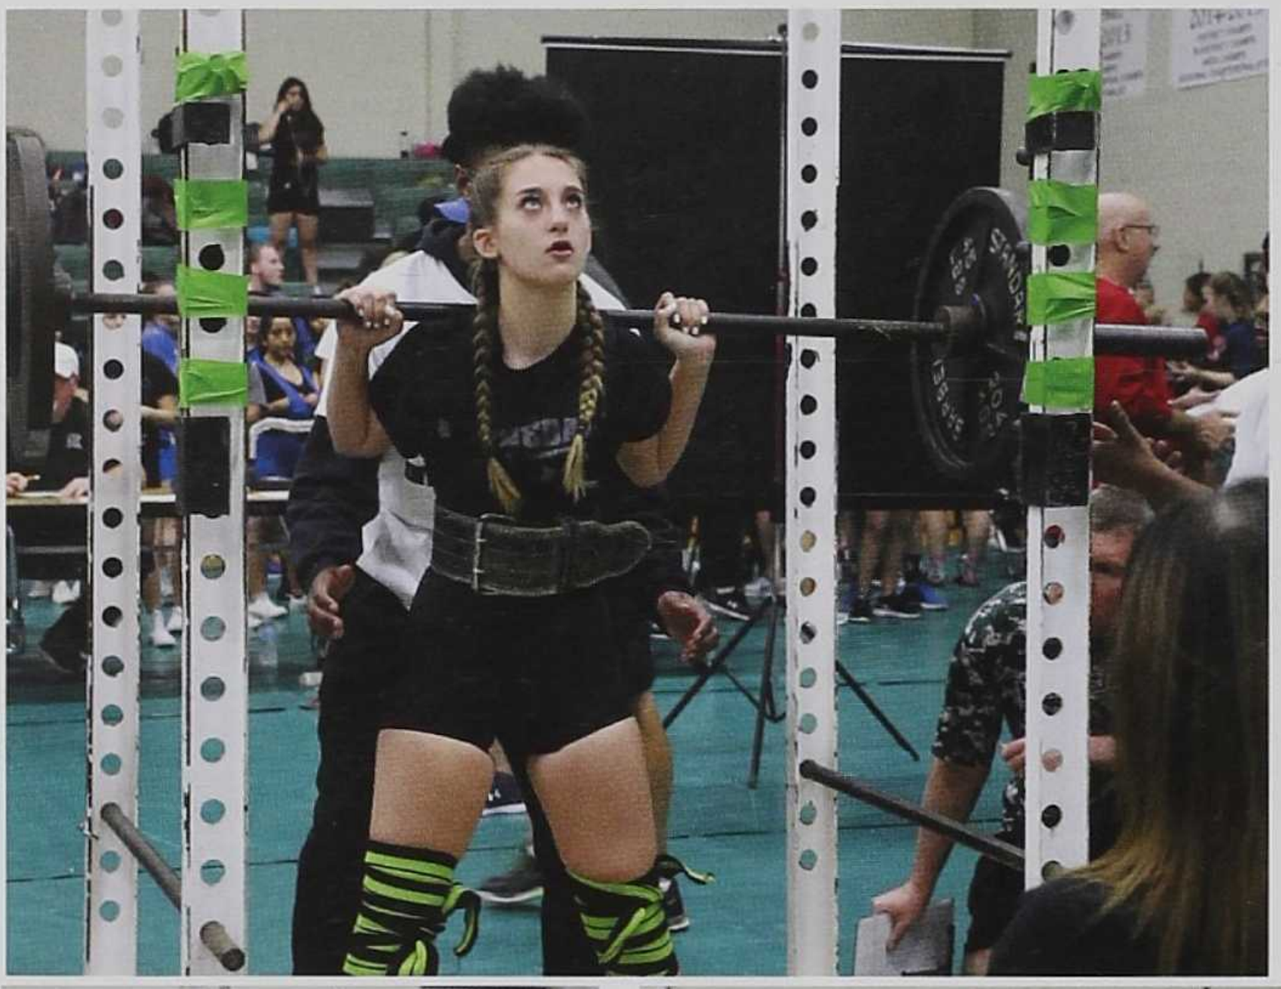
This year the team had many talented girls that worked hard at all of the practices and competitions.

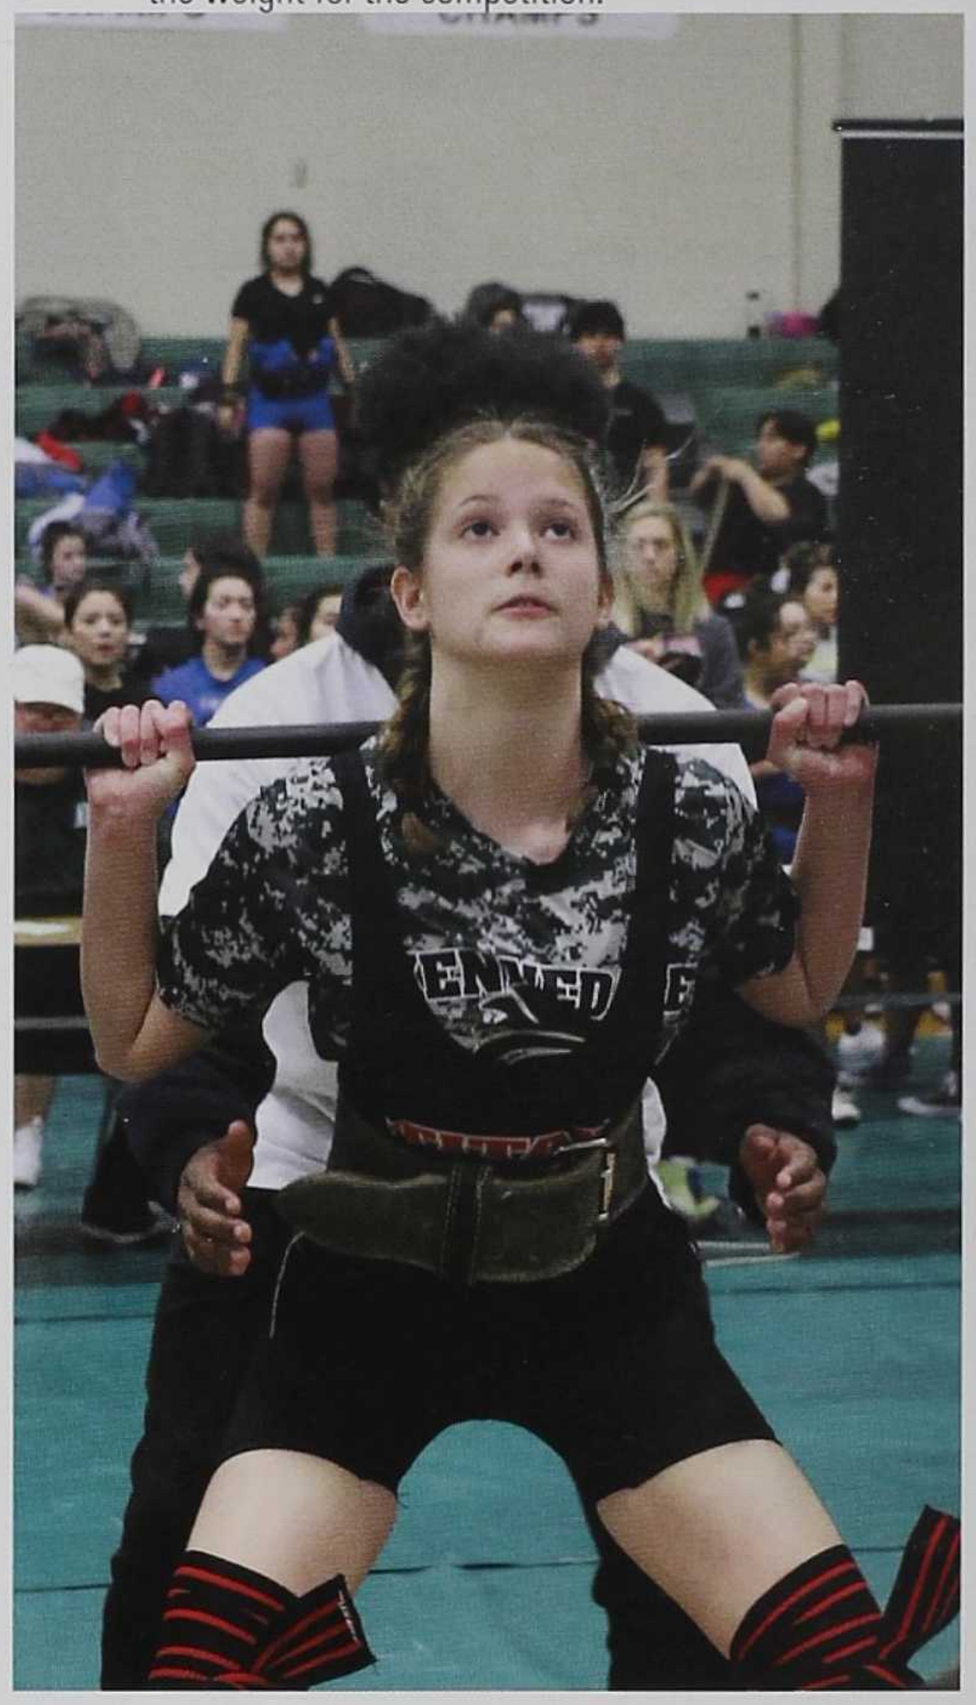
Four female powerlifters made it to the state meet: Rita Spierson, Caren Pena, and Julie Rico made appearances in Waco on March 15.

Senior, Caren Pena finished 14th in the state in her weight class.

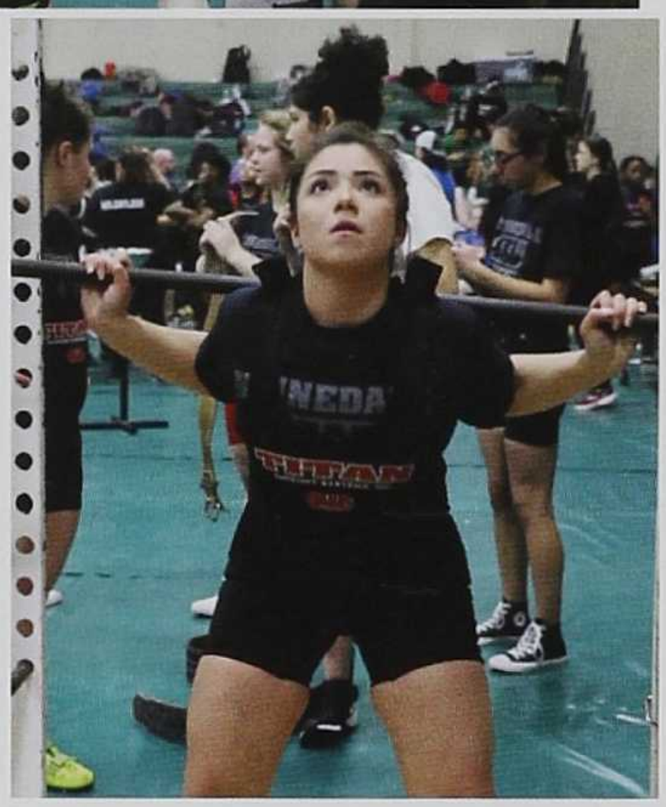
Paxtynn Booher,focused and prepared, worked hard to lift the weight for the competition.

Hagen Lail, focused and ready to lift in the competition.





Alex Saenz proved that girls can squat a ridiculous amount of weight too.



Senior, Caren Pena, concentrated on lifting the heavy weight. Pena earned 1st place in the competition.

Hailey Bibb mentally prepared and ready to lift. KHS girls showed great strength acorss each lift.

BOYS POWERLIFTING

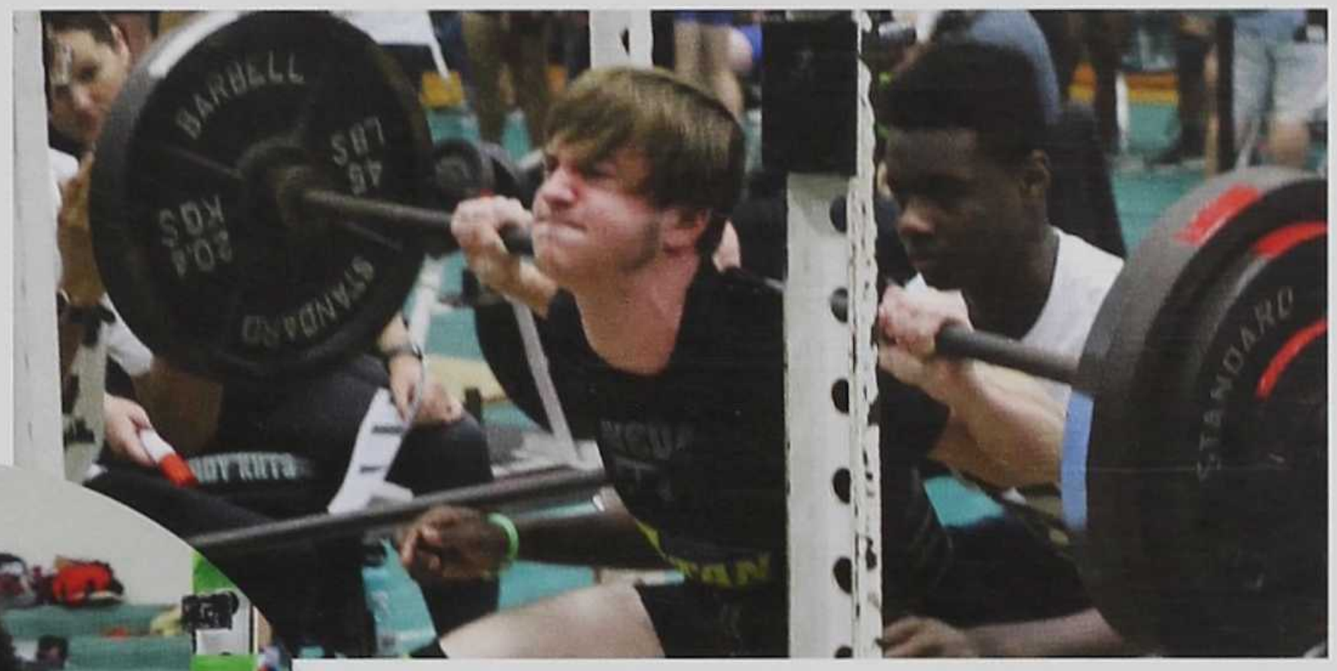
The Kennedale High School boys powerlifting team consists of many skilled lifters. These athletes competed in three different lifts: squats, dead lift, and bench press.

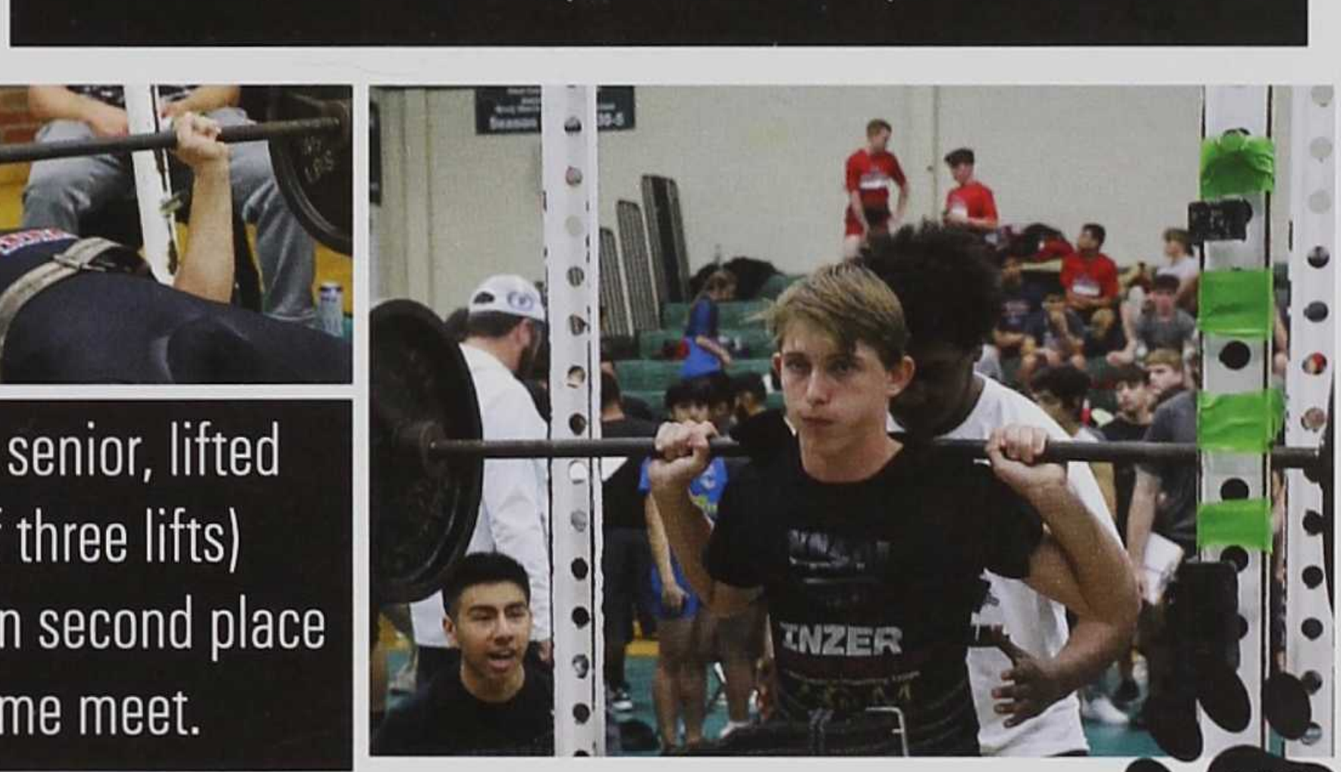
These students, over the year, have been very spirited and competitive when it comes to powerlifting. Working hard has been a huge focus for them.

Although they worked their way to where they are now, they couldn't have done it without the training and encouragement of Coach Lucero.

Powerlifting can be difficult for some people, but for these boys, they make it look easy.

WILDCATS





Junior, Joe Cullum, performed his personal best.

David Fielder, senior, lifted 1095 (total of three lifts) pounds to earn second place in the KHS home meet.

SOCCER

The Lady Kats soccer team has a long tradition of winning.

Coached by Sidney Danner, the 2019 Lady Kats showed up ready to fight and win each time they stepped onto the field.

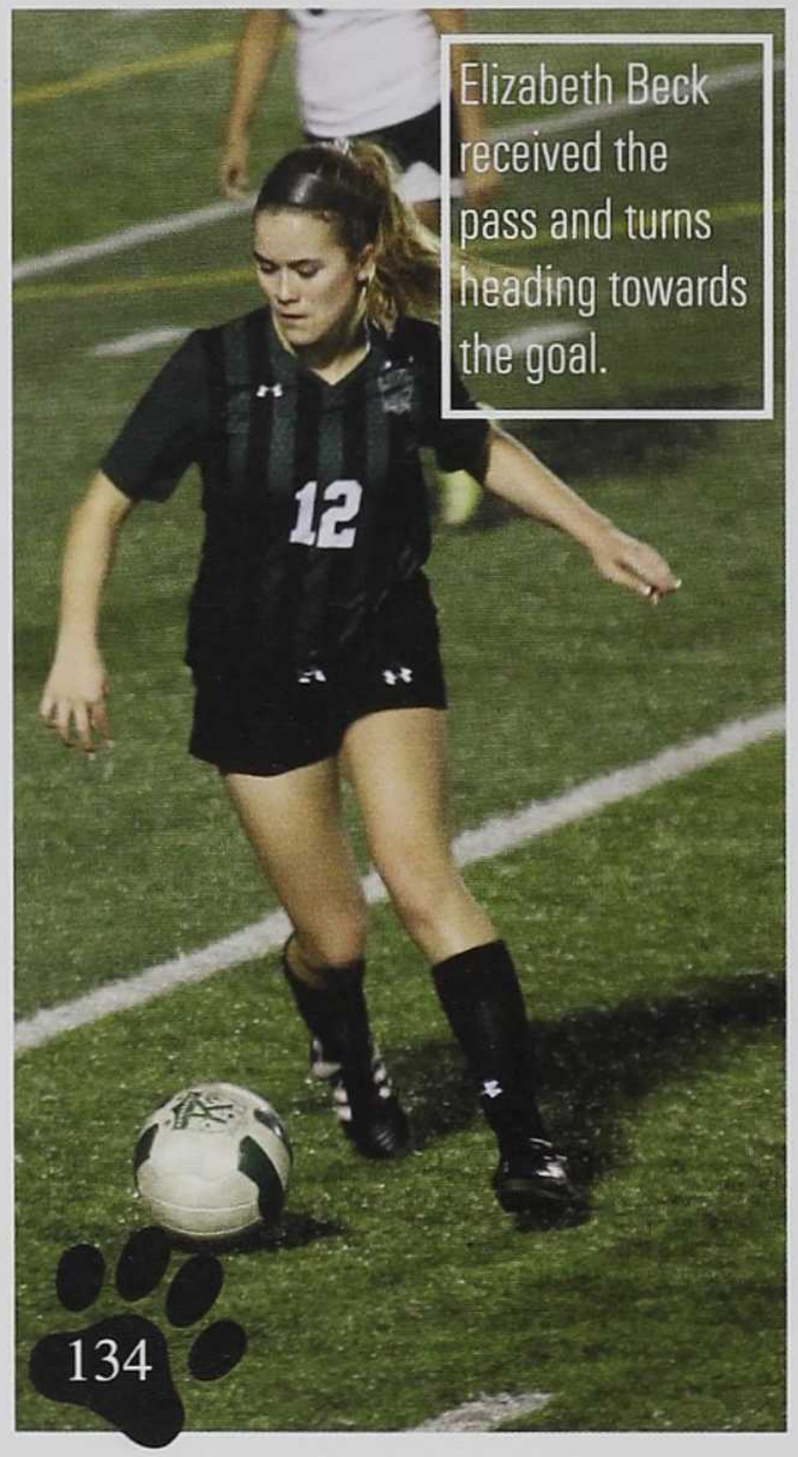
"This season has been amazing and memorable alongside my friends/teammates.," said junior Esmeralda Ortiz.

I'm super glad to be a part of this wonderful team, and I can't wait to see what the playoffs will be like," said freshman Angelina Olmos.

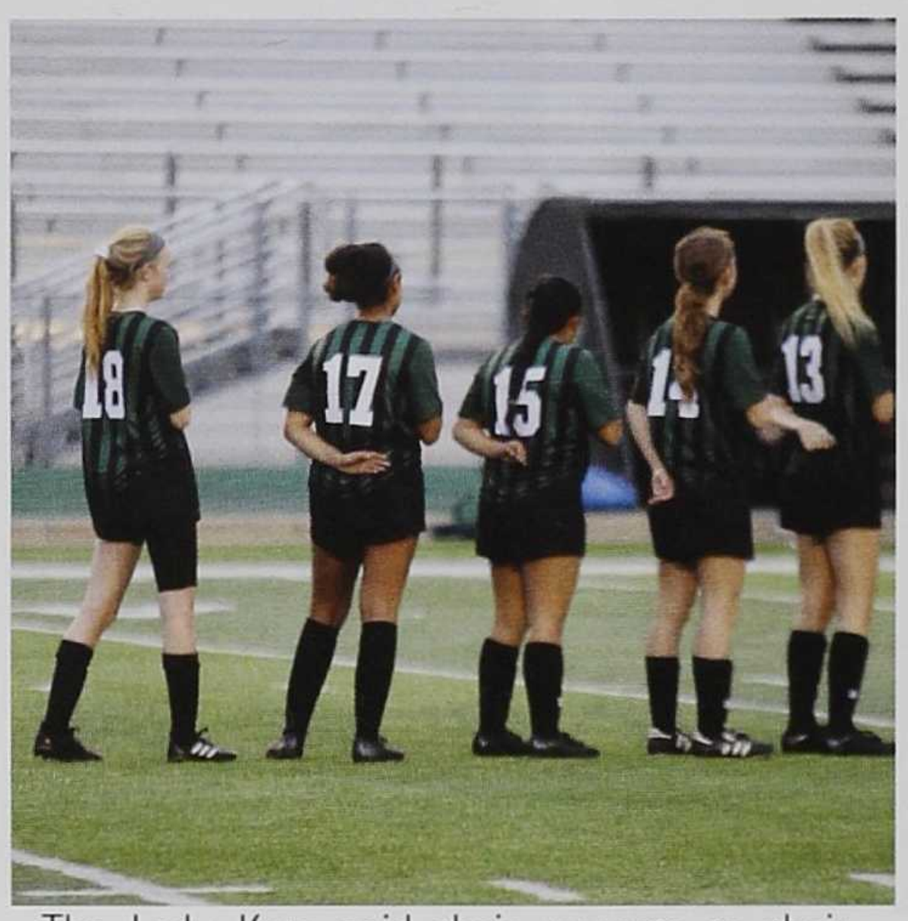
The Lady Kats were dominating district and on the road to the playoffs at deadline.

Please see supplement for season stats.

The Lady Kats say a prayer before their game against the Western Hills cougars.



Elizabeth Beck received the pass and turns heading towards the goal.



The Lady Kats paid their respects to their country with the National Anthem.

Hannah Biles cleared the ball away from pressure.

lady kats

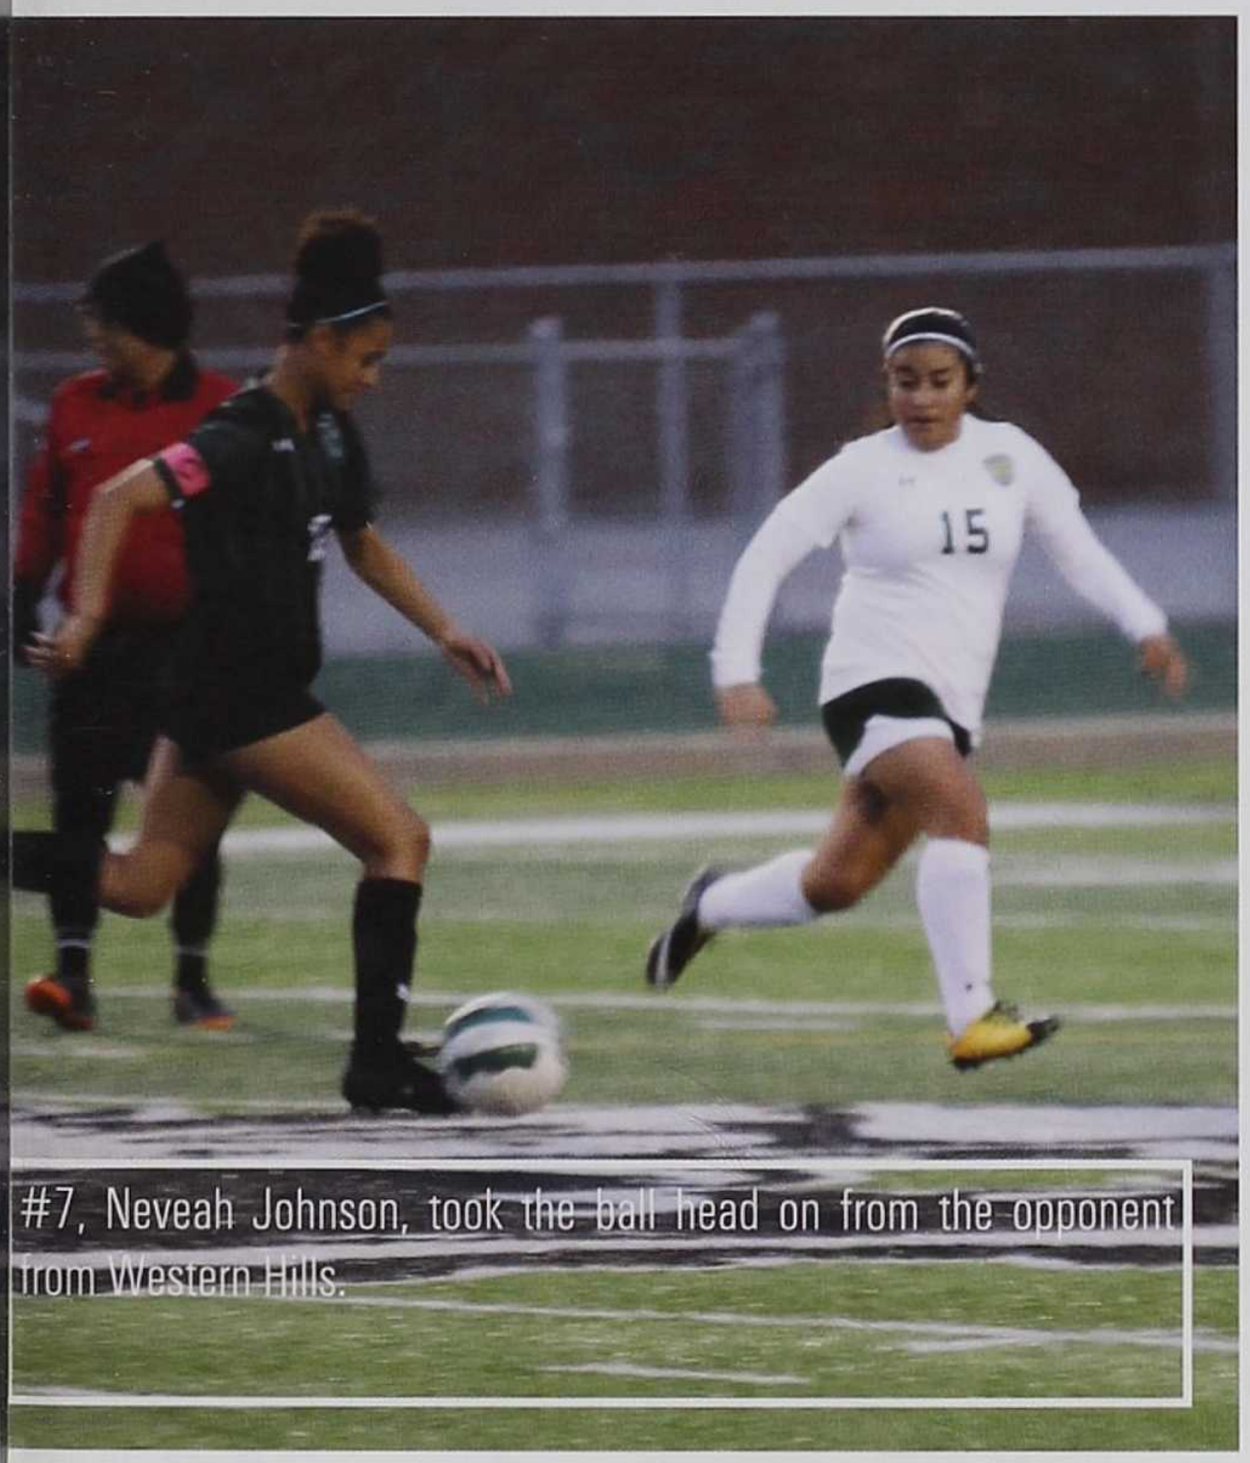
Coach Danner went over plays and game plans with the Lady Kats.

evaeh Johnson took a shot on the goal.

Grace Guadagnolo looked for a pass.

Elizabeth Beck got to the ball before the defender.

Esmeralda Ortiz raced to get the ball to pass it to her teammate.



#7, Neveah Johnson, took the ball head on from the opponent from Western Hills.

#10, Angelina Olmos, shot for the winning goal.

BOY'S VARSITY SOCCER

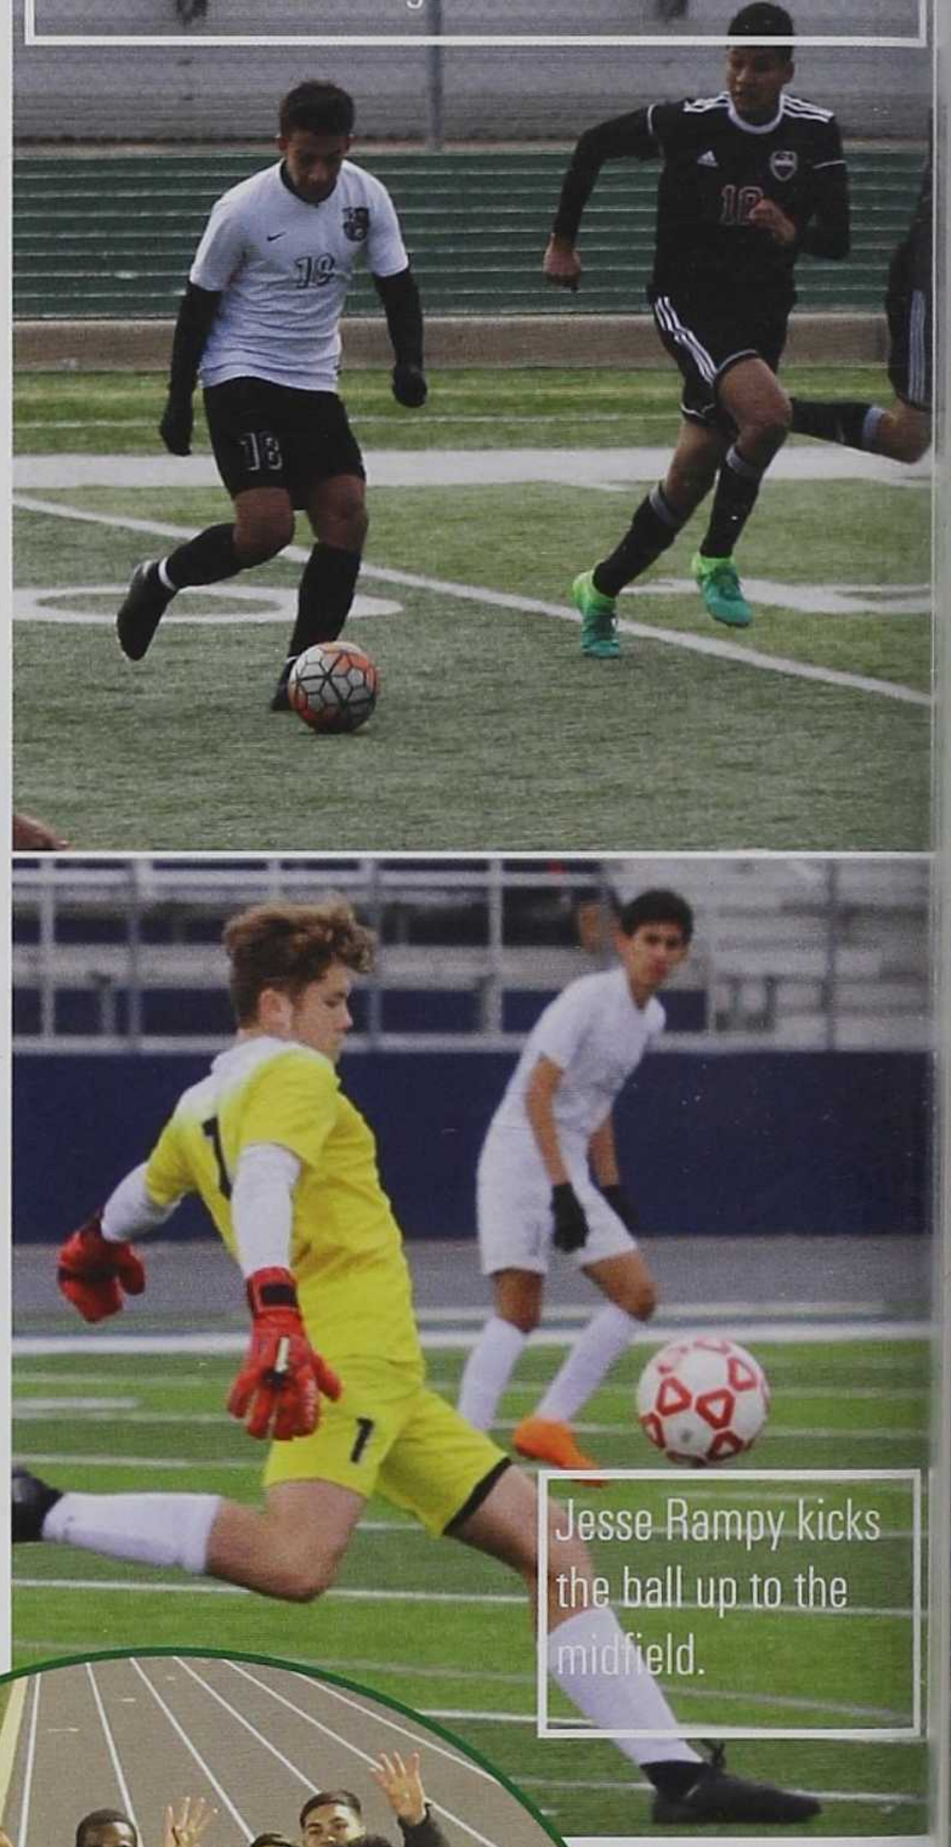
Kennedale's boys varisty and junior varsity soccer teams started the season strong with a second place finish in the King's Classic. The Varsity Wildcats beat Paris High School 4-0, Mt. Pleasant 6-0, and North Lamar 8-0 before losing to Paris in sudden death in the championship game.

The Wildcats went on to win throughout the season, and in district play.

At deadline, the Wildcats were looking toward a strong finish in district and headed to the playoffs.

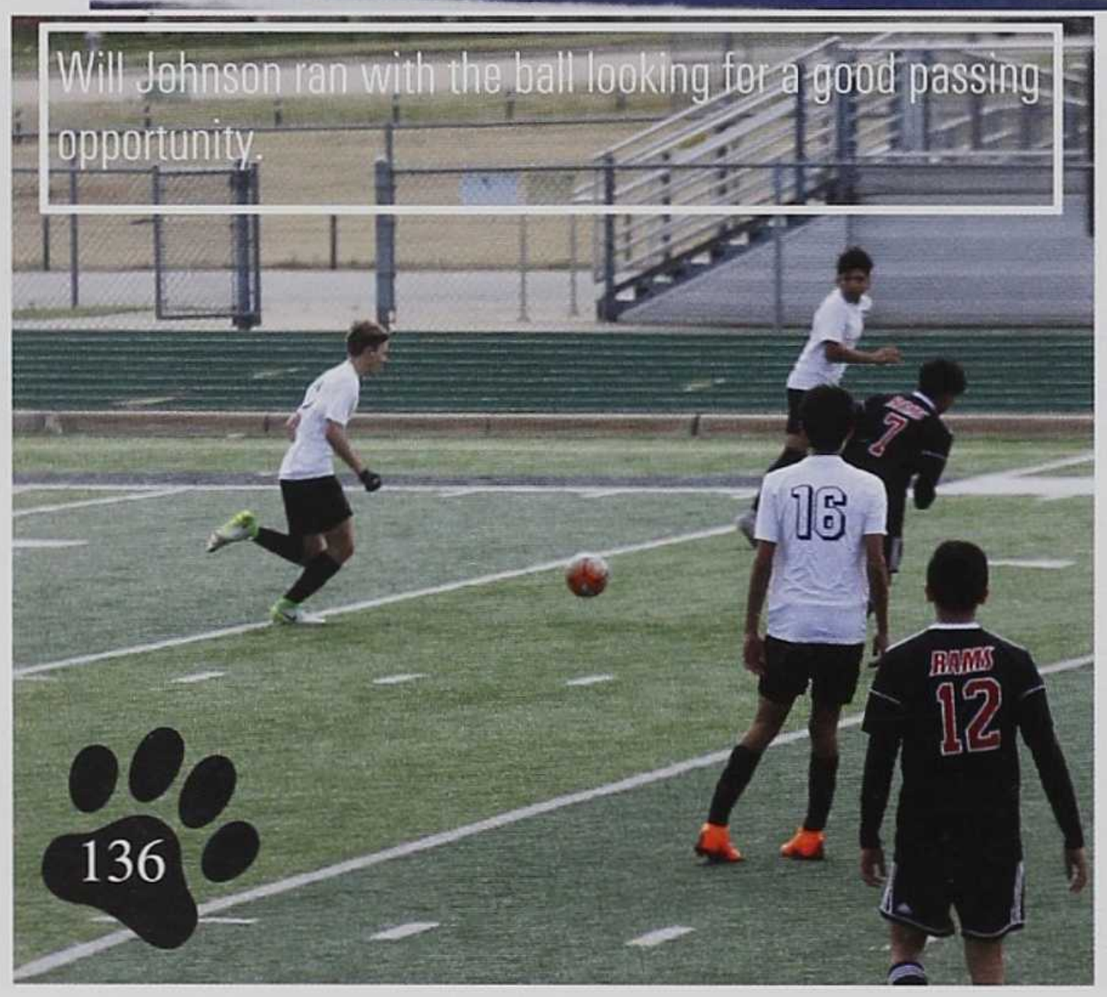
See the supplement for a recap of the entire season.

Coby Stroud passed the ball from the corner kick.



Sunny Pradan looked for a pass to get through the midfield and score a goal.

Jesse Rampy kicks the ball up to the midfield.



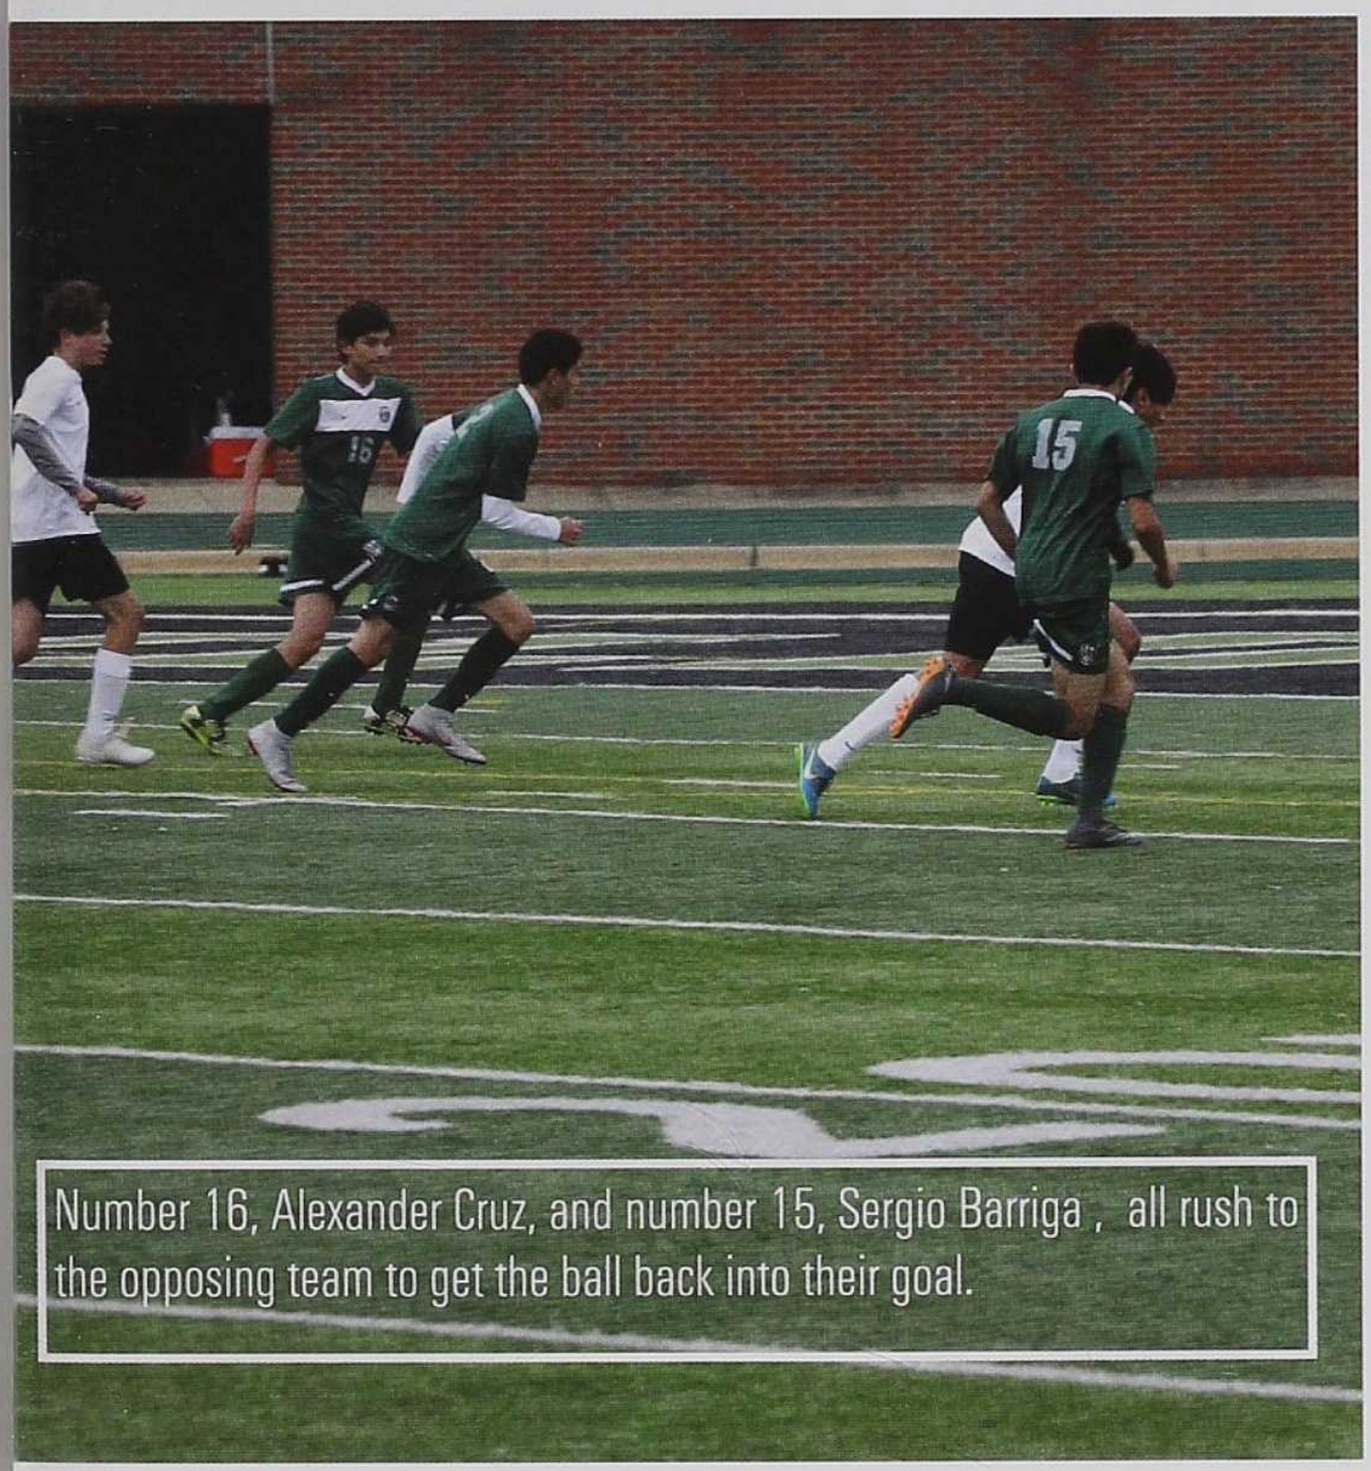
Will Johnson ran with the ball looking for a good passing opportunity.

kicking it up a notch

BOY'S JV SOCCER

Alexander Cruz, 16, handled the ball,looking for a good pass to make a goal.

Number 11, Marcos Angel, passed to number 15, Sergio Barriga, as they strive to shoot it down to the other side of the field.



Number 16, Alexander Cruz, and number 15, Sergio Barriga , all rush to the opposing team to get the ball back into their goal.

Number one, Mason Murphy assists number seventeen, Edson Sanchez in trying to steal the ball from opposing team.

LADY KATS

VARSITY SOFTBALL

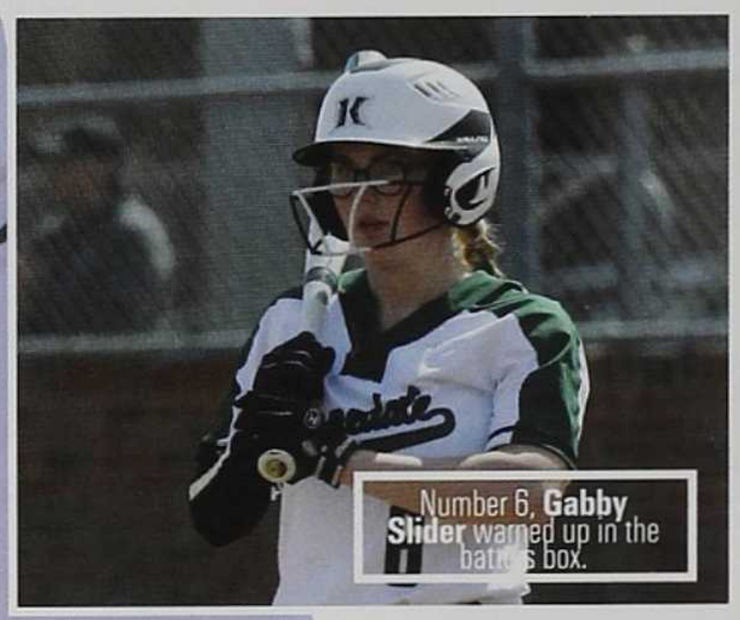
GO HARD OR GO HOME

The Lady Kats fought hard this season and pulled out victory after victory. These ladies trained to win from the very start, working out and strengthening their skills off season.

At the conclusion of the season, the ladies had to say goodbye to the leaders of the pack and even they couldn't believe it.

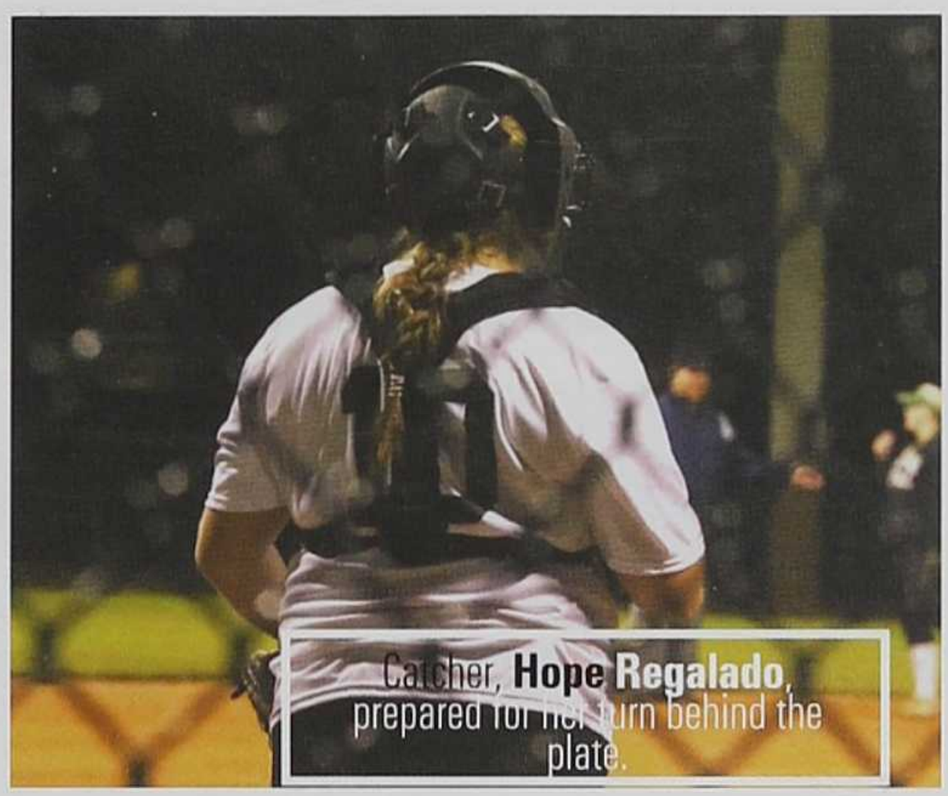
"My freshman year, people always told me it would go by so fast and now I believe it," senior, Megan Calhoun says.

The ladies made the Wildcats proud and hit this season out of the park.

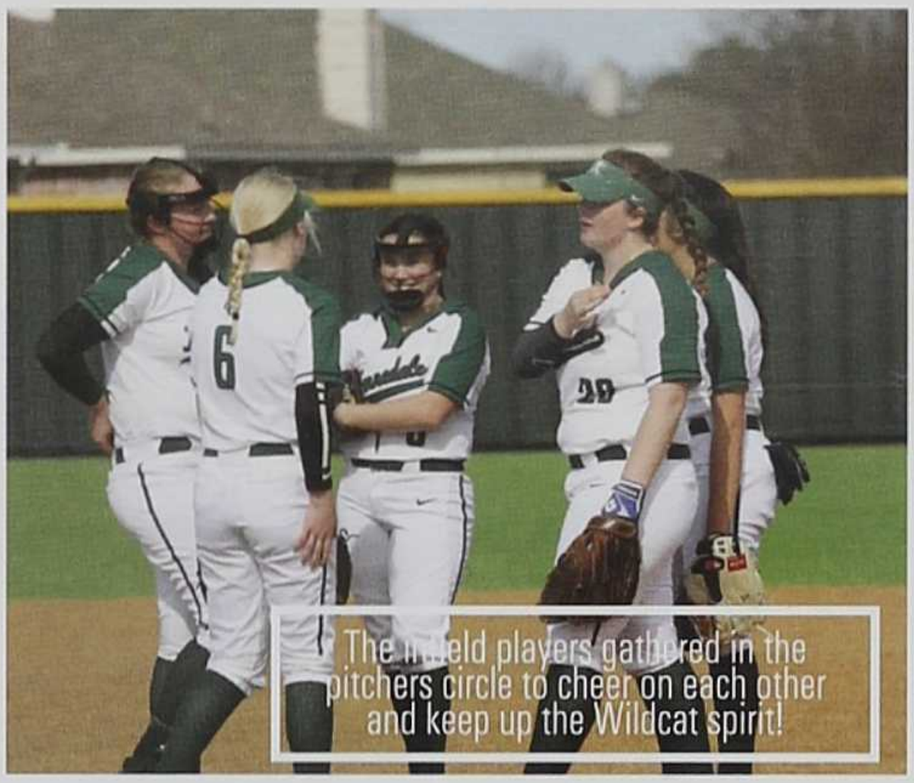


Number 6, **Gabby Slider** warmed up in the batter's box.

Megan Calhoun is in position and focused, ready to hit one out of the park.

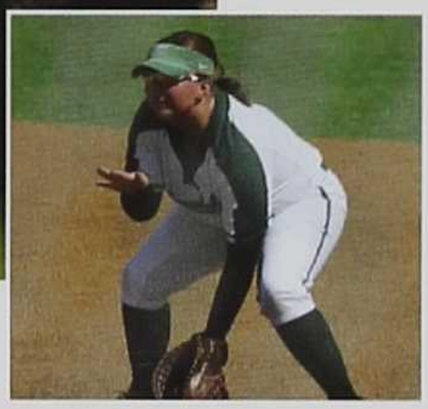


Catcher, **Hope Regalado**, prepared for her turn behind the plate.



The infield players gathered in the pitchers circle to cheer on each other and keep up the Wildcat spirit!

Batter up! Number 8, **Allie Hopper** set up to bunt and brought the other girls home!



LAST HOME RUN

final words of advice from the seniors

Meghan Calhoun

"Enjoy it while it's happening because it goes by so fast."

Daijia Pugh

"Be yourself."

JV BASEBALL

WILDCATS

The 2019 Junior Varsity Wildcat baseball team is led by coaches Richard Earle, Paul Tranthum, and Gareld Massey. The plethora of baseball talent at Kennedale High School forced the coaches to divide the jv players into two separate teams. JV Green and JV Black both see time on the diamond as they take on opponents from across the DFW area.

"The sky is the limit for this bunch. They have an untapped potential that is yet to be realized," said JV head coach Richard Earle.

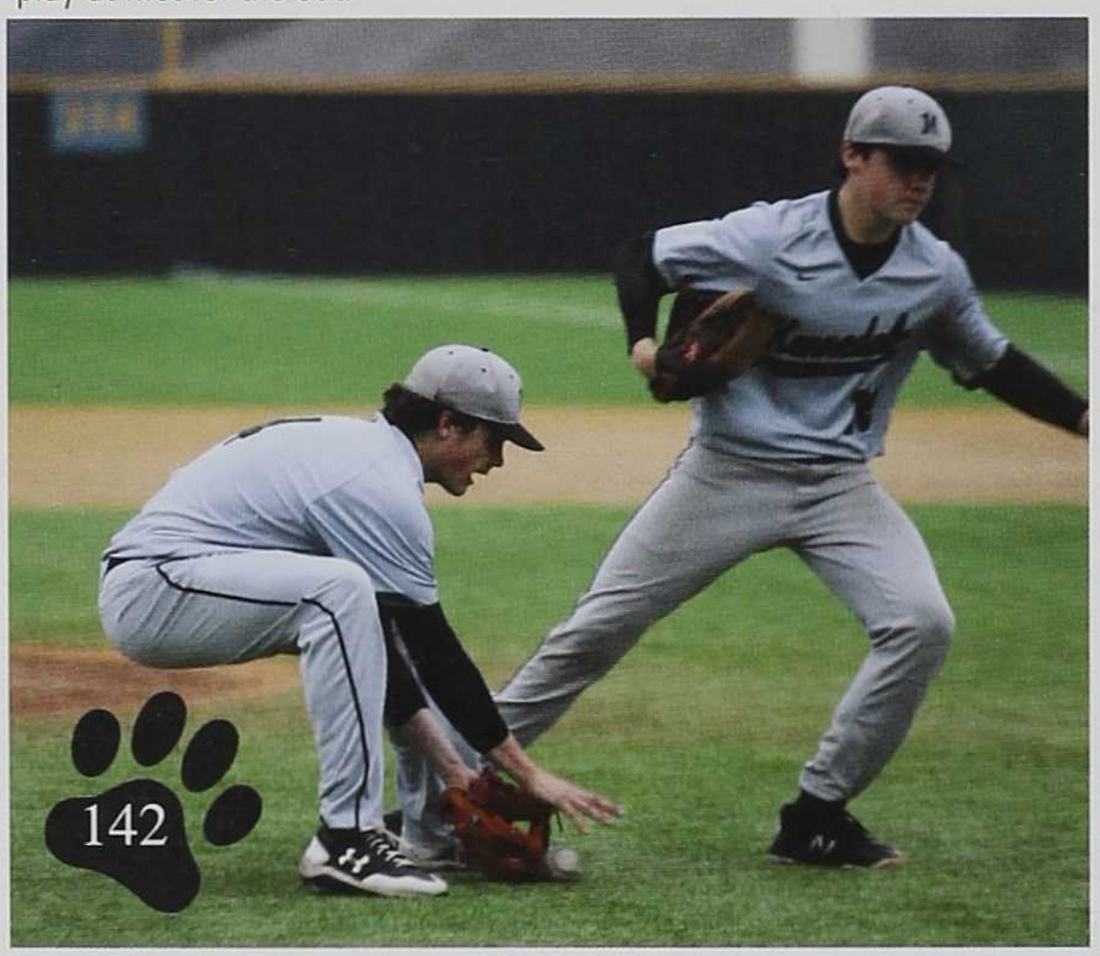
Quote one of his favorite coaches,Paul Tranthum, "It's real dang simple, period, end of subject," said freshman third baseman Junior Gonsman.

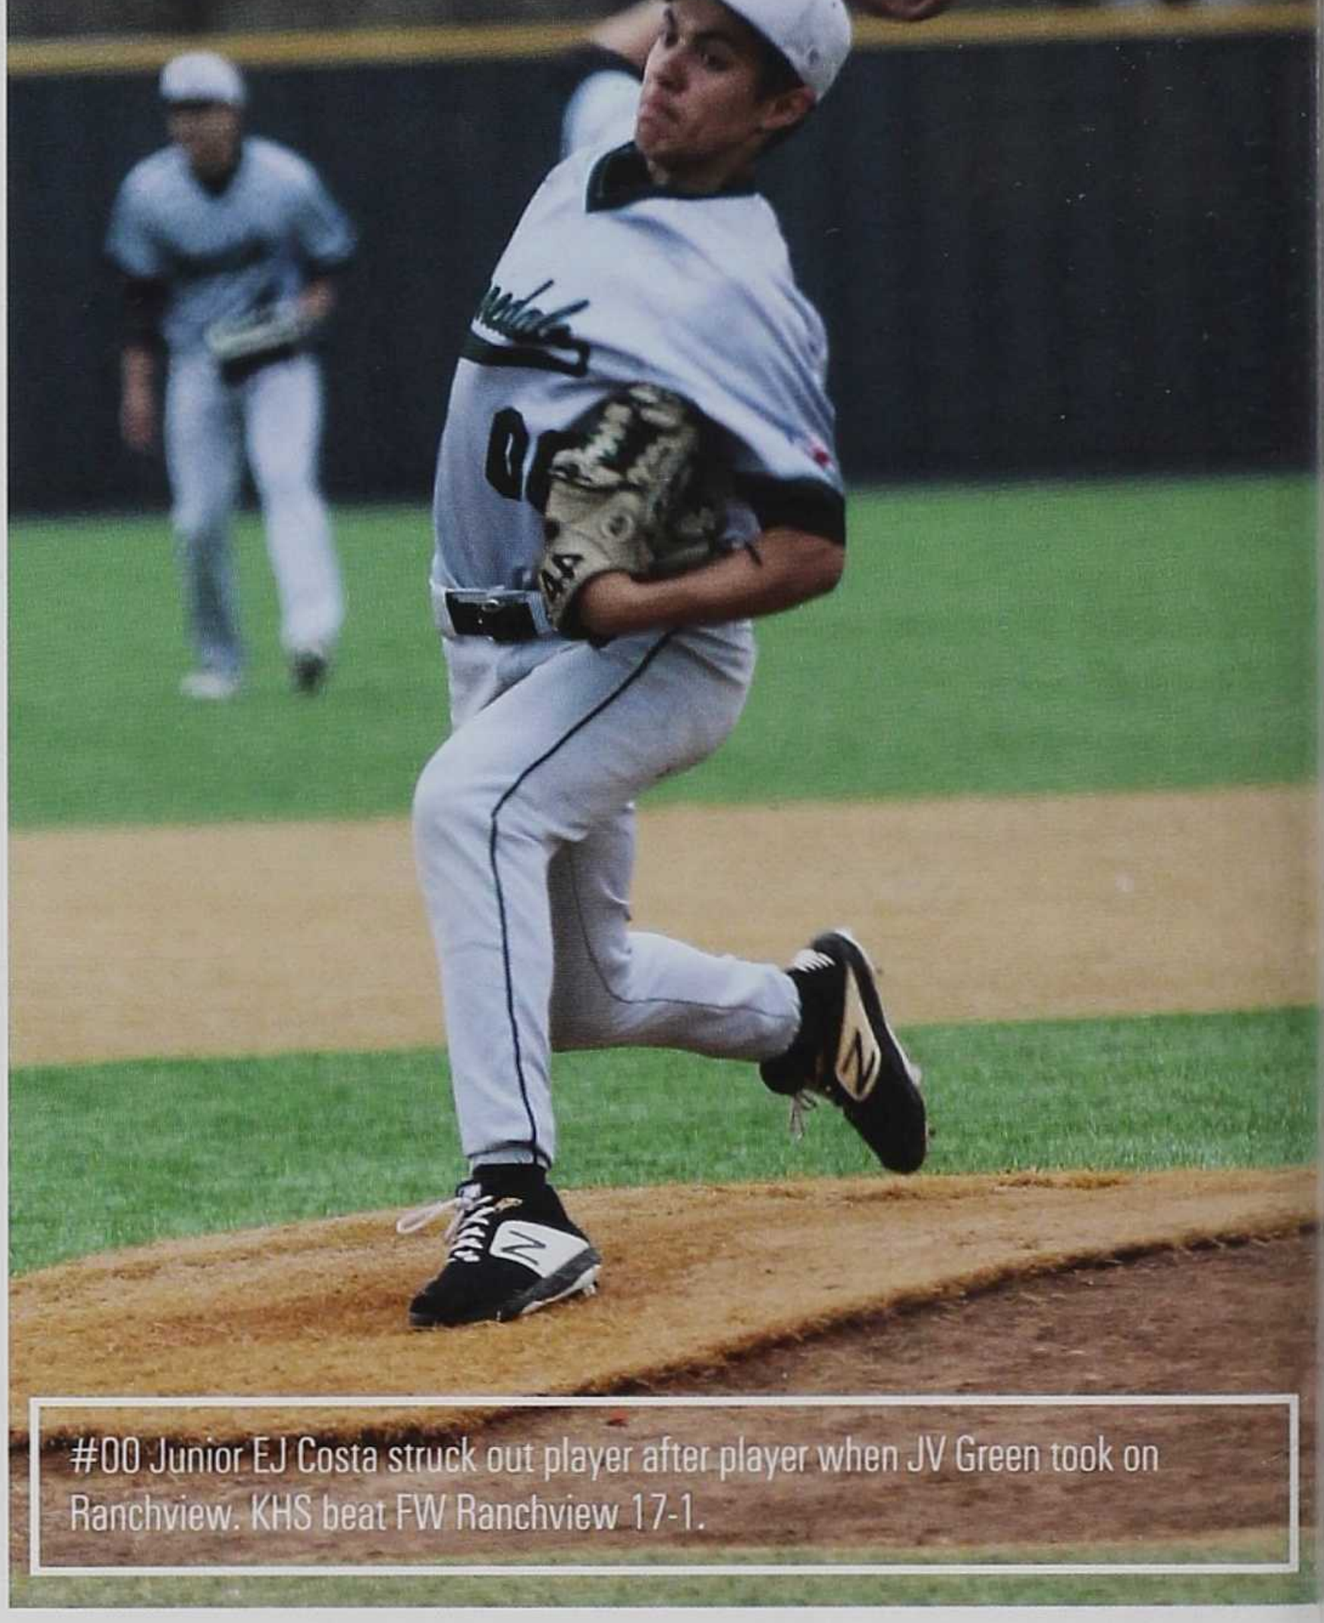
#26 Sophomore, Kyle Brooks hit a triple, bringing in three Wildcats across homeplate.

#8 SophomoreColby Gee threw a ball to first base for the out against Ranchview.

Coach Earle went over strategy with catcher Kyle Brooks.

#5 John Paul Errington fielded a ground ball and was able to make the play at first for the out.





#00 Junior EJ Costa struck out player after player when JV Green took on Ranchview. KHS beat FW Ranchview 17-1.

LADYKATS JV SOFTBALL

WHATS YOUR FAVORITE SOFTBALL MEMORY?

"My favorite memories are when we fall. Someone takes a fall almost everyday."

Halle Bailey

"Halle falling on her face over literally nothing."

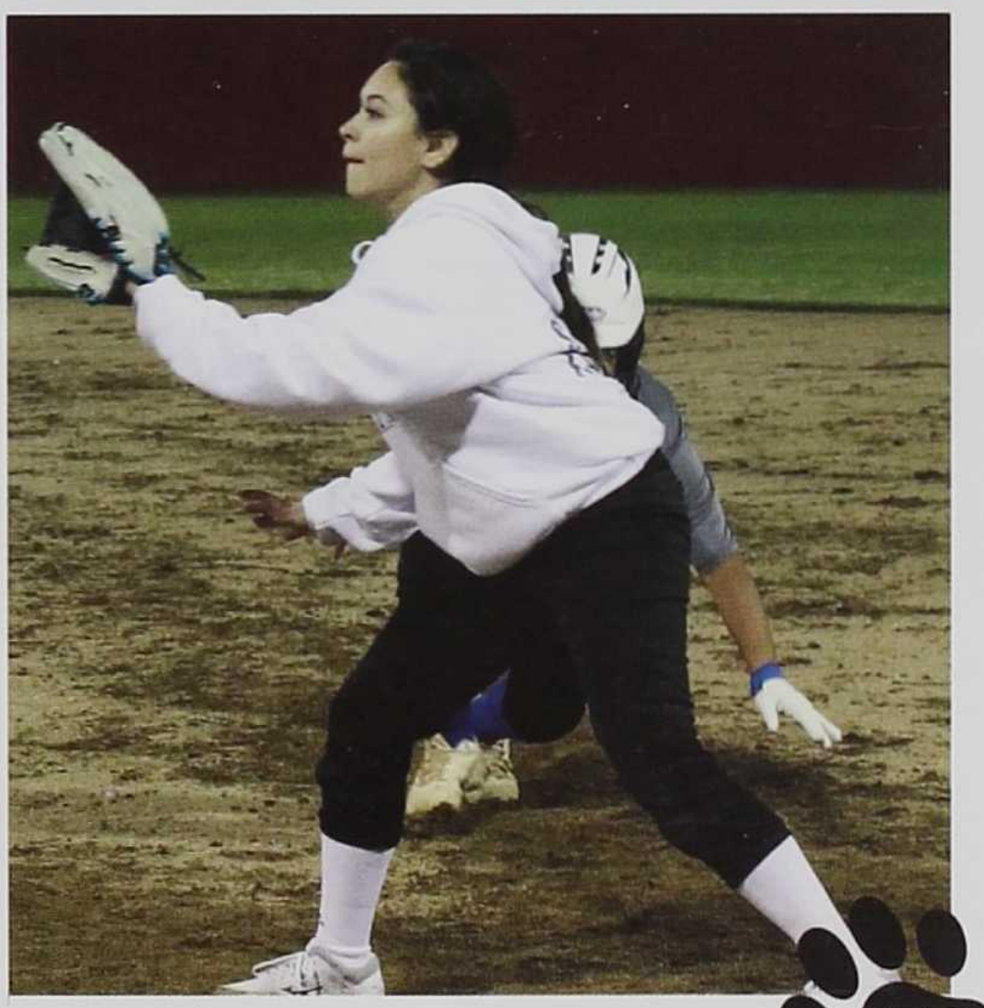
Danicia Cooper

"Earing at Cici's Pizza during softball tournament all of us died laughing and telling a bunch of jokes."

Alyssa Delgado

Having fun in the concession stands and spending time with the team."

Harmonee Verrett



Final stats of the season for baseball and softball can be found in the supplement.

putting in the effort

GOLF

Picture the cool crisp wind wandering across the course.There you are, driver in hands. You raise your club for a swing. All the potential energy you held is now released. Can you see it? The little target that sat in front of you is now airborne.

For the Kennedale High School golf team, the experience is one of calm focus.

"I really like playing golf. I love how much the game and sport of golf is peaceful yet stressful. You need to be patient, focused, and you need to have a creative mind," said junior Chance Rogers.

The KHS golf team continues to make a name for themselves in local golf.

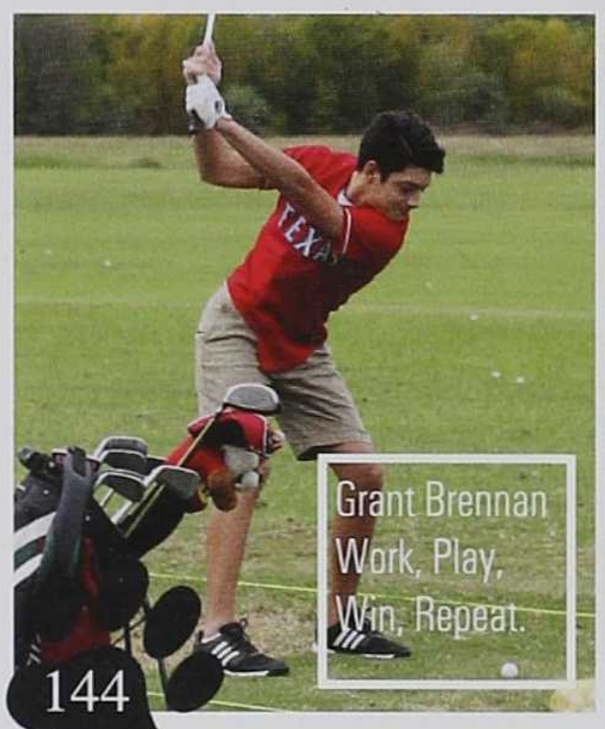
"We are putting are best out there. We will keep our goal straight like our shots in the fairway. We won't stop doing what we do, that's for sure, Believe it." said Rogers.

COACHES AND PLAYERS OF THE SEASON

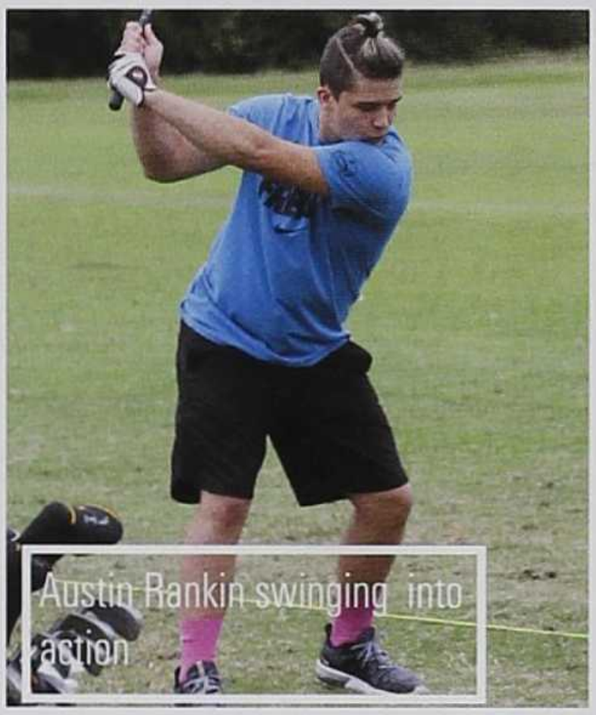
COACHES HEAD COACH - CLINT FUNDERBURK; ASSISTANT COACHES- REX UNRUH (FALL); KELLY CARL (SPRING)

GIRLS BRIANN ONDARZA, RACHEL PREBE, LILIANA STAFFORD, JORDAN WILLINGHAM

BOYS GRANT BRENNAN, EVAN JOWERS, AUSTIN RANKIN, CHANCE ROGERS, GRAYSON SEWELL, MASON STEWART

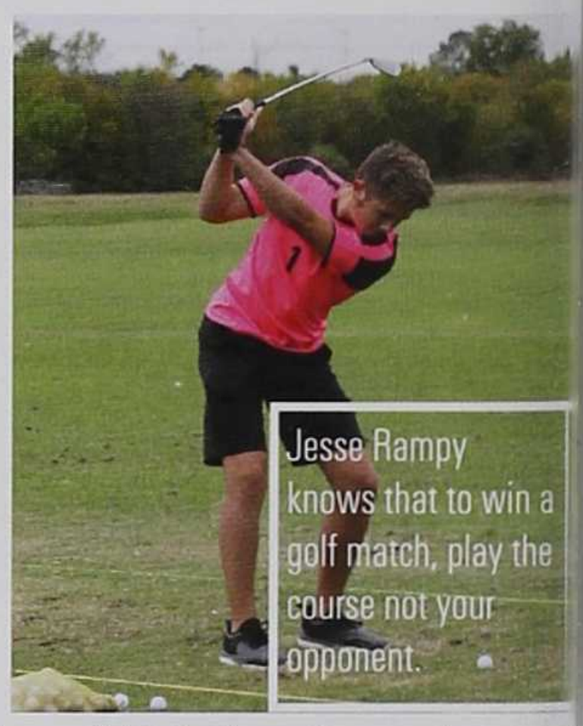


Grant Brennan Work, Play, Win, Repeat.



Austin Rankin swinging into action

Briann Ordarza gets pointers on the perfect drive.



Jesse Rampy knows that to win a golf match, play the course not your opponent.

Complete season stats will be available in the spring supplement

making a racket

TENNIS

Dennis Simmons waits for his match to begin.

Sharneili Brown sets up for a backhand return.

Coach Klasnich showed player, **Dennis Simmons** the proper serve technique.

Caren Pena-Aguilar returns the serve in an effortless backhand.

Max Lowery and Jesse Rampy took a break for a photo op.

Emma Smith

We can't believe how the time has flown. You are a treasure to us and each day has been a wonderful adventure! God has a blessing on your life!

We love you,
daddy and mommy

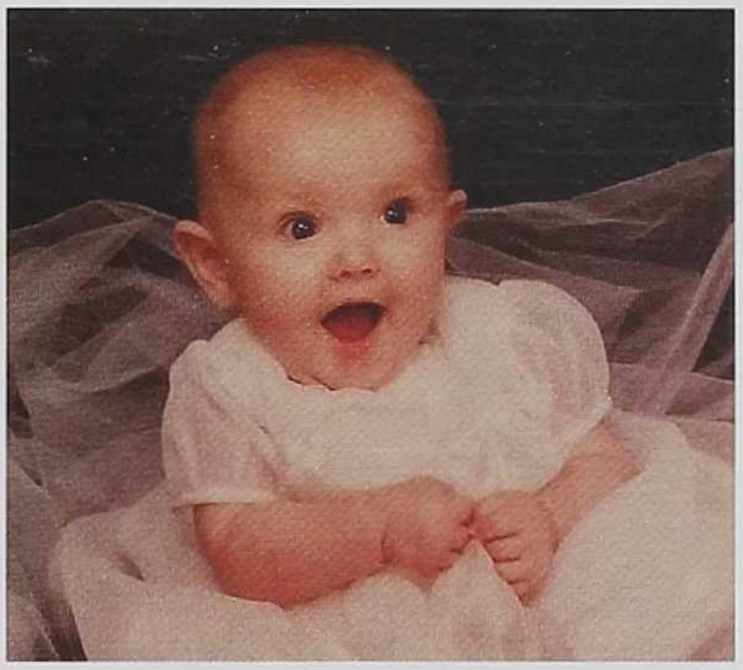
Katie Groff

Katie 17 years ago you lite up our world with your sweet smile and stole our hearts forever. The years have gone by way too fast. We are so proud of you Bug and the young lady you have become. You are a beautiful young woman who is hard working, compassionate, kind, unselfish, funny and has such a big heart. Most importantly you show commitment, passion and a true determination to walk with God every day. We are so proud of you and cannot wait to see all that you will accomplish in your new adventures as a student of the Fight'in Texas Aggie Class of 2023! Whoop! We love you with all of our hearts and are truly blessed and proud to be your parents. We can't wait to see what lies ahead of you as you enter into the next Chapter of your life. Remember to always keep your focus on God.
We love you to the moon and back!
Mum and Dad

Megan Tucker

Set a goal so big
you can't achieve it
until you grow into
the person who can.

Love you!
Joelle, Adrian, & Mason

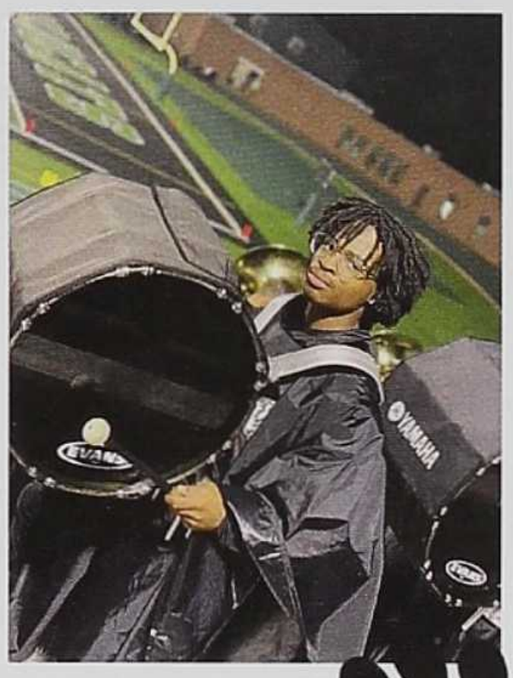


Ellis Bowman

For the past 4 years, we have watched you grow from a little boy to a young man, and we couldn't be more proud of you! We wish you continued success!
Love always,
-Mom and Dad

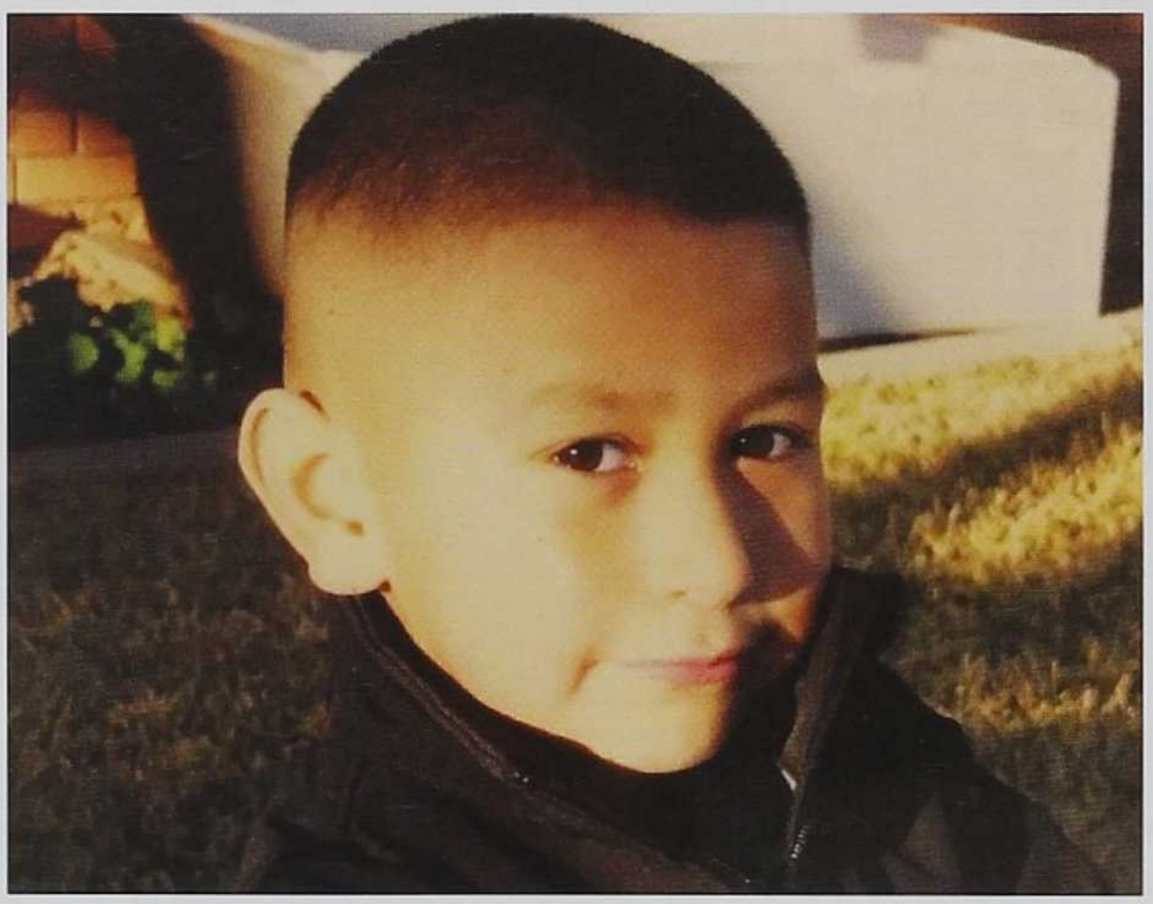
Elvon Bowman

Watching you grow from a boy to a young man over the past 4 years has been an adventure. We are proud of you and excited to see you succeed in your next phase of life!
-Mom and Dad



Hannah Lee Stephens

For I know the plans I have for you," declares the LORD, "plans to prosper you and not to harm you, plans to give you a hope and a future.
Jeremiah 29:11



Zachary Garcia

Wherever you go, go with your heart.

We love you so much Zachary

Love Grandpa, Grandma, Hector and Mom

Little Girl, Daida Bug, Grasshopper, Dai Pugh, Pugh, Yunni, Younique, Fat Face, Fats... So many names that I've called you over the years but one remains consistent. Daughter! You're going to do amazing things. Keep God first, stay true to yourself and always be your best you.

Go Be GREAT!!!

Daijia Pugh

Cameron Robertson

I blinked and suddenly there is a man before me. You have given me so many reasons to be proud of you. Thank you for each moment of being your mom. I cannot wait to see what you do next.

Congratulations, You DID IT!

The years go by quickly, so savor each moment.

Friendships may not last, so laugh hard and often with those close to you.

Find your **PASSION** and **GO** for it.

Lots of Love - MOM

yearbook

CLASS OF 2019

Seniors: Jamaal Strange, Lamont Clark, Triston Grant, and Khesslyn Henderson

Your hard work and effort really paid off. The extra time you spent making this yearbook will be something to look back on with pride. You have "left your print" at KHS, and I am very proud of each of you!

Mrs. Hyde

leaving our print

FROM THE EDITOR-IN-CHIEF
KHESSLYN HENDERSON

The yearbook, to me, is more than just a picture book. It is a book of memories captured by the yearbook staff throughout the entire school year. The yearbook has a specific moment in time on every page.

Thank you guys for a wonderful year.

The 69th edition of the 2019 Wildcat was printed by Herff Jones, Inc. in Edwardsville, KS. The theme for the yearbook was "Leaving Our Print." The theme represents that each individual at Kennedale High School leaves their unique print on the campus and in the lives of fellow Wildcats. We tried diligently to include each student and faculty member and accurately describe the print they left in 2019.

Our sales representative was Ronda Cullen. Our plant representative was Chris Speth. Student, faculty, and sport group pictures were taken by Glamourcraft. The senior panoramic picture was taken by Goldbeck Photography.

The cover is a custom suede cover with a pawprint cutout. The cover was sketched by artist Kirk Headley of the Kansas City, KS creative services team at Herff Jones.

The book is a 8 1/2 ×11 format and is printed on 80# gloss paper. The Wildcat used Dell computers, Chromebooks, two Cannon cameras and two Nikon cameras. The 168 page book was designed in the eDesign online program. The font families used were AHJ Pierce Hand, AHJ Unitus Cond, AHJ Unitus Cond Bold, and , AHJ Unitus Cond LH Light. There were 350 copies of the book produced at the Edwardsville yearbook plant.

The cost of the book was $50 for early bird special and then rose to $65 after September 3.
